Emergency Procedures & Communications

In the case of an emergency at our schools, we ask that you please remember to look for official information from the school or district. We may deliver messages via school and district websites, email, phone, text, and district social media accounts - [Facebook](#), [X](#) (formerly Twitter), and [Instagram](#).

Parent Emergency Contact Information

Please ensure that we have your most accurate contact information on file in order to be able to effectively communicate with you during an emergency.

In the event that you move, you must verify your new address with your school's front office. Student and parent contact information can be updated throughout the year via the [Aeries Parent Portal](#). The school office cannot be responsible for making those changes.

Please contact your school to receive your student's confidential account information so that you may sign up for a portal account. If you are unable to create a portal account, please visit your student's school to update contact information.

Emergency Procedures

Our school has emergency procedures in our comprehensive school safety plan and conducts training with staff on a regular basis.

We have implemented the "I Love U Guys" Standard Response Protocol (SRP), which is a uniform, planned and practiced response to an incident. It defines the five actions to take in an emergency: **Hold, Secure, Lockdown, Evacuate, and Shelter**. Staff and student trainings are conducted annually at the start of the school year to familiarize ourselves with the emergency actions, and fire, lockdown, secure, earthquake, and disaster drills are conducted throughout the year. In collaboration with local law enforcement and school resource officers (SROs), safety drills utilize the common language defined in the SRP. Please familiarize yourself with the five SRP actions so that in the event of an emergency, you have a clear understanding of the action being taken to support immediate safety efforts. Corresponding signage with descriptions of the five actions are displayed throughout our schools.

In the event of an earthquake or disaster, we have established the following procedures for the safety of all school occupants:

- Absolutely no parking in the parking lot to allow emergency vehicles access.
- Do not enter the school building. Rescue teams are equipped for this purpose.
- Report to the Reunification Location to pick-up your student - Pool Parking Lot (Eastbluff Drive).
- Reinforce the necessity of your student remaining at school until an adult listed as an emergency contact in Aeries arrives to pick them up.

WeTip

ACADEMICS

Academic Honesty

Students are expected to do their own work in an honest and forthright manner. Looking at another student's test paper, using cheat sheets, obtaining test answers, copying homework, and plagiarizing (copying from a book, magazine, a peer, or the internet) to complete an assignment or project are dishonest acts. Students who compromise their integrity in these ways will be subject to disciplinary action.

Additionally, using AI-powered digital tools to generate content that is presented as original work is a form of plagiarism. This includes having AI write essays, answer test questions, or paraphrase existing content without proper citation. Remember, schoolwork is about developing your own knowledge and critical thinking skills. If you're unsure whether a particular use of AI is acceptable, consult your teacher before proceeding. More information regarding citation and appropriate use of AI can be found [here](#).

Academic Intervention/Credit Recovery

Students who fall behind academically qualify for credit recovery coursework. Credit recovery provides students with an opportunity to retake coursework for which they did not earn credits. The programs are designed to help recover lost credits and ultimately meet graduation requirements. Please see your counselor for additional information.

Grades

At NMUSD, we recognize the importance of academic achievement and the role it plays in shaping students' success. Therefore, we have clear expectations regarding grades and provide comprehensive syllabi to guide students through their courses. Teachers are provided the responsibility of issuing grades based on [California Education Code 49066](#). If students or parents want to challenge a grade, please contact your school principal.

Graduation Requirements

NMUSD places a strong emphasis on graduation requirements and providing the option for students to meet the California A-G requirements as milestones for our students academic success and future opportunities.

NMUSD requires students to complete 230 credits for graduation which include a breadth of coursework.

A-G requirements established by the University of California and the California State University are a series of rigorous courses that prepare students for admission to the UC and CSU schools. For additional information regarding graduation requirements and coursework, please see Board Policy [6146.1](#).

Graduation and UC “A-G” Requirements (Cont’d)

Grade “C” or above: All “a-g” courses must be completed with a grade of C or above each semester.

Repeated “a-g” courses: Courses in which grades of a D/F are earned may be repeated. The highest grade will be used in the GPA calculation. *UC only allows a course to be repeated one time for grade replacement.*

7th–8th Grade Coursework: Coursework completed in 7th or 8th grade can be used to satisfy Math or Language “a-g” requirements, however, the credits are NOT counted towards a high school diploma.

Calculating GPA: UC/CSU calculate GPA using only “a-g” approved courses taken *after* the 9th grade, including summer courses. All “a-g” courses and grades must be reported.

SAT/ACT Test Scores:

California State University (CSU)

Applicants are not required to submit ACT or SAT scores. If a student elects to submit test scores as part of their application, they will be used as one factor of the multiple measures used for English and quantitative reasoning/mathematics college course placement.

University of California (UC)

UC no longer considers ACT or SAT scores when making admissions decisions or awarding scholarships. If a student chooses to submit test scores as part of their application, they may be used as an alternative method of fulfilling minimum requirements for eligibility or for course placement after enrollment. SAT subject tests have been discontinued and are no longer recommended for any campuses or majors.

Homework

Homework serves as an essential component of the learning process, designed to reinforce classroom instruction, promote independent learning and enhance academic skills. NMUSD believes that homework plays a valuable role in academic development and NMUSD policies reflect this belief. Please check with your student’s teacher to learn more about their homework policy.

Homework Requests for Absent Students

NMUSD recognizes the importance of maintaining the continuity of learning, even when students are absent from class. Independent study options are available to support students in keeping up with missed coursework. Short-term independent study is offered to students who are going to be out for 3-15 days. Long term independent study is for students who plan to be out longer than 15 days. Please contact your students counselor for more information.

Making Up Work Following An Absence

- Verified excused absences - Students shall be allowed to complete all assignments and tests missed during a verified excused absence or while on an independent study contract (per board policy). Students have one calendar/school day, per day missed, to get their work turned in.
- Verified unexcused absences - The ability to make up assignments missed is at the sole discretion of the teacher. Refer to the teacher syllabus for additional information.
- Unverified Absences/Truancies - Students will not be allowed to make-up missed work and/or will receive a 0 on assignments, quizzes, and tests.
- Suspension - Suspended students must work with their teachers to complete missing work; Per Ed. Code, students suspended 2 or more days shall have the opportunity to complete any assignments and tests missed during the suspension.

ARRIVAL/DISMISSAL

Student Automobile Regulations

- Parking regulations will be enforced by CDM security staff and NBPD; parking permits must be properly displayed at all times.
- Parking permits will be distributed to student drivers in good standing with attendance, discipline and grades.

Bus Transportation

NMUSD offers fee-based bus transportation on a first-come, first-served basis for eligible students. All students are required to have a bus pass to ride the bus. Students are eligible if they attend their school of residence and meet mileage criteria. (Middle School students must live more than 1.5 miles from their home school, and High School students must live more than 2.0 miles from their home school.)

For more information, contact the Transportation Department at (714) 424-5065 or visit the [NMUSD Transportation Department website](#).

Off Campus Release

- Juniors and seniors may leave campus for lunch with the expectation that they obey all traffic safety laws, do not transport underclassmen and return to campus in time for their next class.
- All other students (grades 7, 8, 9, 10) **MAY NOT LEAVE** campus at lunch or break alone or with other students.

ATHLETICS

Visit the [NMUSD athletics website](#) for board policies, participation forms, the NMUSD Athletics Handbook, and other resources.

Athletics are an important part of the extra-curricular program at Corona del Mar. All students are encouraged to participate in as many athletic activities as possible in their time at Cdm.

Eligibility

Athletic eligibility and sportsmanship are cornerstones of high school athletics, shaping individual performance and the culture and values of NMUSD. Students must meet eligibility requirements in order to participate/compete in high school athletics. Please review the [Eligibility Guidelines](#) for more information.

ATTENDANCE

Absence(s) - How to Report

If a student is absent, parents must notify the school by telephone using the 24-hour Attendance Hotline (949) 515-6005 This is for the protection and safety of your student. Please leave the following information when calling the hotline:

- Your name and relationship to the student
- Your student's name (first and last)
- Student's grade and teacher's name
- Date of absence(s)
- Reason for absence(s)

Whenever a student is absent from school or class, the actual reason for the absence shall be determined by a qualified school employee. All absences must be verified to the office no later than three (3) school days after the absence. If the absence is not verified, it will automatically be converted to a truancy ("cut"). A medical release for school re-entry may be required following an illness, chronic medical condition, surgery, possible contagious infection, or referral by the health office. Please also inform the classroom teacher and health office of any limitations or restrictions following an illness, surgery, broken bone, or other medical condition. Additionally, it is requested that any planned absences be communicated to the office and teacher in advance, when possible.

Tardiness

It is important to be at school on time, every day.

A student is considered tardy if they are not in their assigned class when the bell rings. Tardies (1st - 3rd offense) will result in consequences addressed by the classroom teacher and excessive tardiness (4th offense and beyond) will result in administrative consequences. Tardiness will also affect students' citizenship grades. Students who are not in the room when the bell rings must check in with the attendance office or kiosk to receive a Raptor Tardy Slip to enter class. This is a per-quarter policy that resets on the first day of each new quarter. Tardies are determined as excused or unexcused under Education Code section 48205.

If a student is tardy they should come to either the High School Office or the Enclave Office upon late arrival to get a tardy slip from the Raptor System Kiosk to take to class. Parents should notify the Attendance Office for the partial absence. There are 3 ways to notify the office:

- 1) The parent leaves voicemail on the 24/7 line (949) 515-6005, or
- 2) The parent faxes a signed note to (949) 515-6070, or
- 3) The parent's signed note is brought to the Attendance Office by the student or parent.

Leaving Early

A student can be released early by one of the methods below without being considered truant, and verification is accomplished. Due to the volume of voicemails received on the Attendance message line, voicemail is not a timely method for notifying the office in advance for early release. We may not hear your message before you need your student released.

- 1) The parent signs out the student at the Attendance Office and the student is released from class at that time, or
- 2) The parent's permission is received in advance of the early release time. The parent can give the student a signed note stating the time, date and reason for early release. The student should give this note to the Attendance Office during a break (before school starts or during lunch) in order to get a pass. Notes may be verified by a phone call to the parent.
- 3) For illness the student should go to the Health Office, and the staff can then determine whether the parent needs to be called for early release.

Chronic Absence and Truancy

We believe that regular attendance is vital for your child’s academic success. We are committed to fostering open communication with parents to address any attendance issues that may arise. Our attendance notification system is designed to keep you informed and to work together in supporting your child’s attendance.

FIRST NOTIFICATION OF TRUANCY:

If your child has missed school without a valid excuse on three full days in one school year or has been tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof, you will receive a “FIRST NOTIFICATION OF TRUANCY.”

SECOND NOTIFICATION OF TRUANCY:

If attendance has not improved since the issuance of the “FIRST NOTIFICATION OF TRUANCY”, you will receive a “SECOND NOTIFICATION OF TRUANCY.” A conference may be scheduled to discuss attendance concerns and develop strategies for improvement.

SCHEDULED CONFERENCE:

After the issuance of the “SECOND NOTIFICATION OF TRUANCY,” a conference may be scheduled with you and your child to address attendance concerns and collaborate on improvement strategies.

THIRD NOTIFICATION OF TRUANCY:

If attendance has not improved since the “Second Notification of Truancy,” and your child continues to miss school without a valid excuse, you will receive a “THIRD NOTIFICATION OF TRUANCY.”

CHRONIC ABSENCE NOTIFICATION:

Students who are chronically absent, missing 10% of their instructional days, will receive a “Chronic Absence Notification.”

FIRST EXCESSIVE EXCUSED ABSENCE NOTIFICATION:

When your child has accumulated a number of excused absences, they will receive a “First Excessive Excused Absence Notification.”

SECOND EXCESSIVE EXCUSED ABSENCE NOTIFICATION:

If your child continues to miss school after receiving the “First Excessive Excused Absence Notification,” they will receive a “Second Excessive Excused Absence Notification.”

We understand that there are unavoidable circumstances that may lead to absences. However, consistent attendance is essential for your child’s academic progress. If you have any questions or concerns regarding attendance notifications, please don’t hesitate to contact us.

- Not bring valuables to school (NMUSD/CdMMS/HS is not responsible or liable for lost or stolen items).
- Observe the directions, directives and requests from all school personnel in a respectful manner.

Student Behavior Expectations/Discipline

When disciplinary action is necessary, the goal of the school is to change the behavior of the student(s). This applies to behavior at school, going to and from school, and at school activities. When practical, logical and natural consequences will be used. However, we also believe that action taken should be progressive and significant enough to have a definite impact on the student.

BICYCLES (INCLUDING EBIKES), SCOOTERS, AND SKATEBOARDS

Students may use bicycles (including eBikes*), scooters or skateboards to come to or leave school, under the following conditions:

- Walk your eBike, scooter, skateboard, and bike at all times on campus.
- With your own lock, secure your eBike, scooter, skateboard, and bike locked in the designated lock up area.

eBikes

For the safety of all, anyone using an eBike must only park in designated areas. When arriving at, or on any part of the school campus, all traffic signs, site procedures, and protocols for community safety should be followed. All are expected to abide by all traffic rules and follow directions of school personnel, as safety is our top priority.

Reckless driving, failure to follow the direction of school personnel, or other serious driving violations will be decided by the school's administrator and may result in consequences. In some circumstances, law enforcement may be called and may elect to issue additional consequences.

Middle Schools – Class 3 eBikes (Per CA AB1096), and any other motorized vehicle are prohibited on campus by middle school students. Any students with a Class 3 eBike on campus will have the eBike confiscated and parent pick-up will be required. Skateboards

Skateboarding is not allowed on the school campus at any time. Motorized skateboards are not allowed on campus at any time. Skateboarding is a reasonable form of transportation for many students; however, the school may have no facilities to store skateboards. Furthermore, skateboarding on campus represents a dangerous risk of injury and damage to property. The school is not responsible for any damage or loss of skateboards, or personal injury from skateboarding.

COMMUNICATION

Contacting the Classroom Teacher

Please make every effort to contact your student's teacher through their preferred communication channels. As a reminder, teachers may not be able to respond during the instructional day. There is an expectation that teachers will respond in a timely manner. In case of emergencies, please contact the school office at 949-515-6000.

Contacting Your Student

Should you need to reach your student, please contact the school office and a message will be given to your student. Phone calls and messages cause an interruption to student learning. We make every effort to not interrupt the classrooms during the instructional day; however, emergency messages will be delivered as soon as possible.

School/Home Communication

Our school district utilizes a variety of tools to ensure effective communication between students, parents, and teachers. The following platforms are used for 7-12 students:

- **Aeries Parent Portal:** For grades, test scores, attendance, emergency contacts, and other information
- **Blackboard:** For school-wide and district-wide announcements
- **Schoology:** For course management, assignments, and classroom resources (see [Schoology Message to Parents](#))

DISCIPLINE

In the Newport-Mesa USD, we closely follow the California Education Code for discipline. We believe in progressive discipline, with high levels of accountability and support, when appropriate. This can include a variety of interventions, including other means of correction and alternatives to suspension. When necessary and at the discretion of the site administrator, suspensions will also be used when a student's behavior and choices result in the need for such action. In the most significant and serious of incidences, a student may also be recommended for expulsion to the Office of Student Services.

To learn more about the specific disciplinary practices at your school, please contact your principal.

DRESS CODE

NMUSD Student Dress Guidelines

Appropriate dress contributes to a productive learning environment. Please reference Board Policy [5132.16](#) and Administrative Regulation [5132](#) for guidelines.

Corona del Mar Dress Code

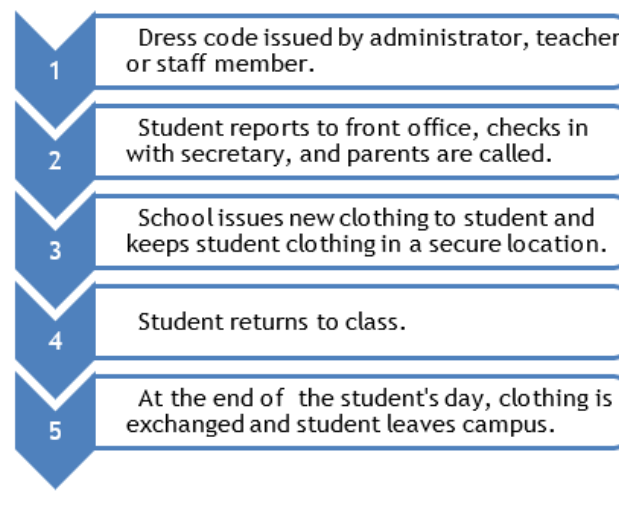

Corona del Mar High School expects that all students will dress in a way that is appropriate for the school day or for any school-sponsored event. Student dress choices should respect the District's intent to sustain a community that is inclusive of a wide range of identities.

The primary responsibility for a student's attire resides with the student and their parent/guardian. The school district is responsible for seeing that student attire does not contribute to a hostile or intimidating atmosphere for any student, and that dress code enforcement does not reinforce or increase marginalization or oppression of any group based on race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income, or body type/size. The campus dress code was created as a collaborative effort including students and staff.

GUIDELINES FOR STUDENT DRESS:

- Any combination of clothing which law enforcement agencies currently consider gang related is prohibited. No obscenities, gang related emblems, or inappropriate words or logos are permitted.
- Clothing that is vulgar, obscene, libelous, or denigrates others on account of gender, sexual orientation, race, color, religion, ancestry, national origin, handicap or disadvantage is not permitted.
- No apparel that depicts inappropriate graphics or language representing or suggesting drugs, alcohol, tobacco, vaping, or paraphernalia is permitted.
- No apparel with hate speech, profanity, pornography, violent language or images (including weapons) is permitted.
- No images or language that creates a hostile or intimidating environment based on any protected class or consistently marginalized groups are permitted.

EXTRACURRICULAR

Participation in extracurricular activities comes with expectations. Students are expected to demonstrate responsibility and respect towards their chosen activities and their peers. School-wide rules and expectations are in force when students participate in such activities. Any violation of these expectations may result in disciplinary action in alignment with school and board policy. Violations of school policies or discipline infractions may prohibit a student's participation in activities.

Student Clubs and Organizations

Students are limited to one of the following memberships assuming they are offered admission:

Associated Student Body

Membership extended through the election process in the Spring time, followed by the appointment process which includes an application and interview process conducted by the elected officers and the ASB advisor. Membership is renewed yearly and subject to high standards of academics, attendance and behavior.

ASB stands for Associated Student Body. When ASB is referred to, it means the group of students that is selected and elected to represent the entire student body of CdMMS/HS. All members must adhere to a signed constitution.

This is the student government and leadership class of CdMMS/HS. ASB is responsible for three main objectives: providing student activities, managing the finances of the student groups on campus and representing the voice of Corona del Mar students to staff, school district, and community.

Peer Assistance Leadership

Membership extended through an application process, followed by an interview process. Membership is capped and must be renewed each year through the same application process.

P.A.L. members are held to the highest moral and ethical standards. These governing standards are set forth by the national P.A.L. philosophy and help guide the CdM chapter on campus.

P.A.L. hosts welcome events for new students, assists with evacuation procedures, and conducts several awareness campaigns throughout the year such as Yellow Ribbon Week and Appreciating Diversity week.

Student Organization Opportunities: some have formal application process, membership caps and various standards for continued involvement. Please contact each organization directly for more specific information.

N.H.S. (National Honor Society). Application / interview process held in the Spring for the following school year.

E.A.T (Encouraging Altruism in Teens). Application & interview process held in the Spring for the following year.

Please contact the high school Activities Director and / or visit the ASB website for information regarding how to join or start a club on campus.

Citizenship Eligibility for Co-Curricular and Extra-Curricular Activities

Newport Mesa Citizenship Eligibility Requirements: A student who receives two (2) or more U's (unsatisfactory) citizenship grades at the end of a quarter from 2 or more different teachers will be deemed ineligible for the ensuing eligibility period. At the next eligibility date the criteria for U citizenship grades will be applied to determine the student's eligibility status for the ensuing eligibility period. Teachers will be utilizing the Citizenship Rubric that appears below.

Corona del Mar Middle/High School Citizenship Rubric

Teachers manage their own classroom procedures; citizenship grades are at their discretion.

Minimum Academic Eligibility

To be academically eligible for participation in co-curricular and extra-curricular activities, a student must have passed the equivalent of 12 quarter or 20 semester periods of new work** during the preceding grade reporting period*** and must have earned an overall grade point average of at least 2.0* for Athletics and 2.5 for ASB for that same reporting period.

**A student may be declared ineligible to participate on the day of a contest due to school or team discipline standards.*

Activities to be covered by this policy are: all athletics, music (instrumental and vocal), drill teams, pep squads, cheerleaders, song leaders, dance, drama and all clubs or campus organizations including but not limited to ASB, PAL, HRC, NHS and Y & G.

PROBATION PERIOD:

If a student does not maintain a 2.0 grade point average, he/she will be granted a period of probation which will immediately follow the grading period in which the student earned less than a 2.0 grade point average.

Guidelines for Probation are:

1. A student is placed on probation if their GPA is not a 2.0 at an official grading period. NMUSD recognizes the quarter system as an official grading period. A student may not be on probation for two consecutive quarters. One probationary eligibility period is permitted at the high school level.
2. Students who enter the 9th grade with less than a 2.0 grade point average will be granted transitional eligibility* during the first grading period. Transitional eligibility does not count as the high school level probationary period.
3. Students who are granted probationary eligibility must meet the required eligibility standards by the end of the grading period to remain eligible for participation.

When is Probation not granted?

The district requirement for citizenship and the CIF requirement for new work* supersede the 2.0* grade point average rule. A student who does not meet the CIF eligibility requirement of passing at least 12 quarter or 20 semester periods of new work* in a grading period is immediately ineligible and forfeits the probationary period. For example, if a student receives three A's and three F's, the student's grade point average is 2.0*, but the student is ineligible because he/she has not passed the required semester periods of new work*.

Please visit CIFSS.org for further information on forms

VAPA Eligibility Requirements:

To be academically eligible for participation in VAPA, a student must have passed the equivalent of 12 quarter or 20 semester periods of new work** during the preceding grade reporting period*** and must have earned an overall grade point average of at least 2.0. A student who receives two (2) or more U's (unsatisfactory) citizenship grades at the end of a quarter from 2 or more different teachers will be deemed ineligible for the ensuing eligibility period. VAPA students will also adhere to the requirements of probation as described above. Due to there not being a season associated with VAPA, the following criteria will be adhered to:

Choral Music - (audition course only) students who become academically ineligible and who have already used their probation period prior to a performance will not be allowed to participate in the performance.

Instrumental Music - (audition course only) students who become academically ineligible and who have already used their probation period prior to a performance will not be allowed to participate in the performance.

Dance - (audition course only) students who become academically ineligible and who have already used their probation period prior to a performance will not be allowed to participate in the performance.

Visual Media Arts - students who become academically ineligible and who have already used their probation period will not be allowed to submit works of art for a show. If deemed ineligible, students will not be able to attend field trips or non-assessed group activities.

Drama - Cast list must be vetted by administration for eligibility prior to being made public. Once approved, the cast will remain eligible until the end of the specific production.

Associated Student Body

To be academically eligible for participation in ASB, a student must have passed the equivalent of 12 quarter or 20 semester periods during the preceding grade reporting period and must have earned an overall grade point average of

at least 2.75. All students in ASB must also receive no less than a satisfactory mark on citizenship. Students in ASB must also follow rules and procedures found in the ASB code of conduct when applying for a position in ASB. Failure to adhere to the code of conduct may result in removal from ASB.

Campus Organization (EAT, NHS, PAL, HRC, Speech and Debate/ MUN, etc.)

To be academically eligible for participation in a campus organization, a student must have earned an overall grade point average of at least 2.0 for the grading period. A student who receives two (2) or more U's (unsatisfactory) citizenship grades at the end of a grading period from 2 or more different teachers will be deemed ineligible for the ensuing eligibility period. Campus Organization students must also adhere to the codes of conduct shared with them by their individual organization for eligibility.

- There is no re-entry after a student has entered a dance.
- All school rules and policies including the dress code apply to school activities. See the student handbook for these rules or view our CdM website: www.cdm.nmusd.us. Inappropriate attire may result in an individual not being admitted to the dance at the discretion of the chaperones and the administration.
- All guests must be accompanied by a CdMHS student. **NO EXCEPTIONS.**
- All guests must be at least in High School (no Middle School Students)
- Dress must be appropriate and pertain to the School Dress Code.

If the parent cannot be reached, the incident will be referred to the local police department.
- All vehicles (personal & busses/limousines) are subject to search by CdM administration.
- Dance tickets are non-transferable & non-refundable.
- **CdMHS students will be held accountable for the NMUSD 5144.11 policy.**

FIELD TRIPS/OVERNIGHT TRIPS

Field trips/overnight trips provide valuable opportunities for students to enhance their learning experiences beyond the classroom. To ensure the success and safety of all participants, it is essential that students understand and agree to the behavior expectations before, during and after field trips. Students who fail to adhere to the expectations may lose their privilege to participate in field trips. For more information, please contact the student advisor overseeing your student's field trip.

HEALTH OFFICE

The school nurse is the health expert at school and uses professional skills to promote the well-being and success of students. The health assistant also provides support to students under the direction of the school nurse. Please contact the school for more information or if your student has a health concern and you would like to consult with the school nurse. Check the [Health Services website](#) for more information.

Immunizations

The district follows State immunization laws which indicate specific immunizations that are required prior to school entry and for school participation through verification of a valid vaccine record. Personal or religious beliefs exemptions are no longer accepted in place of required vaccines. Personal/religious beliefs exemptions already on file for a continuing student enrolled in the district will remain valid until the student reaches an immunization checkpoint or grade span. Grade spans are: birth to preschool, kindergarten (including transitional kindergarten), grades 1-6, and grades 7-12.

Please let your school nurse know when your student's immunizations are updated and if you have questions.

Medical Exemptions for Immunization Requirements

Under current California law, a doctor may issue a medical exemption for students whose medical circumstances are such that immunization is not considered safe under the standard of medical care. Medical exemptions can only be issued through the California Immunization Registry - Medical Exemption (CAIR-ME) website <https://cair.cdph.ca.gov/exemptions> by physicians licensed in California. An existing medical exemption on file at school will remain valid until the earliest of:

- When the student enrolls in the next grade span (Pre-K, TK/K-6th grade, 7th-12th grade)
- Revocation of the exemption by the appropriate authority

Physical Exams and Oral Health Assessment

Physical exams and oral health assessments are required at specified grade levels. Please refer to student enrollment information located on the [Health Services website](#) for information about school health requirements.

Independent Toileting

The district recognizes that some students may need occasional assistance with toileting and seeks to provide a supportive, hygienic, and inclusive environment for all students. Parents are encouraged to notify and collaborate with the school of attendance if their student does not use the toilet independently.

Medication and Medical Procedures

Medication and medical procedures at school require written authorization from the parent and the prescribing physician. Forms are available from the school or the [Health Services website](#). Medication must be in a pharmacy labeled container for the medication to be given at school. Over-the-counter medication and products also require written physician orders and must be provided in the original container. Please provide the school with extra medication for disaster preparation.

Illness Prevention and Health Checks Prior to School

School nurses work collaboratively with the Orange County Health Care Agency regarding communicable disease concerns at school. For the health and safety of students, and to minimize the potential spread of illness to students and staff, parents are asked to conduct a health check at home prior to sending students to school. If your student is ill, please keep your student home, contact your doctor, and notify the school and school nurse. We ask you to keep your student home if the following symptoms are present:

- Fever of a 100.4°F degrees or higher
- New cough, shortness of breath, or difficulty breathing
- Abdominal pain, nausea, vomiting, diarrhea
- Unusual rash, rash and fever
- Body Aches
- Sore throat
- New loss of taste or smell
- Unusual fatigue or irritability

This list is not a comprehensive list of symptoms. Always consult your healthcare provider for health concerns. Students must be fever-free, without medication, for 24 hours before returning to school and symptoms should be resolving.

Current Health and Contact Information

Up-to-date health information, phone and cell numbers are essential in case your student becomes ill or injured at school or if there is a disaster. We strive to maintain confidentiality of all health records. Health information may be shared with appropriate staff as necessary.

911 Calls

A school emergency 911 call may incur paramedic and ambulance fees to the family. Accident or health insurance may mitigate these costs.

Health Screenings

Health screenings are provided according to State requirements and when students are referred to the nurse. Vision and hearing screening are done at State required grade levels and when concerns are noted. Dental, nutrition, height and weight screening may also be done as the school nurse deems appropriate. The parent/guardian will be notified if areas of concern are found. Parents/guardians are invited to notify the nurse if they have concerns and may “opt” out of health screenings by sending a written note to the school nurse.

Medi-Cal Program for Local Education Agencies

The school district participates in the California Medi-Cal Program for Local Education Agencies. This allows reimbursement to the district with federal Medi-Caid funds for select medically necessary services provided to eligible students at school. These services may include speech and language therapy, occupational/physical therapy, transportation, mental health, and specialized physical health care services. In accordance with the local educational agency rules and guidelines, eligible student health data may be forwarded to the school district's billing agency, in accordance with confidentiality laws and Health Insurance Portability and Accountability Act (HIPAA) compliance. Services currently provided to all students will not be changed by this program. Students will not be denied services they require to attend school, and parents will not be billed for services by the school district.

LOCKERS

- Students use lockers at their own risk. All lockers are pre-assigned. Students cannot choose their own lockers.
- All lockers are school property and the school may open lockers when it is determined necessary.

2. ensuring that homework is completed and turned in on a timely basis

Parents can view assignment calendar, due dates and view live-time grades using Schoology via the website or app. Parents also receive an automated snapshot of their students course status daily. Teachers provide course syllabi, including homework policies, to all students and parents at the beginning of each school year.

All opportunities for student involvement are communicated via daily announcement emails, postings on the school websites, Trident TV, social media, email notifications, and events such as Back to School Night and Spring Spotlight on CdM.

Course request changes for the Fall Semester may be made until the end of the school year. Schedule change requests for Spring Semester may be made in December.

During the first two weeks of the semester:

Schedule changes during the first two weeks of each semester may be made by school staff to balance classes, fix mechanical errors, and correct misplacements. Schedule change requests will not be accepted after the school year concludes (for Fall Semester), and December (for Spring Semester).

After the First Two Weeks of the semester:

After the first two weeks of the semester, there should be minimal program/schedule changes. Some changes may occur, as a result of level adjustment or due to balancing, and those changes must be approved by an administrator. Requests for a change of teacher will not be granted.

Communication:

Communication between student, teacher, counselor, and parent is paramount in the program change process. In those cases, involving level changes, communication with the department and the parent is mandatory.

Last Day to Enter a Class:

Students will not be allowed to enter a class after the third week of school without administrative approval.

School Community Facilitator

The School Community Facilitator (SCF) coordinates parent education and encourages involvement in school programs and activities, assists with communication between the school and parents, and connects families with school services and community agencies.

The district permits limited use of mobile communication devices on campus in accordance with law and [Board Policy 5131.8](#).

Acceptable Use Agreement & Digital Safety

Every student in NMUSD participates in a digital learning environment with 1:1 Chromebooks. Parents and students are presented with an Acceptable Use Agreement and other agreements relating to ethical and responsible use of technology. Students who violate digital safety policies may face disciplinary action. Fees have been established for replacement of damaged or lost equipment and are included in the Acceptable Use Agreement. Parents/guardians may review the agreement at www.nmusd.us/etua.

Student Use of Technology

Per CA Education Code [51512](#), the use of any electronic listening or recording device in any classroom without the prior consent of the teacher or principal is prohibited.

NMUSD utilizes *GoGuardian* to monitor students' online activity during class when using their district-issued Chromebook. *GoGuardian Parent* is a mobile app designed to provide parents/guardians with insight and control over their student's online activity when on school-managed devices and accounts. For more information, please review the [Getting Started Guide](#).

Civility Policy

It is the intent of the Board of Education to provide an orderly and safe learning environment in which students and adults feel comfortable, share the responsibility for maintaining a positive school climate, and take pride in their school, its achievements, and its environment.

This policy promotes mutual respect, civility, and orderly conduct among members of the school community including all employees, parents/guardians, students, and the public at all schools, district facilities, and at athletic and extracurricular events. This policy is not intended to deprive any person of his/her right to freedom of expression that is protected from governmental restriction on school grounds and district facilities/activities. Uncivil conduct does not include the expression of controversial or differing viewpoints.

The basic purpose of this policy is three-fold:

1. To promote a work and learning environment that is safe, productive, and nurturing for all staff and students, and to encourage the free flow of ideas without fear or intimidation
2. To provide our students with appropriate models for respectful problem-solving and conflict resolution
3. To reduce the potential triggers for violent conduct, such as fear, anger, frustration, and alienation, especially by making problem-solving procedures and alternatives to violence readily accessible to both students and adults

For purposes of this policy, uncivil conduct includes the following:

1. Directing vulgar, obscene, threatening, or profane gestures or verbal and/or written communications at another person.
2. Taunting, jeering, inciting others to taunt or jeer at a person.
3. Yelling at another person during a meeting or conference.

Dangerous Objects/Weapons

The Newport-Mesa Unified School District is committed to providing a safe school and working environment. Both California State Education Code and Newport Mesa Unified School District Board policy state that possession of a firearm, knife, explosive or other dangerous object of no reasonable use to students is grounds for expulsion.

Please be aware that all District schools will vigorously prosecute any student found to have a dangerous weapon or object in his/her possession while on school grounds or while attending an authorized school activity. Such prosecution will normally involve the applicable law enforcement agency and end with the student facing expulsion from the District.

Weapons and dangerous objects include, but are not limited to any firearm, stun gun, air gun, spring activated gun, toy guns (imitation firearms), slingshots, bludgeons, brass knuckles, any knife (including pocket knives and cutting blades), chains, clubs, stars, explosives, fireworks, etc. Also included are articles designed for other purposes but which could easily be used to inflict bodily harm and/or intimidate (examples are belts, files, compasses, Scissors, bats, etc.). The Federal Gun Free Schools Act requires that any student bringing a firearm to school is subject to one calendar year of expulsion and referral of the student to law enforcement.

Administrators or other delegated school officials will confiscate any article, when in their professional judgment such article may, in a given circumstance, be utilized as weapon or dangerous object.

When reasonable suspicion arises that use or possession of a pupil's property is illegal, illicit, disruptive, or a danger to the general welfare of pupils and staff, a search may be conducted of the pupil's person or personal property. Student lockers and desks are the property of the school and are subject to search.

Anyone who knows of a weapon on school grounds or at a school-sponsored or school-related activity is encouraged to immediately contact his/her teacher, the principal or any other available school employee.

For more information, please contact any assistant principal or principal of any school.

English Learner Supports/Reclassification

Language Acquisition Programs

NMUSD is required to provide a Structured English Immersion (SEI) program option for our English Learner Students. This is a language acquisition program for English learners in which nearly all classroom instruction is provided in English, but with curriculum and a presentation designed for pupils who are learning English. At minimum, students are offered ELD and access to grade level academic subject matter content.

Newport-Mesa also offers two Dual Language Immersion (DLI) Programs: Mandarin Dual Immersion and Spanish Dual-Immersion. The 2024-25 dual immersion programs are offered to students in grades K through 9. To learn more about NMUSD dual immersion programs, please visit the [NMUSD Dual Immersion webpage](#).

Requesting a Language Acquisition Program

Language acquisition programs are educational programs designed to ensure English acquisition occurs as rapidly and effectively as possible and provide instruction to English learners based on the state-adopted academic content standards, including English language development (ELD) standards.

Parents/Guardians may choose a language acquisition program that best suits their student. Schools in which the parents or legal guardians of 30 pupils or more per school or the parents or legal guardians of 20 pupils or more in any grade request a language acquisition program that is designed to provide language instruction shall be required to offer such a program to the extent possible.

Parents may provide input regarding language acquisition programs during the development of the Local Control Accountability Plan. If interested in a different program from those listed above, please contact the Director of Multilingual Programs at 949-515-6701 to ask about the process.

Parents of English learners have a right to decline or opt their children out of the school district’s language acquisition program or opt out of particular English learner service(s) within a language acquisition program. However, districts remain obligated to provide the student meaningful instruction until the student is reclassified, inform the parent when progress is not made, and offer the parent programs and services to consider at that time.

Language Assessment

Every spring (February - May), English Learner students take a test called the Summative English Language Proficiency Assessment for California (ELPAC). This test is part of the California assessment system and is aligned with California’s English Language Development Standards.

These standards make sure English learners have a high-quality program that will enable them to attain proficiency in English—developing the necessary skills and confidence in listening, speaking, reading, and writing— so they can be successful in the classroom. The ELPAC helps teachers across the state see how well students are doing with those skills.

Your student’s student score report shows an overall score/performance level, consisting of oral language skills (speaking, listening) and written language skills (reading, writing).

The [ELPAC website](#) has the following materials to help parents understand the ELPAC. These materials include:

- Sample ELPAC Student Score Report
- ELPAC Parent Guide
- ELPAC Starting Smarter Resources

Reclassification (Exit) Criteria

How can my student qualify to reclassify as Fluent English Proficient (RFEP)? The goal of language acquisition programs is for students to become proficient in English as rapidly and effectively as possible and to meet state academic achievement measures. Homeless Liaison/McKinney Vento

Homeless Liaison

Homeless pupils have certain rights under California and United States law. For information concerning these rights, please contact the District's liaison for homeless children and youths, Christy Flores, who may be contacted at 714-424-7553.

McKinney-Vento Homeless Education Assistance Act

The McKinney-Vento Homeless Assistance Act is a federal legislation that ensures the educational rights and protections of children and youth experiencing homelessness. It requires all local educational agencies (LEAs) to ensure that homeless students have access to the same free, appropriate public education, including public preschools, as provided to other children and youth.

Does your living situation meet the definition of homelessness?

The McKinney-Vento Act defines the term "homeless children and youths" as individuals who lack a fixed, regular, and adequate nighttime residence. You may be considered homeless if you are:

Temporarily staying with other people, often called "doubled up", because you cannot afford to live alone. This can include sharing another person's house, such as a friend or relative, because you lost your housing or don't have another safe place to go.

- Staying in emergency housing, like emergency or transitional shelters. This can include domestic violence shelters, trailers provided by FEMA (Federal Emergency Management Agency), housing paid for by programs such as Rapid Re-Housing, transitional living facilities, etc.
- Staying in a hotel/motel, cars, parks or any public or private places not designed for humans to live in. This can include camping grounds, cars, or any place outside/not meant for human habitation (abandoned buildings, bus or train station).
- Staying in substandard housing or housing with inadequate space for the number of occupants.

Additional Definition:

If you are not living with your parent or guardian, you may be considered an Unaccompanied Youth.

Unsure if you are eligible? Contact the district McKinney-Vento liaison to see what services and supports may be available.

For more information, including rights and services, visit the McKinney-Vento Homeless Education Program website at www.nmusd.us/homeless or contact the district's McKinney-Vento liaison Christy Flores at cflores@nmusd.us or 714-424-7553.

Immigration Status of Pupils

Your Child has the Right to a Free Public Education

- All children in the United States have a Constitutional right to equal access to free public education, regardless of immigration status and regardless of the immigration status of the students' parents or guardians.
- In California:
 - All children have the right to a free public education.
 - All children ages 6 to 18 years must be enrolled in school.
 - All students and staff have the right to attend safe, secure, and peaceful schools.
 - All students have a right to be in a public school learning environment free from discrimination, harassment, bullying, violence, and intimidation.
 - All students have equal opportunity to participate in any program or activity offered by the school, and cannot be discriminated against based on their race, nationality, gender, religion, or immigration status, among other characteristics.

Information Required for School Enrollment

- When enrolling a child, schools must accept a variety of documents from the student's parent or guardian to demonstrate proof of child's age or residency.
- You never have to provide information about citizenship/immigration status to have your child enrolled in school. Also, you never have to provide a Social Security number to have your child enrolled in school.

Confidentiality of Personal Information

- Federal and state laws protect student education records and personal information. These laws generally require that schools get written consent from parents or guardians before releasing student information, unless the release of information is for educational purposes, is already public, or is in response to a court order or subpoena.
- Some schools collect and provide publicly basic student “directory information.” If they do, then each year, your child’s school district must provide parents/guardians with written notice of the school’s directory information policy, and let you know of your option to refuse release of your child’s information in the directory.

Family Safety Plans if You Are Detained or Deported

You have the option to provide your child’s school with emergency contact information, including the information of secondary contacts, to identify a trusted adult guardian who can care for your child in the event you are detained or deported. You have the option to complete a Caregiver’s Authorization Affidavit or a Petition for Appointment of Temporary Guardian of the Person, which may enable a trusted adult the authority to make educational and medical decisions for your child.

Right to File a Complaint

Your child has the right to report a hate crime or file a complaint to the school district if he or she is discriminated against, harassed, intimidated, or bullied on the basis of his or her actual or perceived nationality, ethnicity, or immigration status.

Mental Health and Wellness

In an effort to continuously support our commitment to promoting the health, safety, and well-being of students, parents, and staff, the Newport-Mesa Unified School District has a variety of resources available both at your school site as well as within the community. To access these supports and for more information about the services available, please contact your school mental health provider (school counselor, school psychologist, or school social worker) or your school’s administrator.

The Superintendent or designee shall develop and implement strategies applicable to each school that does not receive federal Title I funds to encourage the involvement and support of parents/guardians in the education of their children, including, but not limited to, strategies describing how the district and schools will address the purposes and goals described in Education Code 11502. (Education Code 11504)

A complainant may pursue available civil law remedies outside of the District's complaint procedures. Complainants may seek assistance from mediation centers or public/ private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For discrimination complaints, however, a complainant must wait until 60 days have elapsed from the filing of an appeal with the California Department of Education before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the District has appropriately, and in a timely manner, apprised the complainant of his/her rights to file a complaint in accordance with 5 CCR 4622. (EC Section 262.3)

Copies of the District's full Uniform Complaint procedures are available at the District's Student Services Office and at each school site. Complaints alleging non-compliance or alleging unlawful discrimination should be directed to the school principal and/or the Director of Student Services:

Williams Complaint Classroom Notice

Notice to Parents, Guardians, Pupils, and Teachers

Pursuant to California Education Code Section 35186, you are hereby notified that:

1. There should be sufficient textbooks and instructional materials. That means each pupil, including English learners, must have a textbook or instructional materials, or both, to use in class and to take home.
2. School facilities must be clean, safe, and maintained in good repair.
3. There should be no teacher vacancies or mis-assignments. There should be a teacher assigned to each class and not a series of substitutes or other temporary teachers. The teacher should have the proper credential to teach the class, including the certification required to teach English learners if present.

Teacher vacancy means a position to which a single designated certificated employee has not been assigned at the beginning of the year for an entire year or, if the position is for a one-semester course, a position to which a single designated certificated employee has not been assigned at the beginning of a semester for an entire semester.

Mis-assignment means the placement of a certificated employee in a teaching or services position for which the employee does not hold a legally recognized certificate or credential or the placement of a certificated employee in a teaching or services position that the employee is not otherwise authorized by statute to hold.

A complaint form may be obtained at the school office, district office, or downloaded from the [NMUSD UCP website](http://www.cde.ca.gov/re/cp/uc). You may also download a copy of the California Department of Education complaint form from <http://www.cde.ca.gov/re/cp/uc>.
