1. Elected a chair – congratulations Chuck!!! We need a TA representative. Patti is going to recruit. Then, we will need to do a paper ballot to approve/not this slate of members. I'll let you know when.
2. ROAR Store – it has been proposed that we re-open the ROAR in the mornings from 8:00 – 8:25 as a holding area for students to do homework, hang out, etc. No food will be sold. In the past there were issues with this taking away from breakfast. But it was a very popular place with lots of good vibe going on. Cs will talk to Angela. For now, Sara's last class will run the ROAR Store out the classroom windows to the bus alley beginning on 9/3/13. All money goes through PTO.
3. Coffee Shop – beginning 9/6, Mondays – Thursdays, Sara's class will run a coffee shop in the lobby for adults only. Coffee will be \$1.00 unless you bring a larger mug then it will be more depending on the mug size. Proceeds go to the 8<sup>th</sup> grade trip. All money goes through PTO.
4. Donut, coffee, hot chocolate fundraisers – beginning 9/6 we will be offering donuts, hot chocolate and coffee (coffee for adults only) for \$1.00 each. This will be in the lobby from 8:00 – 8:25. All money goes through PTO. Proceeds go to the 8<sup>th</sup> grade trip. Sara will see Lindsey about getting a volunteer to go get the donuts on Friday mornings.
5. Fundraiser request – Book Fair Dec. 6-17 approved
6. Please remember we do NOT do whole class restroom breaks. This takes away from instructional time and can be a disruption to other classes.
7. Please remember NOT to send groups to get water or to the restroom. There should not be more than one girl or one boy out of your class at the same time.
8. A master fundraising calendar is in the process of being developed
9. Parents cannot take up money at athletic events
10. Cougar Time – officially begins with small group instruction, instructional activities, etc. on Tuesday, Sept. 3. Exploratory teachers are assigned to teams. Please have instructions for them. Exploratory teachers, please report to your team.
11. We will keep the back media center door open until 8:15.
12. The in-house techies know the laptops aren't communicating with the printers. Not sure what the issue is. Some guy was here yesterday to do something. I'd never seen him before so he may have the magic potion! If this is not the answer cs will call Matt Whitesides.
