Gamma Gamma Boulé
112 Willow Run
Georgetown, Texas 78633

Greetings,

Sigma Pi Phi Fraternity, Incorporated is an African-American professional fraternity founded in 1904. As part of its mission, Sigma Pi Phi Fraternity has undertaken programs aimed at enriching and improving life for African-American youth nationwide. One of our key programs is identifying and supporting African-American male students who plan to enter college. As part of this effort, the local chapter of the fraternity, Gamma Gamma Boulé, awards a minimum of one scholarship annually for four years in the minimum amount of \$1,500.

We make every effort to maintain contact with the recipients of our scholarship after they have enrolled in college, and if they are making satisfactory progress towards obtaining their degree, they are considered for continued support each year that they are full-time students up to a maximum of four (4) total years.

We are asking metropolitan Austin, Texas area high school principals, guidance counselors, and advisors to identify those African-American-male senior students in your schools who might qualify for our scholarship, and forward the application materials to their attention. With your assistance, we believe we will be able to continue to support our local students.

Please feel free to contact me, Bergeron Harris, at (512) 632-4113 or by email at bergeron.harris@att.net

Thank you in advance for your assistance.
