Murphy/Wilkshire Book Fairs

MS Choir Pre-Festival Concert

(7:30 PM - PAC)

Band Boosters (6 PM - HS Media Center)

## Zero the Hero

### Makes an Appearance at Wilkshire!

Zero the Hero made his annual appearance on Tuesday, February 6, 2024, to celebrate the 100th Day of School with Wilkshire Early Childhood Center students. Zero visited each classroom to practice his favorite activity...counting to 100!

After counting to 100, Zero sat crisscross on the rug to answer many questions from students like, "Why didn't you fly into the classroom?" and "Are you really 100 years old?" Students not only asked questions, but they also offered many compliments about Zero's glasses, blue hair with horns, and his cape.

Classrooms worked on many different activities throughout the day, from sharing collections of 100 items, making 100th day crowns, doing 100 jumping jacks, playing games focused on making 100, artwork, and of course, stringing 100 fruit loops onto a necklace. It was a wonderful celebration, and everyone was grateful for Zero the Hero's appearance!

Classrooms around the country celebrate the 100th Day of School. It means students are more than half way through the school year, and they can reflect on how much they have learned.
