

2022-2023

ANNUAL REPORT

THE CAREY SCHOOL

The Mission of The Carey School

Specializing in elementary education, The Carey School inspires curious, confident and joyful learners and celebrates childhood in an inclusive, diverse community that nurtures kindness, respect and personal responsibility.

Our Commitment

Educate each child through an academically challenging and balanced Pre-Kindergarten to Fifth Grade educational curriculum based on the fundamentals of reading, language arts, and math.

Advance our curriculum with integrated studies in science, music, art, world languages, technology, library studies, physical education and other enrichment programs.

Enable students to reach their fullest potential by providing a developmentally appropriate curriculum that nurtures cognitive, creative, social-emotional and physical growth.

Sustain a culture of teaching excellence through passionate faculty, curriculum reviews, collaboration and professional development.

Partner with families to maintain our inclusive community and build student awareness of self as well as the world beyond.

Graduate enthusiastic, life-long learners who are prepared with the skills for a successful educational journey.

HEAD OF SCHOOL LETTER

Neely Norris, Head of School

The 2022-2023 school year was one of new beginnings for me and The Carey School. In my first year as Head of School I relished the opportunity to get to know this wonderful community in all new ways. From the very start, we prioritized opportunities to bring people back on site to enjoy our beautiful campus in community. From Back to School Night to Spaghetti Dinner and our return to an all-school Operetta after several years, current families were fully immersed in opportunities to be together. We also brought back alumni families for a first ever reunion party for sixth to eighth grade families and an unveiling of our new Carey History Wall for former trustees.

As I reflect on my first year of headship at Carey, I am struck by how deep the Carey network and community, still strong long after students graduate from Carey. I have heard from former parents, students and teachers for whom Carey holds a special place in their hearts. The former parents who visited and reminisced about helping fund the play structure, the former educator who left Carey 20 years ago but still recalls it fondly, the former student, now in college, who sent us an Annual Fund donation as he so valued his time here. Each of these visitors came to campus and gifted me their perspective, their care and their enduring love for Carey.

These examples of connection to our special school are embodiments of our giving community that sustains us and provides us the ability to make our special school an even more amazing place each year for our students. Today, as these pages show, we enjoy a position of financial strength because of the hard work and commitment of our development office, fundraising volunteers, and all of you. Your ongoing, generous support has resulted in the school's solid foundation. We are deeply grateful.

DEVELOPMENT

THE CAREY SCHOOL

DEVELOPMENT COMMITTEE CHAIR LETTER

Brian Baum, Development Committee Chairperson

The Carey community continues to be extremely supportive of the Carey School and the 2022-2023 school year was another successful fundraising year for Carey. Development is crucial to The Carey School and we are so appreciative of our entire community's generosity this past year. Carey's Annual Fund raised \$XYZ,000. The Annual Fund continues to support all the things that make Carey unique which tuition alone does not cover, including professional development for our educators, special school programs, and other operational needs.

The Carey School Parents Association (CSPA) hosted our auction and Fund-A-Need raised \$XYZ,000 to support financial aid. This tremendous support speaks to the importance and value our community places in ensuring Carey remains a diverse and inclusive community welcoming of all students regardless of financial means.

Finally, we had our third year of a 5th grade gift with funds being donated to the Duncan Lyon Faculty Endowment Fund. The graduating 5th grade class raised \$XYZ,000 for this initiative. We are grateful to all the families for contributing to this important cause.

Our essential fundraising would not have been possible without the hard work and dedication of the development committee members, board members, CSPA volunteers, and donors throughout the Carey community. We are also grateful for the support of the staff, teachers, and parents who pitch in everyday to ensure Carey sustains its mission of creating curious, confident, and joyful learners. We look forward to another exciting year ahead.

CSPA

THE CAREY SCHOOL

CSPA PRESIDENT L LETTER

Melita Jampol, CSPA President 2022-2023

Thank you so much to all of the parents who partnered with the Carey School Parents Association (CSPA) to make the 2022-2023 year packed with traditions and events invoking our special school magic! We had a phenomenal year filled with fun from our packed ice cream social, faculty appreciation week, pumpkin patch, walkfest, all the way through auction, our sustainability challenge, book swap, spaghetti dinner and graduation! Our unwavering focus this past year has been supporting our kids as they grow and thrive at Carey and surrounding them with a warm, caring and engaged community.

We know for our children to fully thrive as students they have to first feel cared for and connected. That's why CSPA is entirely devoted to supporting our kids through nurturing an inclusive and engaged community, supporting and celebrating our teachers and administrators and by raising funds to further strengthen our thriving programs.

I am appreciative of every parent at Carey including the many who go above and beyond, such as the:

- 9 CSPA executive committee members,
- 44 committee chairs and event leads, and
- 23 room parents.
- All of whom created and hosted:
- 53 school-wide events,
- 61 grade-level events and contributed to
- 4,062 volunteer hours logged!

CSPA aspires to make volunteering engaging, rewarding and inclusive for families with all types of schedules. I'm thrilled that our guidance of 15 hours of volunteer service per family is widely being met and exceeded and I'm deeply appreciative of the many contributions of our parent community.

Diving a bit further into volunteer hours, we find:

- 22% of parents went above and beyond, contributing 30+ hours, WOW
- 43% of parents volunteered 20+ hours
- 74% of parents are contributing 10+ hours

In addition to building community and reinvigorating our many traditions after pandemic breaks, behind the scenes the CSPA worked on our infrastructure and documentation. We updated and streamlined our committee structure, developed transition plans, updated and clarified room parent responsibilities, tracked and reported on volunteer hours as well as automated our expense reimbursement process. Thank you so much to the CSPA executive committee for your incredible dedication and all that we accomplished together; Jaime Chen, Melissa Sims, Erin Haugen, Suzanne Liu, Robin Rudikoff, Jake Bauer, Sonal Talukdar and Esther Shek. I've been honored to work with and inspired by each of you.

It has been truly a pleasure and a lot of fun to serve our incredible school this past year. I was blown away by the incredible time and talents so generously given by this community encouraging everyone to feel welcome and connected!
