## THE PROCUREMENT PROCESS

The following is a general description of the process by which a firm will be selected to provide services.

1. Request for Informal Bids (RFIB), which refers to projects less than \$300,000, is issued to prospective contractors.
2. The deadline for written questions is three days prior to the due date.
3. Bids shall be signed and dated by an official authorized to bind the firm. Unsigned bids will not be considered.
4. All bids must be received by the issuing agency not later than the date and time specified on the cover sheet of this RFIB.
5. Bids will be evaluated according to completeness, content, experience with similar projects, ability of the Bidder and its staff, and cost. Award of a contract to one Bidder does not mean that the other bids lacked merit, but that, all factors considered, the selected bid was deemed most advantageous to the State.
6. Bidders are cautioned that this is a request for bids, not a request to contract, and the State/Asheville City Schools reserves the right to reject any and all unqualified bids when such rejection is deemed to be in the best interest of the State.
