CALL TO ORDER

Board Chairperson, Jacquelyn Hallum called the special Board meeting to order at 12:05 p.m.

Superintendent Johnson requested that agenda item III – Lunch Price Increase be the second agenda item followed by the Grant Center discussion. The Board unanimously approved Mr. Johnson's request.

A GENERAL ACCOUNT OF THE SPECIAL MEETING

Director for Child Nutrition, Beth Palien presented to the Board for their consideration and approval, the recommended .10 cents increase Meal Prices for 2013-2014 school year.

The Board was made aware that the district is required to raise lunch prices as stated by Section 205 of the Healthy Hunger-Free Act of 2010 if they met certain criteria. Also

presented for the Board for their review and consideration, was the approval of the Child Nutrition Bids and Contracts.

Ms. Grady informed the Board that both the Meal Prices for 2013-2014 school year and the Child Nutrition Bids and Contracts were listed under the consent items for their approval during the special meeting open session.

A Board member requested to know if the Child Nutrition Department has ever conducted a survey on families within the school district about paying extra for lunch prices if financially they were in the position to do so.

Superintendent Johnson provided the Board with an update on the relocation plans for the William Randolph students to the Grant Center campus for the 2013-14 and 2014-15 school years. The Board was made aware that a letter from Board Chair Jacquelyn Hallum to Mayor Terry Bellamy, requesting that the school district utilize the Grant Center campus to setup modular classrooms for two years has been sent. In addition, arrangements are being made between the school district and the Reid Center for the students to use the center for gym purposes. They will be shuttled back and forth by an activity bus. The Board members were reminded that the relocation of the William Randolph students to the Grant Center is contingent upon the June 11, 2013 meeting with City Council.

Chairperson Hallum requested to have a visual of what the modular would like on the Grant Center campus.

Board members and administrators became engaged in a conversation about making every effort to ensure that the students at William Randolph School not lose their identity throughout the transition period.
