Additional information in response to the COVID-19 Virus:

1. Because our community, state and nation is limiting gatherings to as few as 50 people we will be live streaming this special called works session to make it available to the public.
2. Since the meeting is available electronically, we will be limiting attendance to 50 or less attendees per the most current CDC guidance.
3. To facilitate social distancing at this and future meetings we are holding the work session in the ACS Board Room and will position the seating to maintain a 6-foot separation between those individuals who attend.
4. There will be a School Resource Officer in attendance to help us maintain these safety standards.
