

Asheville City Schools Parent's Guide to Student Achievement (PGSA) ¹

We hope this guide supports parents as they navigate through the complexities of public education. If you have any additional questions or need additional information that you cannot find here please reach out to your school principal.

If you need a printed copy of this document please contact your child's school.

Question of Concern	How this works in Asheville City Schools
How can my child be promoted to the next grade level?	Promotions requirements can be found in Asheville City Schools Policy 3420 . The following are the relevant State and local requirements for a child to be promoted to the next grade level: <ul style="list-style-type: none">- https://www.ncleg.gov/EnactedLegislation/Statutes/PDF/ByArticle/Chapter_115C/Article_8.pdf<ul style="list-style-type: none">- Relevant part of this link is found in Part 1A (pp. 15-28) regarding retention, promotion, alternatives to show reading proficiency, etc.
What is my child learning at school? How can a parent review these materials?	In North Carolina, all schools use the same Standard Course of Study, determined by the State Board of Education. These standards are the knowledge and skills students should understand by the end of each grade/course. The standards can be found on the NCDPI Office of Academic Standards website . There are standards for: <ul style="list-style-type: none">● Arts Education,

Defined by ACS Policy [1310/4002](#) Parental Involvement, Parents requesting information regarding their child meeting state and local requirements should first contact their child's classroom teacher. If the teacher is unable to provide the information then they should reach out to their school principal. This includes local assessment information and/or data.

Parents are also able to access their child's progress via the student information system. The student information system is available here <https://ashevillecityschools.powerschool.com/public/home.html>. Please contact the school's Data Manager for assistance.

State Assessments:

Individual Student Reports for end-of-grade/course tests and other state assessments (English language proficiency assessment) are accessible in the parent portal of the NC-SIS (PowerSchool).

In NC, all students take end-of-grade assessments for reading and math in grades 3-8. Students take end-of-grade science assessments in grades 5 and 8. In high school, students take end-of-course assessments in English II, Biology, NC Math 1, and NC Math 3.

Students in Grade 10 take the Pre-ACT. Students in grade 11 take the ACT. Students who are CTE Concentrators in Grade 12 take ACT WorkKeys. Those results are shared by ACT.

An **Individual Reading Plan** (IRP) shall be developed for any student in kindergarten through third grade demonstrating difficulty with reading. An IRP will have specific strategies/ideas that can be done at home. What services are available for parents and their children?	Asheville City Schools partner with a variety of community partners to support our families and students outside of the traditional school day and year. Contact your child's principal for the specific opportunities at your child's school. Tutoring: NCVPS EdVantage Tutoring offers virtual statewide wraparound support to middle and high school students in NC public schools. Tutoring is available in Math, Science and ELA, and is offered via a personalized partnership with district/school leadership to best meet the needs of selected students each semester.
What are opportunities for parents to participate with school?	Each school organizes parent opportunities in collaboration with their PTO. Principals also solicited parents to serve on their School Improvement Team. Parents are encouraged to sign up for their schools PTO and sign up for other opportunities to support their child's school. ACS Policy 1310/4002 Parental Involvement and Policy 1320/3560 Title I Parent and Family Engagement provide guidance for parental involvement and engagement.
What are the rigorous academic programs available to my child? How can I learn more about them?	Asheville City Schools offers a variety of options for students to pursue their interests and skills at their academic level. Career and Technical Education (CTE): NC has made a significant investment in developing students and programs to meet the needs of the future workforce. Through Career and Technical Education (CTE) programs, Public Schools offer opportunities for students to develop career awareness in 5th grade, explore careers in grades 6-8, and experience leadership, career development, and career-aligned content in grades 9-12. In Asheville City Schools, students are able to explore these career pathways from grades 6-8: Asheville Middle School Classes MNSA Classes

In Asheville City Schools, students are able to experience leadership, career development, and career-aligned content from grades 9-12:

[Asheville High/SILSA](#)

For more information on CTE in NC, and to learn about Career Clusters, Pathways, and Course Information, Standards, and applicable Credentials please visit: [Course Management System](#).

In our district, there are the following programs available that are more rigorous and challenging than the standard content for students:

Academically and/or Intellectually Gifted (AIG):

In NC, school districts must identify and serve academically or intellectually gifted (AIG) K-12 students. These are students who are performing, or have the potential of performing, at high levels of accomplishment in intellectual and/or specific academic areas, such as reading and/or math when compared with other students of their age, or in their grade level, experience, or environment.

The Asheville City Schools Local AIG Plan outlines specific opportunities for differentiated, rigorous instruction and accelerated programs. The district's local AIG plan is housed on the [ACS AIG webpage](#).

Asheville City Schools has developed an AIG Parent Presentation to support parents' understanding of the AIG program. This describes how students will be identified and served across grades K-12. Visit the [2022-2025 AIG Plan Presentation for Families website](#) to view that resource.

In Asheville City Schools, students are often provided the following services:

- Differentiated curriculum and instruction with flexible student groups;
- Accelerated opportunities (subject and/or grade acceleration, credit by demonstrated mastery (CDM), AP/IB/CIE courses, dual enrollment courses;
- Enrichment experiences, which may be during the school day or beyond, and may be within the regular calendar year or may include summer opportunities; and
- Other opportunities for extension of content standard.

Services for AIG students may be provided by AIG personnel or within the regular classroom by teachers trained to meet the needs of gifted students.

Contact the district/school AIG Coordinator or school-based specialists with questions <https://www.ashevillecityschools.net/Page/4571> .

Honors Level Courses:

In Asheville City Schools, students have access to a variety of honors level courses in high school. These courses are available in the course catalog located at:

[Asheville High Course Catalog](#)
[SILSA Course Catalog](#)

Honors level courses typically have a faster pace than standard level courses. They offer additional rigor, complexity and creativity than standard level courses.

Career and College Promise (CCP):

Asheville City Schools partners with Asheville Buncombe Technical Community College to offer dual enrollment opportunities through the CCP program. If your high school student qualifies, students may earn high school credit by completing community college coursework. The School of Inquiry and Life Sciences is a Cooperative and Innovative High School which expands students' opportunity for dual enrollment.

CCP courses may be taken in the College Transfer or Career and Technical Education pathway. These courses count for both high school and college credit. Tuition is free for families.

To learn more about this program, contact Laura Parks.
Additional information is available on the [NCDPI CCP website](#).

Advanced Placement (AP) Courses:

Advanced Placement (AP) is a program developed by the College Board to offer college-level curricula and examinations to high school students.

In NC, 40 Advanced Placement courses are offered in public high schools. Asheville City Schools offers seventeen offerings of AP courses in the following schools:

- Asheville High School

- School of Inquiry and Life Sciences at Asheville

Several AP courses satisfy graduation requirements for NC students as outlined in [State Board policy](#).

AP exams are free for NC public high school students enrolled in these courses. If a student registers for an exam late, there will be a \$40 fee. If a student wishes to take an AP Exam for a course they are not enrolled in, there will be a \$150 fee.

Colleges and universities may likely offer college credit for these courses if your child scores a 3 or above on the exam. All of the colleges in the UNC System offer credit.

Full AP course offerings may be found in the Asheville High and SILSA Course Catalog linked here:

NCVPS:

[North Carolina Virtual Public School \(NCVPS\)](#) is NC's state supplemental program and leader in online education, providing inclusive learning opportunities for students across the state. Founded in 2007, with a strong commitment to ensuring quality education for all students, regardless of location, NCVPS has over 16 years of experience serving diverse learners.

Students may enroll in NCVPS courses for a variety of reasons. Work with your school counselor if you are interested in taking NCVPS courses and for registration.

Asheville City Schools offers courses through NCVPS following the guidelines outlined in procedure [3102-P Online Instruction](#).

	<p>Credit by Demonstrated Mastery (CDM): Asheville City Schools offers opportunities for students to earn credit for a high school course without enrolling in the course. All high school courses, with a few exceptions as noted by the state, are available for students to try to CDM. There are two phases of assessments that a student must go through to earn credit for the course.</p> <p>Visit the ACS Credit by Demonstrated Mastery webpage for more information.</p> <p>Governor’s School: Each summer, NC Governor’s School offers a unique opportunity for high-achieving rising juniors and seniors to learn with their peers from across the state in an 4-week residential program at two college campus sites.</p> <p>For more information on eligibility and the application process, contact Asheville City Schools’ representative, Taylor Rathbun, taylor.rathbun@acsgmail.net or visit the Governor’s School website, www.ncgovschool.org.</p>
