Dear Friend,

I am so happy that you will be joining our class in the fall. Here is a list of supplies that you will need to start the year. Many of these things may have to be replenished before the year is over. Some things will be shared with the entire class. Please let me know if you have trouble getting any of the items below. I hope that you all have a wonderful summer. If you have any questions or concerns, please email me. mdunham@wallkillcsd.k12.ny.us

Love,

Mrs. Dunham
