The Dr. Martin Luther King Jr Scholarship was established in 1986 by the MLK Association of Asheville & Buncombe County. Inspired by the belief that love and peaceful protest can eliminate social, political and economic injustice, King became the nation's most heralded civil rights leader. He aroused blacks and whites alike to protest racial discrimination, war and poverty. A champion of nonviolent resistance to oppression, he was awarded the Nobel Peace Prize in 1964. Dr. King's life ended at the age of 39 on April 4, 1968 when he was assassinated in Memphis, Tennessee. However short his life, he greatly advanced the cause of civil rights in this nation. His life serves as encouragement to each of us to do all that we can to end injustice. The MLK Association Scholarships will be awarded each year to area high school seniors who actively embrace King's dream of improving racial harmony and social justice. We are pleased to announce that as many as 12 scholarships may be awarded, to support students in their pursuit of higher education. The non-renewable scholarship award(s) will be presented at a Scholarship awards program to be held in May or June. For more information, please contact MLK Association President Dr. Oralene Simmons at 828-281-1624
