## Haslett Kids Connection *Before and After School Programs*

Over the school year, Kids Connection staff at each of our elementary buildings has been working to create quality before and after school programs to support Haslett families who need these services.

The students attending our programs have shared feedback and given their input on activities, games, arts and crafts, and recreational activities that are interesting to them and help keep them engaged and enjoying their time at Kids Connection.

For the 2023-24 school year, Kids Connection is offered at each elementary building before school Monday through Friday from 7 AM until the start of the school day. The after school programs begin when the children are dismissed from school and are open until 6 PM. *During certain no-school days and breaks, along with the summer months, Kids Connection is held at the Haslett Community Education Building.*

The Kids Connection Summer Camp registration will be available on the Haslett Public Schools website on March 18, 2024. Currently, we are working on finalizing summer field trips and activities. To give you a sneak peek...we have field trips scheduled for all grades to the MOO-ville Creamery in Nashville, MI, along with the Critchlow Alligator Sanctuary in Athens, MI. A full list of weekly field trips and activities will be posted online beginning in March 2024.

Kids Connection is fully licensed by the State of Michigan and staffed by educated, caring professionals. All registration materials are available at Haslett Community Education or on the district website at [www.haslett.k12.mi.us](http://www.haslett.k12.mi.us).

*For further details regarding the Kids Connection before and after school programs, please contact Gregory Daza (Child Care Program Director, Haslett Community Education) at 517-339-2665.*
