

**SPMT**  
**Tuesday September 30, 2014**

**Present:** Cynthia Sellinger, Kenny Nichols, Chuck Larrick, Keith Buff, Garvin Deters, Sophie O'Halloran (parent), Jennifer Kalen, Patti Griffin, Tori Angelotti, Ruleta Hughes

We are meeting to:

**Revise Strategic Plan** for the rest of this year.

1. **Achievement in areas of Reading and Math review.** Look at District Strategic Guide for Revisions; addressed math and reading percentage proficient and a 10% decrease in the achievement gap.

**Math /Reading:**

- Overall students will grow 6% points in Reading
- African/American students will grow in proficiency by at least 7.5% in Reading
- Overall students will grow 6% points in Math
- African/American students will grow in proficiency by at least 8% in Math

**Note: Numbers came from the Annual Measurable Objective Target (AMO)-2014-2015**

2. **Classroom Discipline**

- By June 15, 2015, there should be a 10% reduction of office referrals! We are having monthly PBIS meetings, we have monthly rewards for the school, team rewards, Olweus, etc. We had over 1,000 referrals last year; over 500 referrals came from in the classroom.
- By June 15, 2015, we will reduce classroom behaviors that result in referrals by 20%. Disruption/Disrespect places to target – de-escalating the behaviors.

Respectfully Submitted,  
Barbara Groome
