## Summer School Enrichment *and* Credit Recovery

### Summer School Enrichment (Grades K-12)

Haslett Public Schools will be offering a summer school program for qualifying students. Students will participate in an in-person format with district teachers and paraprofessionals and/or retired teachers, college education majors, and teaching assistants. The primary focus will be on Language Arts and Mathematics skills using research-based interventions. This has been proven to be the most effective method to help students who are struggling academically. **Registrations must be complete by May 13, 2024.**

#### Option 1 - Criteria (Grades K-5):

Option 1 is for students receiving Title 1 support and Special Education services, as well as students who are not progressing at the expected rate and/or are needing extra support in the areas of Mathematics and Literacy/Language Arts. Summer programs will be held at Wilkshire Early Childhood Center (grades K-1) and Ralya Elementary School (grades 2-5). Extended School Year (ESY) students will also be mailed a separate letter.

#### Option 2 - Criteria (Grades 6-8):

Option 2 is for students receiving Special Education services, students who took Strategies classes, or students who failed one or more classes. This program is located at Haslett Middle School. Extended School Year (ESY) students will also be mailed a separate letter.

#### Option 3 - Criteria (Grades 9-12):

Option 3 is for eligible Special Education students and students receiving Extended School Year (ESY) Special Education services. A letter will also be mailed to these ESY families. This program is located at Haslett Middle School.
