## Best Wishes Superintendent Cook!

Congratulations to Superintendent Steve Cook as he retires from the Haslett Public School District after serving the students and families of Haslett for the past 20 years!

Superintendent Cook has made student success and learning a top priority. A few of his accomplishments include overseeing and implementing the 2018 Bond Project (which touched all of our schools with renovations and vast improvements), providing leadership during the pandemic, and orchestrating continual upgrades to the district's safety and security initiatives.

As a district, we will always be grateful for Superintendent Cook's unparalleled leadership, resiliency, integrity, courage, and the educational knowledge he possesses.

On behalf of Haslett Public Schools, we thank you for your 20 years of service!
