College Board AP Classes

www.apscores.org

The student must create a free College Board account and forward his/her scores from College Board to the college that he/she will be attending. Most colleges will give college credit if the student scored a 3 or better on the test. However, it is the responsibility of the student to find out what the AP score policy is for the college he/she will be attending.

AP Government

AP Living Environment

AP Physics

AP Psychology

AP US History

AP Calculus (can also get SUNY New Paltz credits – see New Paltz info above)
