## **Preamble**

The School Board and the Robbinsdale Federation of Teachers recognize that they have a common responsibility beyond their collective bargaining relationship. Each will strive to achieve quality long-term educational goals and programs through the establishment of mutually accepted channels of communication. It is hoped that this joint effort will contribute in significant measure to the advancement of public education in District 281.

## **Agreement**

This agreement entered into between the School Board of Independent School District 281, Hennepin County, Minnesota, hereinafter referred to as the School Board, and the Robbinsdale Federation of Teachers, Local 872, American Federation of Teachers, AFL-CIO, hereinafter referred to as the Federation, pursuant to and in compliance with the Public Employment Labor Relations Act of 1971, as amended, hereinafter referred to as the PELRA, provides the terms and conditions of employment for the professional staff during the duration of the agreement.

## **Recognition**

In accordance with the PELRA, the School Board recognizes the Robbinsdale Federation of Teachers as the exclusive representative of teachers employed by this School Board. The Federation shall represent all the teachers of the district as defined in this agreement and in said act.

## **ARTICLE I: Definitions**

This shall mean the hours of employment, the compensation therefore including fringe benefits, and the employer's personnel policies affecting the working conditions of the employees. It does not mean the retirement contributions or benefits nor does it mean the educational policies of the school district.

This shall mean all persons in the appropriate unit employed by the School Board in a position for which the person must be licensed by the Board of Teaching, the State Board of Education, including Kindergarten Prep as described in Appendix E, or in a position as a physical therapist, an occupational therapist, an early childhood educator, or a parent educator; but shall not include superintendent, assistant superintendent, principals and assistant principals who devote more than 50 percent of time to administrative or supervisory duties, confidential employees, supervisory employees, essential employees, part-time or temporary employees, excluded from teacher bargaining units by the Minnesota PELRA Act, and emergency employees.

Federation shall mean the Robbinsdale Federation of Teachers, Local 872, of the American Federation of Teachers, AFL-CIO.

School district shall mean Independent School District 281, Robbinsdale Area Schools. For the purpose of administering this agreement, the term School Board shall mean the School Board or its designated representative.

PELRA shall mean the Minnesota Public Employment Labor Relations Act, as amended.

All other terms used in this agreement shall have those meanings as defined by PELRA, as amended.

## **ARTICLE II: School Board Rights**

The School Board is not required to meet and negotiate on matters of inherent managerial policy, which include, but are not limited to, such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure and the selection, direction, and number of personnel.

The School Board has the right and obligation to manage efficiently and conduct the operation of the school district within its legal limitations and with its primary obligation to provide educational opportunity for the students of the school district.

All employees covered by this agreement shall perform the teaching and non-teaching services prescribed by the School Board and shall be governed by the laws of the state of Minnesota, federal laws and by school board rules, regulations and directions issued by properly designated officials of the school district.

This agreement is not intended to abrogate the statutory power of the School Board of the school district to make rules and regulations to manage and to direct all the operations and activities to the full extent authorized by law, relative to anything whatever necessary for the proper establishment, maintenance, and management of the public school system.

The School Board and Federation support the Affirmative Action Plan, which states that School District 281 will not discriminate against or harass any employee or applicant for employment because of race, color, creed, religion, national origin, sex, disability, age, marital status or status with regard to public assistance, except where such status is a bona fide occupational qualification. In licensure areas where no teachers are on unrequested leave, the district will aggressively recruit and attempt to hire teachers from protected classes.

### **ARTICLE III: Federation Rights**

In accordance with PELRA, the School Board recognizes the Robbinsdale Federation of Teachers, Local 872, as the exclusive representative of teachers employed by the School Board of Independent School District 281, which exclusive representative shall have those rights and responsibilities as prescribed by the PELRA and as described in the provisions of this agreement.

When meetings are mutually scheduled by the parties to confer or negotiate during working hours, the teachers, upon proper application, shall be relieved by substitutes and shall suffer no loss of pay.

The Federation president may be scheduled for an amount of non-teaching time as determined by the Federation. The daily schedule for the Federation president shall be agreed to by the Federation, the building principal, and the Human Resources Office by May 1 prior to the school year in which the schedule will take effect.

Upon request to the community education and facilities division or building principal, the Federation shall be permitted to meet within the school at times and under circumstances that will not interfere with the instructional programs or the total school use. Normally, requests for such use shall be at least twenty-four (24) hours in advance. Expenses incidental to the meeting, other than those normally a part of school operation, shall be borne by the Federation.

Bulletin-board space shall be made available in each school for the exclusive use of the Federation to post materials dealing with Federation business.

The Federation shall have use of the interschool mail system of the district on matters regarding the Federation and related activities.

The Federation shall be permitted to use school equipment within the school, such as computers and copy machines, in relation to Federation activities at times and under circumstances that will not interfere with the instructional programs or the total school use. All expenses incidental to the use of such equipment shall be borne by the Federation.

The School Board shall make a reasonable effort, within a reasonable amount of time, to provide the Federation with requested information pertinent to negotiations and grievances. Should the request involve information that is not readily available and entail considerable time, the Federation agrees to share administrative costs.

Up to twenty-five (25) days leave per year shall be granted upon the request of the Federation president for purposes related to the conduct of Federation business. Any person using such days must be a member of the teachers' bargaining unit.

The District and the Federation will work together to develop policies and procedures for school site decision-making. No school site within District 281 shall establish any policies or practices that violate any provisions of this Collective Bargaining Agreement without receiving the written authorization of the RFT.

## **ARTICLE IV: Teacher Rights**

Membership in the teacher organization shall not be required as a condition of employment.

No teacher shall be prevented from informally discussing a complaint with the teacher's immediate superior or from processing a grievance in the teacher's behalf in accordance with the grievance procedures hereinafter set forth in Article V.

Nothing contained herein shall be construed to prevent any authorized representative of the School Board from meeting with any licensed staff members in the bargaining unit for the purpose of hearing the views and proposals of its members except that, as to matters presented by such organizations which are proper subjects of negotiations, the Federation shall be informed of the meeting and be permitted a representative.

Upon receipt of a properly executed membership authorization card of the teacher involved, the school district will deduct from the teacher's paycheck the dues that the teacher has agreed to pay to the teacher organization during the period provided in said authorization. Normally, deductions shall be made in twenty (20) equal installments.

The School Board agrees to provide payroll deduction for members of the bargaining unit who wish to use this method for contributing to RFT COPE.

Teachers shall be entitled to have a Union representative present at meetings with district officials when the nature of the meeting involves disciplinary matters covered in Article IX, Section 9-1, b through f.

## **ARTICLE V: Grievance Procedures**

### **5-1 Definition**

A "grievance" shall mean an allegation by a teacher resulting in a dispute or disagreement between the teacher employee and the School Board as to the interpretation or application of terms and conditions of employment, insofar as such matters are contained in this agreement. Where the singular use of the word teacher is used, the plural of teachers may be substituted, where applicable.

### **5-2 Representation**

#### **5-2-1 School District**

The administrator or School Board may be represented during any step of the procedure by any person or agent designated by such party to act in the administration's behalf.

#### **5-2-2 The Grievant**

The grievant shall be represented at all steps of the grievance procedure by the Federation, unless the Federation refuses to carry the grievance. In the event the Federation chooses not to process a grievance at any level, the grievant shall not be limited from proceeding independently or with representation other than the Federation. The grievant shall be present at all steps of the procedure that the grievant elects to pursue. In the case of a group grievance where more than one teacher is involved, the group shall choose three or fewer teachers to act as grievants.

#### **5-2-3 The Federation**

The Federation shall have the exclusive right to process all grievances on behalf of grievants. If the

Federation refuses to carry a grievance and the grievant chooses to proceed as outlined in 5- 2-2, the Federation shall be informed of all grievance hearings, shall be permitted to attend such hearings, and shall receive from the School Board or its representative, any correspondence between the parties. In the event a teacher uses a representative other than the Federation, the grievant or the grievant's representative shall bear all costs normally borne by the exclusive representative.

### **5-3 Extension**

Time limits specified in this agreement may be extended by mutual agreement.

### **5-4 Days**

Reference to days regarding time periods in this procedure shall refer to school days. A school day is defined as all days teachers are required to be on duty. During the summer months, a day shall be defined as a normal district workday (Monday through Friday, excluding all holidays).

### **5-5 Time Limits**

Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved teacher to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limit shall be deemed to be acceptance of the decision rendered at that step.

### **5-6 Computation of Time**

In computing any period of time prescribed or allowed by procedures herein, the date of the act, event or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday or a school holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday or a school holiday.

### **5-7 Filing and Postmark**

The filing or service of any notice or document herein shall be timely if it bears a postmark of the United States mail within the time period.

### **5-8 Adjustment of Grievances**

All effort shall be made to resolve any conflict by the teacher involved, with the supervisor or administrator directly involved. Any grievance must be filed within a reasonable time not to exceed thirty (30) school days from the date of the occurrence alleged to be a grievance and every effort shall be made to keep the grievance from carrying over into another fiscal year. Grievances of a teacher, during the course of the teacher's employment, shall be presented and adjusted in the following manner:

#### **5-8-1 First Level**

The statement of the grievance shall be in writing and the proceedings informal. It shall be submitted on the prescribed form to the first- level administrator who possesses the authority to adjust the grievance. A copy shall be submitted to the Federation and the Executive Director of Human Resources.

The written grievance shall state the facts upon which it is based, the provisions in the agreement allegedly violated and the relief requested. Within ten (10) school days after receipt of said written grievance, the supervisor or administrator shall discuss the allegation with the teacher in order to seek a satisfactory settlement of the grievance. The supervisor or administrator shall submit a decision in writing to the teacher, to the superintendent and to the Federation. If a satisfactory settlement cannot

be reached within ten (10) school days, the second level may be initiated within five (5) school days thereafter.

#### **5-8-2 Second Level**

Any teacher who has not received satisfactory settlement as outlined in the first level shall submit the grievance in writing with a letter of transmittal to the superintendent of schools. Within fifteen (15) school days of receipt of the grievance, the superintendent, or the superintendent's designate, shall meet with the aggrieved, the supervisor or administrator directly involved in an effort to reach a satisfactory settlement. The superintendent, or the superintendent's designate, shall render the superintendent's decision in writing to the parties involved, including the Federation. If a satisfactory settlement cannot be reached within fifteen (15) school days after the superintendent's hearing, the third level may be initiated within five (5) school days thereafter.

#### **5-8-3 Third Level**

If a satisfactory settlement is not reached at the second level, either party may voluntarily request mediation through the Bureau of Mediation Services. The School Board will receive notice the grievance has reached the third level. Both parties must agree to use this step; otherwise, the unresolved grievance will proceed to the fourth level. If no agreement is reached within twenty (20) days, the unresolved grievance will proceed to the fourth level.

#### **5-8-4 Fourth Level**

Within said five (5) days, either party may request arbitration. The parties shall, within ten (10) days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request the Bureau of Mediation Services to submit a list of five arbitrators, providing such request is made within twenty (20) days after request for arbitration. The parties shall alternately strike names from the list of five until only one name remains that shall be the agreed-upon arbitrator. Failure to request a list of arbitrators from the Bureau of Mediation Services within the time periods provided herein shall constitute a waiver of the grievance.

### **5-9 Hearing**

A single arbitrator shall hear the grievance and both parties may be represented by such person or persons as they may choose provided the selection is consistent with 5-2-2. The parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing de nova. The arbitrator shall swear all witnesses upon oath.

### **5-10 Decision**

The decision by the arbitrator shall be rendered within thirty (30) days after the close of the hearing. Decisions by the arbitrator in cases properly before the arbitrator shall be final and binding upon the parties, subject, however, to the limitations to arbitration decisions as provided by in the Bureau of Mediation Services, as amended. The arbitrator shall issue a written decision and order including findings of fact that should be based upon substantial and competent evidence presented at the hearing.

### **5-11 Expense**

Each party shall bear its own expenses in connection with arbitration or mediation including expenses relating to the party's representatives, witnesses and any other expenses that the party incurs in connection with presenting its case in arbitration or mediation. The parties shall share equally fees and expenses of the

arbitrator. The cost of a transcript or recording, if requested, shall be borne by the requesting party(ies).

#### **5-12 Jurisdiction**

The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator, pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined herein; nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy.

#### **5-13 Appearance and Representation**

Hearings held under this procedure shall be conducted at a time and place that will afford a fair and reasonable opportunity for all persons entitled to be present to attend. When such hearings are during school hours, all persons who are required to participate shall be excused with pay for that purpose and that time shall not be deducted from the teacher's personal leave. School hours are defined herein as the hours during which the teacher is assigned direct control of the students.

#### **5-14 Investigation of Grievances**

The investigation of grievances shall not interfere with the orderly process of education in District 281.

#### **5-15 Election of Remedies and Waiver**

A party instituting any action, proceeding, or complaint in a Federal or State Court of Law or before an administrative tribunal, federal agency, state agency or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under this Agreement, shall immediately thereupon waive any and all right to pursue a grievance under this Article.

Upon instituting a proceeding in another form as outlined herein, the teacher shall waive his/her right to initiate a grievance pursuant to this Article, or if the grievance is pending in the grievance procedure, the right to pursue it further shall be immediately waived. This Section shall not apply to an action to compel arbitration as provided in this Agreement or to enforce the award of an arbitrator. *The election set forth above shall not apply to claims subject to the jurisdiction of the United States Equal Employment Opportunity Commission. If a court of competent jurisdiction rules contrary to the Board of Governors rulings, or if the Board of Governors is judicially or legislatively overruled, then the italicized portion of this section shall be deleted.*

### **ARTICLE VI: Working Conditions**

#### **6-1 District Required Information and Reports**

##### **6-1-1 Personnel Information**

Each teacher must submit a Social Security number, an official transcript of all college credits and other information required by state and federal statutes. This material will be kept on file in the Human Resources Office during the entire time that the teacher is employed in the school system.

### **6-1-2 License**

Employment will be terminated for any staff member who cannot qualify for a Minnesota license, or who fails to submit a valid license by the first day school is in session in the fall of the current school year in which the teacher is actively teaching, or who does not provide written evidence by this same date that an effort is being made to comply with licensure regulations and that application has not been rejected.

### **6-1-3 Health Reports**

The School Board may require that a teacher furnish a certificate of good health from a licensed physician of the School Board's choosing and expense. If the report of the physician shows that the teacher is physically and mentally unable to continue teaching, the provisions of Minnesota Statute 122A.40, subdivision 13, may be invoked. The Board may require such teacher to take a leave of absence until the Board approves the physician's recommendation for return to duty. Required examinations for the staff, other than the requirement for employment, shall be at School Board expense if services are not available through the group insurance plan.

## **6-2 Personnel Files**

### **6-2-1 Availability of Personnel File**

The teacher's current personnel file shall be housed in the Human Resources Office of District 281 and shall be available to the teacher at convenient times. All materials generated for such file shall be placed in the teacher's personnel file and no other teacher's personnel file shall be kept. Convenient time is understood to mean that the Human Resources or Superintendent's Office will arrange an appointment during regular business office hours or some other mutually convenient time when the teacher requests such an appointment. The school district may destroy such files as provided by law.

The teacher shall be given an opportunity to read material contained in the teacher's personnel file, except confidential material as defined by the Minnesota data privacy act. A representative from the office of the Executive Director of Human Resources will be present during this review.

### **6-2-2 Confidential Material**

Recommendations and confidential reports received on a teacher's application for initial employment or for promotions will not be available for inspection until such time that law permits inspection of such materials.

### **6-2-3 Right to Answer Material Filed**

The teacher shall have the right to respond to any material filed and the teacher's response shall be attached to the file copy.

### **6-2-4 Reproduction of Material Filed**

The teacher may reproduce any material in the teacher's file, except confidential material as defined in this article. If the number of pages requested exceeds twenty, the district may charge the teacher for all pages requested.

## **6-3 Emergency Closings and Late Starts**

When schools are closed due to inclement weather, snow or other unforeseen circumstances such as mechanical failure and such closure has been officially promulgated, teachers shall not be expected to report to work. Early dismissal/staggered release days allow staff to leave the building once their supervision of students has ended.

If days lost by such emergency result in the school year falling below the minimum required by law, days lost by such emergencies may be rescheduled by the school district after consultation with the RFT President.

In the case of school being closed due to extreme cold, teachers will report to work.

In the event an official “late start” is called by the District, all teachers are expected to report for duty as soon as safe travel permits. The latest, acceptable report time shall be the normal report time plus length of the “late start” (e.g., normal start time is 8:00 a.m.; in a 2 hour late start, the latest, acceptable report time shall be 10:00 a.m.).

#### **6-4 Holidays**

The following will be recognized as paid holidays: Labor Day, Fall Professional Conference (usually the third Friday in October), Thanksgiving Thursday and Friday, Martin Luther King Day, Presidents Day and Memorial Day.

#### **6-5 Religious Holidays**

Teachers may be granted up to two (2) days of leave with pay per year for observance of religious holidays. Teachers requesting time off for a religious holiday shall submit a written request setting forth the full particulars to the Executive Director of Human Resources at least five (5) days prior to the holiday. Such days will not be deducted from accrued paid time off.

In the years that it is necessary for some teachers to have three (3) days for religious observances, an additional day may be granted upon written request to the Human Resources Office for approval.

#### **6-6 School Calendar**

The calendar is developed in a “meet and confer” process as set forth in Appendix I.

#### **6-7 Length of School Day and Student Contact Time**

The length of the school day for all full-time staff shall be seven hours and forty minutes (7 hours and 40 minutes). Thirty (30) minutes shall be allowed for lunch, which time shall normally be uninterrupted and duty-free. Teachers shall not be required to engage in student contact more than an average of five hours and ten minutes (5 hours and 10 minutes) per day.

When meetings are scheduled immediately following student contact time and the meeting goes fifteen (15) or more minutes past the duty time, the staff can timecard and receive additional pay in fifteen (15) minute increments without prior approval.

When teachers are required to attend meetings with parents beyond the duty day the teacher shall be time carded and compensated as defined in Appendix C.

Block Scheduling will consist of three (3) daily blocks/one (1) block preparation time or five (5) skinnies/one (1) skinny preparation time/one (1) duty.

##### **6-7-1 Part Time Teachers**

The length of a day for a part-time teacher shall be prorated and shall be a continuous period of time minus a 30 minute lunch period. The student contact time shall also be prorated according to the FTE of the teacher.

### **6-7-2 Online Learning**

In the event that the district offers online (distance learning) as defined in Minnesota Statute 124D, each course offering will be delivered by appropriately trained and licensed teachers, also as defined in Minnesota Statute 124D. These teachers will be included in all provisions of the contract that apply to K-12 teachers.

### **6-8 Building Hours**

The specific hours at any individual building may vary according to the needs of the educational program of the school district. The specific hours for each building will be designated by the School Board.

### **6-9 Additional Activities**

In addition to the basic school day, teachers shall be required to reasonably participate in school activities beyond the teacher's basic day as is required by the School Board or its designated representative. The normal duties for teachers include a reasonable share of extracurricular, co-curricular and supervisory activities, as determined by the principal, superintendent, or School Board. All full-time teachers are expected to contribute sixteen (16) hours per year. Each building will establish a sign-up process that is fair and equitable.

It is the staff member's responsibility to bring documentation to the principal/supervisor once 16 hours of time has accrued, so that a plan can be developed prior to reaching 18 hours. Hours beyond 18 will be added to a timecard and compensated at the rate in Appendix C.

### **6-10 Vacancies and Postings**

#### **6-10-1 Vacancy**

A vacancy shall mean an unfilled position within the bargaining unit which the school district elects to fill consisting of eighty (80) or more days of work during the school year, and for which no teacher returning from leave of absence has a claim or wishes to exercise a claim to the position.

#### **6-10-2 Other Vacancy**

In the event the district elects to fill a vacancy for a permanent position outside of the bargaining unit that requires a licensed person, such vacancy shall be posted electronically on the District's designated job posting website.

#### **6-10-3 School Year Postings**

All teaching vacancies, special assignments, or new teaching positions constituting eighty (80) or more days of work per school year shall be posted electronically on the District's designated job posting website for a period of no less than three (3) school days. This shall not apply in cases where teachers on unrequested leave have a right to eighty (80) day positions pursuant to 7-2-7. Licensed staff members may apply for said vacancies or new positions within three (3) school days of the initial posting date.

Application shall be in writing to the human resources office. The effective date for such openings shall be as described in the posting.

All teaching vacancies, special assignments, or new teaching positions constituting eighty (80) or more days of work per school year shall be posted electronically on the District's designated job posting website for a period of no less than three (3) school days, except for the last two weeks in August. This shall not apply in cases where teachers on unrequested leave have a right to eighty (80) day positions pursuant to 7-2-7. Licensed staff members may apply for said vacancies or new positions within three

(3) school days of the initial posting date. Application shall be in writing to the human resources office. The effective date for such openings shall be as described in the posting.

#### **6-10-4 Summer Postings**

Teachers, who are interested in openings available after school closes, should check the district website. Seniority shall not be used as the basis for selection.

### **6-11 Teacher Preparation Time**

Each teacher will be scheduled for an average of sixty (60) minutes per day planning time free from student contact. At the elementary level, an average of 30 minutes of preparation time shall be during the student day and an additional 30 minutes shall be designated before or after student day. All building committee meetings should seek to end before this time. When a lyceum or planned school program falls at a time when a teacher is scheduled for planning time, the classroom teacher or the special subject teacher may be required by the administration to attend and supervise students at the program, but in no case shall teachers be required to perform such duty more than twice in a single month, and no more than a total of six (6) times per year. The administration may set a general staff meeting at times when teachers are scheduled for planning time, but the number of such meetings shall not exceed nine (9) per year. Teachers will be scheduled for twenty (20) minutes per day of "electronic reporting time" to address activities including: responding to email, voice mail, phone calls, and updating grades.

When scheduling music or PE, there will be no more than five (5) thirty (30) minute classes in a row. (When making schedules for lunch and prep times, the amount of student contact time should not exceed 3.25 hours of continuous student contact time without a break, to the extent possible.)

Elementary SPED Resource Teachers, in addition to their average sixty (60) minutes per day of personal preparation time and twenty (20) minutes per day of electronic reporting time, will be scheduled for an average of thirty (30) minutes per day for due process time.

Two (2) due process workload relief days: one (1) per semester where a special education staff member can complete due process paperwork. The employee must report to a district building to complete the work, but it can be a different building than the one they work in.

Up to twelve (12) hours of due process work time where special education staff can timecard and be paid at the rate in Appendix C.

- a. Offer four (4) nights per year – one (1) per quarter
- b. Each night is three (3) hours long
- c. SpEd Supervisor and/or Coordinator present to answer questions and assist with processes
- d. Sign in and attendance taken

### **6-12 Conference Time**

When elementary or secondary teachers work during scheduled conference times, they shall receive a non-duty compensatory day for every 7 hours and 10 minutes of work in accordance with the approved calendar. All teachers are required to participate in parent conferences. Absences from conferences will be allowed under the conditions in Article 10 or with prior approval of the building principal.

Conferences will be held in blocks of time after the student day. Two (2) compensatory days will be scheduled per semester in exchange for up to three (3) evenings of scheduled conference times equaling no more than

fourteen (14) hours and twenty (20) minutes total. Half (50%) of that time may be utilized for professional development activity by individuals not needed for conference interactions with parents.

At elementary, this includes specialists (music, phy ed, art, media, Spanish, STEAM band/orchestra). The specialist will be excused from one conference night at the school. Teachers who are part-time or split between buildings will attend the evening professional development and then will prorate their time at their buildings according to their FTE. Specialists will be required to submit their conference night schedule two weeks in advance of the first night of conferences.

At secondary, this can be either an all-staff professional development during the evening or may be used by individuals not needed for conferences for role-specific collaboration with others in the district, or other role-specific professional development.

#### **6-12-1 Progress Reports**

Elementary teachers will follow a four quarter/two semester academic calendar (same as secondary schools). Trimesters will no longer be followed.

Quarter 1: A parent/teacher conference will be held. No written progress report will be required.

Quarter 2: A written progress report will be completed for each student at the end of quarter 2.

Quarter 3: A parent/teacher conference schedule will be aligned with the end of the quarter marking period. A written progress report will be developed for each student and will serve as the basis for the parent/teacher conference.

Quarter 4: A written progress report will be completed for each student at the end of the quarter.

#### **6-13 Outside Tutoring Policy**

Teachers may not tutor for pay any pupil enrolled in District 281 public schools except as they are engaged for home instruction or as approved by the building principal and the appropriate director.

#### **6-14 Return Rights of Part-time Teachers**

Part-time teachers, who were at one time full-time teachers in District 281, and who voluntarily accepted a part-time position, shall retain the right to return from part-time teaching to full-time teaching for any subsequent school year. Notification must be provided to the Human Resources Office on or before February 1. Continuing contract teachers, who are employed in a part-time position in District 281, shall retain the right to return to a position of the same number of hours (FTE equivalent) for the subsequent school year by notifying the human resources office on or before February 1.

#### **6-15 New Teacher Induction Program**

Probationary teachers will be expected to participate in a New Teacher Induction Program. Up to twenty (20) hours per year outside the normal school day will be required. No more than four (4) of those hours shall be in any month. Up to four (4) hours may take place on the Friday prior to workshop week.

#### **6-16 Substitute Teaching**

Any time a teacher substitute teaches beyond the normal 5 hour, 10 minute student contact time, the teacher shall receive additional pay. The pay shall be an amount equal to the portion of the absent teacher's student load assigned to the substituting teacher. In addition, if a classroom is split between two or more classrooms

when a substitute is unavailable, teachers shall each receive full day substitute pay. Secondary allied arts teachers who teach these larger classes shall receive substitute pay, pro-rated to the number of minutes the class lasts. Elementary allied arts teachers will receive  $\frac{1}{4}$  of a full day substitute pay per class. Payment for substituting during a teacher's prep time shall be the hourly rate that matches the teacher's lane placement as listed in Appendix C. A teacher shall not be required to substitute teach more than twice per month.

An elementary licensed staff pulled from their assigned duty to cover a classroom for the day will receive the sub daily rate of pay in addition to their daily pay.

An elementary licensed staff pulled from their assigned duty to cover a classroom for a half day or less will receive half the sub daily rate of pay in addition to their daily pay.

A secondary licensed staff pulled from their assigned duty to cover a classroom for a single period shall be the hourly rate that matches the teacher's lane placement as listed in Appendix C.

### **6-17 Curriculum Writing**

The district will make every effort to assign curriculum development and writing time outside the normal school day. Teachers involved shall be paid at the rate contained in Appendix B, Article 5-1. All curriculum writing will be pre-approved by the Director of Curriculum and Instruction.

### **6-18 Job Sharing**

A teacher may apply for a job share position. The district reserves the right to approve or deny based on individual instructional circumstances. Any reason for denial will be shared with the teacher.

A shared position shall be an opportunity for teachers, providing one teacher has continuing contract rights and both teachers complete the application prior to February 1<sup>st</sup> for the following year.

A shared position is a full-time position belonging to one member of the collective bargaining unit. The teacher who chooses to share his/her position may recommend, as a job share partner, another member of the collective bargaining unit currently on staff, a retiree, a teacher on unrequested leave or a new hire.

There is a distinction between a shared position and a part-time position. A shared position results from the initiative of a teacher who chooses to share a position designated as full-time by the administration. A part-time position results from the staffing needs of the school district and is based upon administration decision.

A teacher may apply for a job share position. The district reserves the right to approve or deny based on individual instructional circumstances. Any reason for denial will be shared with the teacher.

### **6-19 Concurrent Teaching**

No Robbinsdale District staff (classroom, specialist, special education teacher or itinerant staff) should be asked to teach concurrently. Concurrently as defined by teaching students in person and online at the same time

## **ARTICLE VII: Unrequested Leave, Reinstatement & Seniority**

### **7-1 Unrequested Leave of Absence**

#### **7-1-1 Purpose**

The purpose of this article is to set forth the plan negotiated pursuant to Minnesota Statute 122A.40, subdivision 10, providing the procedure whereby as many teachers as may be necessary may be proposed for placement on unrequested leave of absence and placed on unrequested leave of absence without pay or fringe benefits because of discontinuance of position, lack of pupils, financial limitations or mergers of classes caused by consolidation of districts.

#### **7-1-2 Definitions**

For the purpose of this article, the following shall apply:

**7-1-2-1 Probationary Teacher**

A teacher in the appropriate bargaining unit, who has not completed the probationary requirements as set forth in Minnesota Statute 122A.40, subdivision 5, shall be considered a probationary teacher. The first three (3) consecutive years of a teacher's first teaching experience in District 281 shall be deemed to be a probationary period of employment. If a teacher obtained a continuing contract or tenure in a single Minnesota school district other than District 281, the probationary period thereafter in District 281 shall be one (1) year.

**Continuing Contract Teacher**

Any bargaining unit employee who has completed a probationary period in District 281 and who has not been discharged or advised of a refusal to renew the teacher's contract pursuant to Minnesota Statute 122A.40, shall be considered a continuing contract teacher in District 281.

**Teaching Area**

Teaching area is defined as the subject-matter area to which a teacher is assigned in which the teacher possesses licensure.

**Seniority Date**

A teacher's seniority date shall be defined as the teacher's most recent date of hire by the school district as determined by the date of the letter sent to the teacher by the Human Resources Office stating that the teacher has been hired pending approval of the School Board. Seniority dates may be changed in accordance with 7-4-3. If a teacher is rehired prior to October 1, the teacher will retain his/her original seniority date.

**7-1-3 Procedures for Placement on Unrequested Leave**

**7-1-3-1 Probationary Teachers**

The School Board may terminate or place probationary teachers on unrequested leave from their teaching area and from any other fields to which they are assigned, in the reverse order of their employment. No teacher who has acquired continuing contract rights shall be placed on unrequested leave of absence while probationary teachers are retained in positions for which the teacher who has acquired continuing contract rights is licensed. Additional exceptions: Notwithstanding the provisions above, if reducing a probationary teacher before another probationary teacher within the same year of hire would prevent students from having access to effective teachers who are members of populations underrepresented among the licensed teachers in the district or school and who reflect the diversity of enrolled students, the District may retain the teacher even if the retained teacher is a teacher with less seniority. These exceptions would only be available to teachers holding Tier 3 or Tier 4 licenses and would not be available to any teacher holding a Tier 1 or Tier 2 license.

When undergoing the staffing process, if there are any Tier 1 or Tier 2 licensed teaching staff, those teachers will be considered least senior in the area of license regardless of their hire date.

**7-1-3-2 Continuing Contract Teachers**

The School Board may place continuing contract teachers on unrequested leave from their teaching area and from any other field to which they are assigned, in the reverse order of their employment.

In the case of equal seniority, the order in which continuing contract teachers shall be placed on unrequested leave of absence shall be determined as follows:

- a. For teachers hired before July 1, 1991, the teacher's file folder number at the Minnesota Department of Education shall be used. Teachers who have the "lower" numbers shall be deemed to have more seniority.
- b. For teachers hired on or after July 1, 1991, the first criteria shall be a teacher's contractual, non-seniority bearing work. If the teacher has no previous district non-seniority work history, then the last four digits of the teacher's Social Security number shall be used. Teachers with the "higher" numbers shall be deemed to have more seniority.

#### **7-1-3-3 Notification**

Teachers proposed to be placed on unrequested leave of absence shall be notified by certified mail, return receipt requested, or shall be personally served.

#### **7-1-3-4 Effect**

Final placement on unrequested leave shall be completed by July 1 of the school year. All unrequested leaves shall become effective on the last contract day of each school year.

#### **7-1-3-5 Bumping Rights**

Any teacher proposed to be placed on unrequested leave may bump a less senior teacher from all or a portion of a position for which the more senior teacher is licensed.

#### **7-1-3-6 Reassignment and Realignment**

Prior to placing teachers on unrequested leave, the school district shall realign and reassign teachers in accordance with Minnesota Statute 122A.40.

The district shall not be required to realign or reassign teachers when reinstating teachers from unrequested leave. The effective date of placement on unrequested leave shall be the end of the school year.

#### **7-1-4 Changing Areas of Teaching**

Subject to the January 15 requirement in 7-4-1, continuing contract teachers may change teaching areas:

**7-1-4-1** In accordance with bumping rights in 7-1-3-5.

**7-1-4-2** During internal building staffing by mutual agreement with the building principal and the Executive Director of Human Resources.

**7-1-4-3** During Transfer Pools 1 and 2, at a time when no teacher remains on unrequested leave(layoff) in the area to which the teacher desires reassignment and when the number of positions available in that area are greater than the number of teachers displaced from buildings or returning from leaves.

The right to apply to change teaching areas, described in 7-1-4-3, shall hold provided the teacher is licensed in the alternate area, notifies the District 281 Human Resources Office by the notification deadline for Transfer Pool 1, and has taught in the alternate area of licensure within the last five (5) years in the district or has taken at least six (6) quarter credits of course work in this area within the last five (5) years. Exemptions from the six credit requirement may be granted at the discretion of the Executive Director of Human Resources.

#### **7-1-5 Effect of Provisional License**

No teacher shall be entitled to exercise seniority rights in a teaching area for which the teacher holds only a provisional license, except as provided for in Minnesota Statute 122A.40, subdivision 11.

## **7-2 Reinstatement**

Teachers placed on unrequested leave of absence shall be reinstated to available positions in the reverse order of seniority as determined by the district seniority list. A teacher who is placed on unrequested leave of absence and who is not reinstated shall continue on unrequested leave of absence for a period of five (5) years after which the right to reinstatement shall terminate. Reinstated teachers shall have the right to return in subject matter areas or fields in which they are licensed unless they have voluntarily relinquished their right to return in a specific field or subject matter.

### **7-2-1 Availability**

No appointment of a new teacher shall be made while there is available on unrequested leave a teacher who is properly licensed to fill such a vacancy.

### **7-2-2 Notification**

When practicable, notification of recall shall be by certified delivery mail with return receipt requested.

### **7-2-3 Response**

It shall be the responsibility of teachers placed on unrequested leave of absence to maintain a current listing of their name, telephone number and mailing address with the District 281 Human Resources Office. A teacher shall have seven (7) days from date of mailing, personal service or telephone notification, which will be verified in writing, of recall to advise the Human Resources Office, in writing, of the intent to accept the offer or the intent to reject the offer.

If a teacher does not respond in the seven (7) day period, the teacher waives all right to reinstatement and the School Board may terminate the teacher's employment.

Teachers on unrequested leave of absence who intend to be absent from their current mailing address for an extended period of time, may file with the Human Resources Office using the designated form, their acceptance or rejection of a position vacancy, if such vacancy were to occur during the period of their absence. In addition, teachers may designate an individual, on the prescribed form, with the authority to make a decision regarding any such vacancies that arise during the absence of the teacher.

### **7-2-4 Waiving Right to Re-Employment**

If a teacher waives the right to re-employment in the position offered, the position shall be offered to the teacher with the next greater seniority, provided that teacher is licensed for the position.

### **7-2-5 Completion of Recall Procedure**

Pending completion of the recall procedure, positions may be filled on a temporary basis.

### **7-2-6 Part-time, Full-time and Full-year Positions**

For the purposes of this paragraph, full-year, full-time employment means employment of at least 170 days per year and receipt of salary equivalent to 1.0 times the figure on the salary schedule appropriate for the individual's correct step and lane.

A teacher placed on unrequested leave of absence from a full-time position is entitled to reinstatement to a full-time position. Full-time teachers may refuse recall to a position which constitutes less than a full-year, full-time position.

A teacher placed on unrequested leave of absence from a part-time position is only entitled to reinstatement to a part-time position equal to the one last held before layoff. Refusal to accept reinstatement to a position to which the teacher is entitled shall constitute resignation.

#### **7-2-7 Right to Available Positions**

Individuals whose names appear on the unrequested leave list possess reinstatement rights to positions constituting 80 or more working days per year. When hired to these positions, they shall receive a rate of pay based on their proper step and lane. In addition, they may place their names on the District 281 reserve (substitute) list and accept hourly rate or reserve positions.

### **7-3 Termination of Rights**

A teacher's reinstatement rights shall be terminated based on any of the following events:

1. Voluntary removal by a teacher from a specific seniority list, in accordance with 7-4-5. This voluntary removal from a specific seniority list shall terminate a teacher's reinstatement rights only in a specific area from which the teacher's name is voluntarily removed and only until the teacher voluntarily replaces his/her name on that specific list subject to the requirements of 7-4-5.
2. Resignation
3. Retirement
4. Discharge or termination of the teacher
5. Expiration or revocation of valid teaching license
6. Refusal or failure to return following recall
7. A teacher on unrequested leave of absence who has not filed by April 1 of any year, a written statement requesting reinstatement in accordance with Minnesota Statute 122A.40, Subdivision 11. The district shall inform teachers of this requirement at least thirty (30) days prior to the April 1 deadline.

### **7-4 Seniority**

The district shall maintain a current seniority book containing seniority lists by license to teach and with each teacher's current teaching area designated on each list. The book shall also contain a master seniority list of all staff eligible to teach in the teachers' bargaining unit chronologically by seniority date. A draft copy of this list will be published annually in January and a final copy in February. One or more copies will be available in all schools each year.

#### **7-4-1 Filing Date**

The last possible date for filing the license in the Human Resources Office is January 15 of each year in order to have seniority rights to a position in that area of licensure.

#### **7-4-2 Correction to Seniority List**

Any teacher who disagrees with the accuracy of any of the information on the draft copy of the seniority list shall have fifteen (15) working days to obtain a correction directly from the district, or ten (10) working days from the date of distribution of the final seniority list to challenge through the grievance procedure as set forth in this agreement. In the absence of a grievance being filed within ten (10) working days from the date of distribution of the final seniority list, the seniority list will be conclusively deemed to be correct.

#### **7-4-3 Length of Service**

The length of service for all teachers shall be calculated from the most recent date of hire. Changes in seniority dates, which were adjusted because of the length of service, Reduced Load Clause (5-21-4-2 in 1977-79 contract) in the pre-1979-81 Collective Bargaining Agreements, shall stand and not be retroactively corrected. These shall be the only deviations from hire dates permitted in the calculation of

seniority rights, except for the correction of errors or acceptance of a leave under 10-3-3. The length of service for teachers on medical leave shall include up to two (2) years of time spent on medical leave. The length of service for teachers granted Federation leave, or governmental leave shall include the time spent on Federation or governmental leave.

#### **7-4-4 Seniority List**

A teacher shall be listed on all seniority lists for which the teacher holds a license to teach unless a teacher voluntarily removes his/her name according to 7-4-5.

#### **7-4-5 Voluntary Removal of Name from Seniority List**

A teacher may voluntarily remove his/her name from any District 281 seniority list except from the subject-matter seniority list in which the teacher is currently assigned. Applications must be completed and returned to the Executive Director of Human Resources by January 15 of any year. The teacher's name will be removed from the designated seniority list, as posted by the district, and shall continue to be excluded from such list thereafter until replaced by the teacher as outlined below.

The teacher may voluntarily replace his/her name on the designated seniority list by notifying the Executive Director of Human Resources by January 15 of the calendar year preceding the year the teacher desires to have his/her name replaced on the designated seniority list.

#### **7-4-6 Multiple Licenses**

Teachers who hold licenses to teach multiple subjects such as health/physical education, English/Social Studies or Science all may utilize 7-4-5 to remove their name from any subject matter seniority list except that in which the teacher is currently assigned.

## **ARTICLE VIII: Assignments and Transfers**

### **8-1 Definitions**

#### **8-1-1 Transfer**

The term transfer, as applied in this section, means the transfer of teachers between subject matter areas, school buildings or work sites.

#### **8-1-2 Voluntary Transfer**

A voluntary transfer is a transfer initiated by a teacher.

#### **8-1-3 Involuntary Transfer**

An involuntary transfer is a transfer initiated by the district due to staff reduction, building closings, changing building enrollments, unsatisfactory work on the part of the teacher or programmatic needs on the part of the district.

#### **8-1-4 Internal Building Staffing**

The term internal building staffing or building settling refers to the process used by a principal in determining internal building assignments for the ensuing school year. Displacement from Building Displacement from building refers to the involuntary transfer of a teacher from a building when an excess of staff occurs in a particular department following unrequested leave and internal building staffing determinations.

## **8-2 Voluntary Transfers**

A teacher who desires to change building assignments may request a voluntary transfer. Voluntary transfers are of three types: (1) voluntary transfers effective at the beginning of the next school year; (2) voluntary transfers effective during the current school year; (3) voluntary transfers involving a position exchange.

### **8-2-1 Transfers Effective for the Ensuing School Year**

Teachers who wish to transfer from the school building to which they are assigned to another school building for the ensuing school year must follow the procedures described in Section 8-5.

### **8-2-2 Transfers Effective for Current School Year**

Teachers who wish to transfer during the current school year may apply for vacancies that occur. Any such transfer shall be subject to the requirements in 6-10-1 and the final decision to approve such a transfer shall be retained by the school district. Normally, transfers are allowed only at the beginning of the school year for continuity of school programs and well-being of the students.

### **8-2-3 Voluntary Transfers Involving a Position Exchange**

This is a transfer request initiated by a teacher who wishes to exchange assignments with another teacher in a different building and/or different area of licensure. The proper license for both teachers is required. Requests for exchange of positions are subject to approval by both of the school principals and the Executive Director for Human Resources.

Requests must be submitted before the first day of May in order to be considered for the following school year. Such exchange of positions will normally remain in effect for the entire school year. At the end of the school year, the teachers may agree to a permanent exchange of positions subject to approval of both the school principals and the Executive Director for Human Resources, and subject to other limitations set forth in this agreement.

### **8-2-4 Exclusion from Voluntary Transfer**

A teacher who is on a performance improvement plan may not seek a voluntary transfer without mutual consent of the teacher, the building principal, and human resources.

## **8-3 Involuntary Transfers**

### **8-3-1 Involuntary Transfers Which Are Not Administrative Transfers**

Except for administrative transfers described in 8-3-2, involuntary transfers shall be made based on district-wide seniority and area of licensure.

### **8-3-2 Administrative Transfers**

These are transfers that are initiated by the administration. Administrative transfers may be made for three reasons:

1. Changes in school enrollment which differ from projections made by the administration prior to the operation of the transfer pools (included in this category are changes in class enrollments which result from actual student registrations)
2. Unsatisfactory work on the part of the teacher; Programmatic needs of the district.

#### **8-3-2-1 Administrative Transfers Due to Changes in School/Class Enrollments**

When transfers between schools are initiated based on changes in school enrollments, or changes in projected secondary class enrollments, the teacher to be transferred shall be that person in the building who possesses the least district-wide seniority by area of licensure or a teacher in the building who voluntarily agrees to the transfer.

At the elementary schools where this procedure would necessitate bumping in the building, the administration may choose to transfer the least senior teacher assigned to the grade level in which a position is to be eliminated rather than the least senior teacher in the building. The least senior teacher, as elsewhere in this agreement, refers to the teacher possessing the least amount of district-wide seniority.

Transfers due to changes in school/class enrollments shall be initiated by the administration in the following manner:

Secondary transfers shall be initiated on or before the tenth (10th) student school day of each semester. Elementary transfers shall be initiated on or before the tenth (10th) student school day after the following natural breaks:

- a. The beginning of the school year for students
- b. Parent/teacher conference day in the fall
- c. The end of the winter recess.

#### **8-3-2-2 Administrative Transfers Due to Unsatisfactory Work on the Part of a Teacher**

Normally, when transfers are initiated based on unsatisfactory work, the following steps will be taken:

Step 1: When a teacher's work performance is unsatisfactory, the principal shall notify the teacher in writing, stating the reasons for the principal's dissatisfaction with the teacher's performance. The teacher shall have ten (10) teaching days in which to respond in writing to the principal's notice. A copy of the notice shall be sent to the Assistant Superintendent for Teaching and Learning and the Executive Director of Human Resources who may offer, in writing, further corrective steps to be taken by the teacher after consultation with the teacher and the principal.

Step 2: After notice has been given to the teacher, and after corrective steps have been attempted, if the teacher's work does not improve to the satisfaction of the principal and appropriate administrator, and if in the judgment of the appropriate administrator a change in placement and assignment indicates a possibility for satisfactory work, a transfer to another building may be made before the end of the school year, normally to become effective at the beginning of the next school year.

Step 3: The receiving principal shall be informed within a reasonable time in advance of the teacher's transfer and shall be informed of the steps taken or to be taken in attempting to assist the teacher to make a satisfactory adjustment.

#### **8-3-2-3 Administrative Transfers Due to Programmatic Needs of the District**

Transfers may be initiated based on programmatic needs when:

1. The Minnesota Department of Education rules and/or regulations requires the course offering.
2. The course offering is an elective and the offering is retained by the administration in the building curriculum.
3. There exists a serious imbalance in the ratio of male/female teachers in physical education within a particular school so student locker-room supervision cannot be provided by a teacher of the same sex based on current staffing.
4. Dual licensure is required for a position.

Transfers will be implemented by district-wide seniority and licensure.

## **8-4 Special Assignment**

A teacher on special assignment is a teacher who holds a bargaining unit position for which the School Board requires special qualifications beyond those required by the Minnesota Board of Teaching or the Minnesota Department of Education. The specific job duties for the teacher on special assignment shall be defined by the school district.

By notifying the Human Resources Office prior to February 1, a teacher on special assignment may return to a position in the bargaining unit similar to the one the teacher held prior to accepting the special assignment. Transfers from special assignment positions to other bargaining unit positions must conform to the provisions of Article VIII of this Agreement. A teacher on special assignment returning to a teaching position shall find a position in his/her license area through the transfer pools.

Notwithstanding Minnesota Statute 122A.40, a teacher on special assignment shall not be bumped from such a position due to the placement of a more senior teacher in the same licensure area on unrequested leave of absence.

Building level Teachers on Special Assignment (TOSA) assigned to one specific school site will be building- settled rather than use the pool process for placement if the teacher's position is eliminated or discontinued, or if the teacher notifies the Human Resources office prior to February 1 that the teacher wishes to return to a position similar to the one held prior to accepting the special assignment.

## **8-5 Staffing Process**

The District and the RFT shall agree to a timeline for the staffing process for the following school year by February 1.

### **8-5-1 Internal Building Staffing**

Internal building staffing occurs after the district determines its district-wide staffing needs by licensure area and before positions are posted in Transfer Pool 1 and between the first and second posting of Pool 1. Internal building staffing may not occur again after the transfer pools are closed. Changes in teacher assignments within a building after the transfer pools are closed will be done utilizing a voluntary transfer agreement with the teacher, the teacher exclusive representative (RFT President) and Human Resources.

A full-time teacher assigned to more than one building is considered assigned to that building which is the larger or largest portion of his/her total assignment. If the larger of the two (or the largest of more than two) portions are equal, between or among buildings, the teacher must designate which of his/her buildings is to be the assigned building for the school year by October 1 of the school year. This does not apply to part-time teachers, even if the teacher possesses the right to retain a full-time position as outlined in 6-14.

### **8-5-2 Displacement of Teachers from Buildings**

After internal staffing occurs, it may be necessary to displace some teachers from one or more buildings. If this occurs, the teacher or teachers with the least district-wide seniority shall be displaced from the buildings by area of licensure and their names placed in Transfer Pool 1.

#### **8-5-2-1 Building Closing**

In the event of a building being closed teachers with continuing contract rights shall participate in a similar pool process prior to the district transfer pools described in 8-5-4-1 and 8-5-4-2.

### **8-5-3 No Bumping**

No teacher may use the transfer provisions of the contract to bump from a building another teacher with similar licensure and area of teaching who may have less seniority in the district.

### **8-5-4 Transfer Pools**

There shall be two Transfer Pools entitled Transfer Pool 1 and Transfer Pool 2. Teachers wishing to voluntarily transfer for the ensuing school year may participate in Transfer Pool 1 and Transfer Pool 2. Teachers involved in an involuntary transfer shall have their names placed in Transfer Pool 1, and if a position is not secured during Transfer Pool 1, shall have their names placed in Transfer Pool 2.

#### **8-5-4-1 Transfer Pool 1**

Transfer Pool 1 will include the following eligible teachers:

- a. Teachers involuntarily displaced as described in 8-5-2.
- b. Teachers returning from leave of absence.
- c. Teachers voluntarily seeking a transfer effective for the ensuing school year (not listed)

The hiring principal or administrator will select a teacher for the position. Seniority will not be used as the basis for selection.

#### **8-5-4-2 Transfer Pool 2**

Transfer Pool 2 will contain the names of the following:

- a. Teachers whose names were contained in Transfer Pool 1 who did not obtain a position for the ensuing school year.
- b. Teachers voluntarily seeking a transfer effective for the ensuing school year.

A teacher who voluntarily joins Transfer Pool 2 must notify Executive Director of Human Resources, in writing. A teacher who chooses to participate in Transfer Pool 2 places his/her position and building assignment in the pool. Assignments for teachers whose names are in Transfer Pool 2 are determined based on seniority and area of licensure.

After selection of position from pool 2, the teacher shall contact the building principal/program director to discuss job expectations and building procedures related to the assignment.

\*Pool 2 listings may also have building/program expectations and job descriptions attached by supervisor to better inform the candidate on the assignment.

#### **8-5-4-3 Closing of Pools**

Transfer Pool 2 shall begin shortly after the completion of Transfer Pool 1. Transfer Pool 2 will last until all teachers are contacted and make their selection.

#### **8-5-4-4 Assignments That Occur After the Close of Transfer Pool 2**

Teachers whose names are in Transfer Pool 2 and who did not select a position by the close of Transfer Pool 2 will be assigned to an existing vacancy by the Executive Director of Human Resources.

## **ARTICLE IX: Discipline**

### **9-1 Levels of Discipline**

The following disciplinary actions may be imposed by the district for good and sufficient grounds:

- a. Oral reprimand
- b. Written reprimand
- c. Letter of deficiency
- d. Administrative transfer in accordance with 8-3-2
- e. Withholding of a salary increase or increment
- f. Suspension without pay
- g. Discharge in accordance with 9-6.

### **9-2 Meeting at Which Disciplinary Action is Taken**

Disciplinary action taken pursuant to this article shall be administered at a meeting called for such purpose. The teacher shall receive written or oral notice of the meeting and except in the case of an oral reprimand, shall be entitled to Federation representation. In unusual circumstances, when warranted, disciplinary action may be taken immediately by the administration. In such situations, a meeting will be scheduled thereafter when practicable, to discuss the matter with the employee.

### **9-3 Notice**

Except in the case of an oral reprimand, the affected teacher and the Federation shall be provided a written copy of the disciplinary action imposed. The teacher may elect in writing not to have notice of such disciplinary action provided to the Federation.

### **9-4 Appeal to the Grievance Procedure**

Except as noted in section 9-5 below, disciplinary action taken pursuant to this article may be appealed to the grievance procedure as contained in Article V of this agreement. Except in the case of a written reprimand, grievances shall be initiated at Step II and shall be subject to the arbitration provisions of the grievance procedure.

### **9-5 Reprimands or Letter of Deficiency**

Oral reprimands shall not be subject to the grievance procedure. Written reprimands, or letters of deficiency, under normal circumstances, shall be presented to a teacher in person at a meeting called for this purpose. The teacher shall be requested to sign a copy of the reprimand, or letter of deficiency, to be filed in the teacher's personnel file with the understanding that this means the teacher has read the reprimand or letter, but not that the teacher necessarily agrees with its contents or accuracy.

If a teacher refuses to sign the reprimand or letter, it may be placed in the teacher's personnel file by the administration with a notation indicating the date the meeting was held to review the reprimand or letter, and the fact that the teacher refused to sign the copy placed in the file. The teacher shall be afforded up to fourteen (14) calendar days to respond in writing to the reprimand or letter and the teacher's response shall be attached to the file copy of the reprimand or letter of deficiency.

### **9-6 Discharge**

Procedures governing discharge are those provided under Minnesota Statute 125.12 (1982), as amended. Nothing in this article shall limit the right or obligation of the parties with respect to immediate discharge under Minnesota Statute 122A.40, subdivision 13.

## **ARTICLE X: Leaves of Absence**

### **10-1 Leaves of Absence Without Pay**

#### **10-1-1 Military Leaves**

##### **10-1-1-1 Involuntary Service**

Any teacher who is a member of a reserve component of the armed forces who is required to perform active, full-time duty shall be granted leave from the teacher's teaching duties for such purpose.

#### **10-1-2 Part-time Teaching Provision (With 20 or More Years of Allowable Minnesota TRA Service)**

The district may, at its discretion, grant such leaves in accordance with Minnesota Statute 354.66. Approval of the teacher's principal or immediate supervisor and the Human Resources Office is required. Applications for this type of part-time employment must be received by the Human Resources Office no later than February 1 of the school year prior to that to which it would apply.

Exceptions to the February 1 deadline may be granted by the school district at its discretion. The district shall contribute towards the teacher's TRA as if the teacher were full-time. Paid time off is administered according to Article 10-2-2.

#### **10-1-3 Extended Leaves of Absence**

The district may, at its discretion, grant extended leaves of absence consistent with Minnesota Statute 122A.46. The School Board may grant an extended leave of absence without salary to a full time teacher who has been employed by the Board for at least five (5) years and has at least ten (10) years of allowable service as defined in Statute 354.05.

The maximum duration of an extended leave of absence pursuant to this section shall be determined by mutual agreement of the Board and the teacher at the time the leave is granted and shall be at least three (3) years but no more than five (5) years. Teachers granted such leaves will be solely responsible for all retirement contributions. Approval of the Human Resources Office is required. Applications for extended leaves must be received by the Human Resources Office no later than February 1 of the school year prior to that to which it would apply. Exceptions to the February 1 deadline may be granted by the school district at its discretion.

#### **10-1-4 Federation or Government Services**

Leaves shall be granted to teachers who apply for such leave because they are elected or appointed to perform service for the Federation, or for teachers who are elected to a state or federal office in government, or for teachers who perform voluntary government service such as the Peace Corps, AmeriCorps, or military Reserve duties. The leave shall extend for the entire time needed to complete the assignment and teachers granted such a leave shall retain their original date of hire.

#### **10-1-4-1 Return Privileges**

A teacher returning from a Federation or Government Leave shall have the right to return to the same building and department in a secondary school, or the same grade level in an elementary school, provided the building is still open and the teacher is entitled by seniority to return to the building.

#### **10-1-5 Other Leaves of Absence Without Pay**

##### **10-1-5-1 Purpose**

Leaves of absence without pay will be considered for the following purposes: study, teaching in a foreign country, accompanying spouse or significant other on temporary work assignment out of the area, recuperation, need to care for a seriously ill child, spouse, significant other, parent, or other purposes pre-approved by Human Resources.

##### **10-1-5-2 Requirements**

The teacher must have taught for the last three (3) years in the district to qualify for a leave of absence without pay. This requirement would not apply to a teacher requesting an extension of an existing leave of absence without pay.

##### **10-1-5-3 Length of Leaves**

The district shall approve the duration of these leaves. Normally, a leave shall not immediately follow a five (5) year leave of absence. Normally, the School Board will grant one leave per teacher every five (5) years.

Leave of absence without pay for two years will be considered for study or teaching in a foreign country.

##### **10-1-5-4 Seniority**

Teachers who are granted a leave under Section 10-1-5 do not accrue seniority for the time of the leave.

#### **10-1-6 Group Insurance**

Subject to the provisions of this agreement, the provisions of the FMLA, and the limitations of the group insurance plans established by Article XIII, a teacher on an unpaid leave of absence may continue to participate in the group insurance plans. A teacher choosing to continue participation shall pay the full monthly premium for such plans, commencing on the date the unpaid leave of absence begins.

#### **10-2 Leaves of Absence with Pay**

##### **10-2-1 Sabbatical Leaves**

The School Board will grant a number of sabbatical leaves that is equal to .5 of one percent (1%) of the number of full-time equivalencies (FTE's) included in the teachers' bargaining unit. Submitted applications must meet the established criteria.

##### **10-2-1-1 Qualifications**

Teachers shall be eligible for sabbatical leave after each seven (7) consecutive years of teaching in District 281. Time spent on authorized leaves of absence neither contributes to nor interrupts the accumulation of consecutive years of teaching.

##### **10-2-1-2 Time to Apply**

Applications for sabbatical leave must be made on forms available in the Human Resources Office on or before February 15. Successful applicants will be notified on or before March 15.

The sabbatical salary for a teacher with seven (7) to ten (10) years of experience in District 281 shall be 50 percent, and a teacher with ten (10) or more years 60 percent of the salary to which the teacher would be entitled for full-time work during the sabbatical year payable on the regular payroll schedule. Upon request from the teacher on sabbatical at 50 percent of the salary, the School Board will pay 75 percent of the teacher's regular salary during the sabbatical year. The year following the sabbatical, 25 percent of the previous year's salary will be deducted from the teacher's regular salary. Upon request from a teacher on sabbatical leave at 60 percent of salary, the School Board will pay 80 percent of the teacher's regular salary during the sabbatical year. The year following sabbatical, 20 percent of the previous year's salary will be deducted from the teacher's regular salary.

**10-2-1-4 Requirements**

1. The teacher will undertake a program that is designed to help the teacher better perform the teacher's professional duties upon return.
2. The teacher with less than an MA degree must have been accepted in a graduate school.
3. The teacher must submit for approval a summary of plans for study, research and/or travel.
4. If a sabbatical leave is granted solely for study, the recipient will earn a minimum of thirty (30) quarter hours during the sabbatical year and one summer or equal work by writing a thesis or other work as approved by the teacher's graduate adviser and the superintendent.

**10-2-1-5 Supplemental Compensation**

The teachers on sabbatical leave may augment their sabbatical salary with aids, fellowships, scholarships or other stipends up to an amount which when added to the sabbatical salary will not exceed the amount of their basic salary.

**10-2-1-6 Return Requirement**

The teacher must agree to serve as assigned in District 281 schools for two (2) years after the sabbatical leave or repay to the district all compensation and fringe benefits received from this district while on sabbatical leave within a period of two (2) years.

**10-2-1-7 Return Privileges**

A teacher returning from sabbatical leave shall have the right to return to the same building and department in a secondary school or the same grade level in an elementary school. This right can be exercised by the teacher provided:

**10-2-2 Paid Time Off (PTO)**

- a. Paid time off (PTO) is defined as absence used for illness, adoption, personal use (non- vacation), paid childcare leave, and bereavement. Paid time off does not include such absences as jury duty (10-2-5), military leave (10-2-4), paid holidays (6-4), religious holidays (6-5), sabbaticals (10-2-1), or any unpaid leaves. Pre-approval is unnecessary except as defined in (d) and (e) below.
- b. All full-time teachers shall be credited with twelve (12) days of PTO per contract year. The credit shall be made at the beginning of each school year. Part-time teachers shall accrue PTO days on a pro-rata

- basis. If a teacher leaves the district having used more PTO days than he/she has accumulated, the district shall reduce the teacher's final paycheck for any unearned PTO days on a pro-rata basis.
- c. A teacher may use PTO days up to the amount accumulated for reasons defined in Article 10. The district will require the teacher to seek approval for PTO usage in excess of three (3) consecutive days, except in cases of illness or emergency. The teacher shall inform the principal when illness or emergency leaves exceed three (3) days.
  - d. Paid time off (PTO) shall not normally be used on the first five (5) or last five (5) school days of the year except for illness, emergency, or prior approval of Human Resources.
  - e. Before/after a holiday or vacation period, including Minnesota fishing and deer hunting opening weekends, no more than 5% (or at least 1 teacher) of a building teaching staff may use PTO. Absences taken without pre-approval will be subject to progressive discipline policy.
  - f. Exceptions to these limitations shall be considered on an individual basis.
  - g. PTO is not to be used as vacation. Staff who take PTO for vacation may be subject to the progressive discipline policy.
  - h. Days of PTO resulting from physical assault with police report filed will be restored.
  - i. If a teacher is out on unpaid medical leave, their PTO will be pro-rated for the paid time worked at the rate of 1.2 days per month for paid time.
  - j. Elementary absences that require a substitute must be entered as ½ day or full day. When no substitute is needed, absences may be entered in 15 minute increments up to one (1) hour.

#### **10-2-2-1 Incentive for Attendance**

To reduce voluntary absences, a teacher who uses one (1) or fewer days of paid time off during the school year may choose an option listed in the following table with the District buying back paid time off reducing the teacher's paid time off total by the same number of days a teacher is eligible for and elects to receive payment in exchange for those days:

- a. To have the District contribute the amount set forth below in the table of pay at the teacher's daily rate into the teacher's account in the State of Minnesota Deferred Compensation Plan (457) tax sheltered annuity or 403(b) plan approved provider; or
- b. Receive payment set forth below in the table, to be paid no later than July 15.
- c. Use of one (1) day paid time off shall be allowed for a teacher's eligibility for receiving the incentive.
- d. Use of one (1) PTO day will qualify as zero (0) days used (previously interpreted as one (1) personal leave day).

<b>Option</b>	<b>Zero Days Used</b>	<b>One Day Used</b>
a. Tax shelter deposit	2 days of pay	1 day of pay

#### **10-2-2-2 Unused PTO Days**

Additional unpaid leave may be granted in accordance with 10-1-1. Requests for such leave shall be submitted to the Executive Director of Human Resources by the teacher upon receipt of such orders, but in no event more than two (2) work days following receipt of such orders.

A teacher that is granted an extended military leave of absence will be guaranteed to return to the same building he/she left. He/she is not required to enter the transfer pool unless He/she specifically requests it in writing. (Building closure would result in entering the pool process.)

**10-2-5 Jury Duty/Election Judging**

Teachers who receive a summons are to notify the school principal immediately of the proposed dates of service and request a substitute when needed. A copy of the jury duty check should be sent to the Payroll Department as proof of service. Election judging service will be handled in the same manner as Jury Duty service.

Teachers will have no loss of pay as a result of jury duty if the provisions above are met. Failure to do so will result in the deduction of the teacher rate of pay from the teacher's salary for each day.

#### **10-2-6 Benefits on Paid Leave**

The School Board shall pay proportionate premiums for benefits that accrue for a teacher on leave with pay.

### **10-3 Leaves of Absence With or Without Pay**

#### **10-3-1 Childcare Leave**

Childcare leave will be granted because of the need to prepare and provide parental care to a natural-born or adopted child or children. This may be paid if the staff member has paid time off. A maximum of 12 continuous weeks (60 days) of paid time off may be used. If a teacher exhausts his/her paid time off, the teacher may receive up to an additional ten (10) days of paid leave.

Part-time teachers shall receive a prorated amount of paid time off based on their part of a full-time position. In the case of natural birth, child-care leave may be utilized separately or in conjunction with pregnancy-related disability described in 10-3-1-6.

##### **10-3-1-1 Initiation of Leave**

A teacher making application for child-care leave shall submit a written request to the Human Resources Office at least two (2) calendar months before commencement of the intended leave. The school district may adjust the proposed beginning or ending date of a child care leave so that the dates of the leave are coincident with some natural break in the school year, i.e., winter vacation, spring vacation, semester break or quarter break, end of a grading period, end of the school year or the like.

##### **10-3-1-2 Return**

The anticipated date of return shall be stipulated at the time leave is requested. In stating beginning and returning dates, teachers shall keep in mind the importance of continuity of instruction. The return date may be changed at a later time by mutual agreement of the teacher and the Executive Director of Human Resources. Upon return, the teacher shall be assigned to a position comparable to the previously held position.

##### **10-3-1-3 Length of Leave**

Each child-care leave shall not exceed two (2) full school years. The school year in which the leave begins is to be counted as one of the two years. Teachers on child-care leave may apply for an additional year of leave under 10-1-5.

##### **10-3-1-4 Failure to Return**

The time a teacher spends on child-care leave shall not be counted in determining the completion of the teacher's probationary period.

The District will apply the provisions of the Family Medical Leave Act to teachers who are granted leaves under 10-3-1 and 10-3-2.

### **10-4 Short Term Leaves of Absence Without Pay**

Leaves of absence without pay in this section are defined for short term personal reasons not covered elsewhere in the collective bargaining agreement. The District has the right to restrict the number of leave days without pay for any teacher during any one year.

**10-4-2** Applications for two or more days of leave without pay must be submitted for pre-approval to the Human Resources office and to the principal or appropriate supervisor at least 30 days prior to the date the leave is requested to begin.

**10-4-3** Leaves will be considered on a first-come, first-served basis. A teacher who did not have a leave without pay the previous year will have priority over a teacher who was granted a leave without pay. The building principal, appropriate supervisor or Human Resources office will make the decision based on the immediate needs of the building.

### **10-5 General Rules Governing Leaves of Absence**

#### **10-5-1 Reassignment**

Teachers returning from any authorized leave shall be entitled to a similar position if so qualified by seniority and license. If return is scheduled for the beginning of a school year, the teacher's name shall be placed in Transfer Pool 1. (See Section 10-2-1-7 for Return Privileges of Teachers on Sabbatical Leave.) If the return is scheduled before the end of the school year during which the leave is granted, the teacher shall return to the same building and position.

## **ARTICLE XI: Communications**

### **11-1 Non-Contractual Grievances**

A non-contractual grievance shall mean an alleged misapplication, misinterpretation or violation of policy or practice governing or affecting licensed teachers that does not meet the definition of a grievance as set forth in 5-1 of this agreement and, therefore, cannot be processed under Article V. The grievance procedure outlined in Article V of this agreement shall apply to grievances filed under 11-1, except no hearing shall proceed beyond Level III, and the School Board or a subcommittee of the board shall hear all non-contractual grievances appealed to Level IV.

## **11-2 Labor/Management Committees**

The Federation and the District agree to the concept of labor/management committees. The purpose of individual labor/management committees shall be to discuss and exchange ideas on issues not specifically covered in the Collective Bargaining Contract.

Except for the Staff Development and Insurance Committees, the Federation and the District shall be entitled to an equal number of members on each labor/management committee. District appointments shall be made by the Superintendent, and the Federation appointments by the Federation president.

### **11-2-2 Composition, Size and Organization**

When a labor/management committee is first formed, its mission or purpose and size shall be determined by agreement of the superintendent and Federation president. Thereafter, each committee shall determine its objectives, procedures for operation and decision making and to whom its recommendations shall be sent. These items together with its mission and size shall be committed to writing and sent to the superintendent and Federation president for approval. Changes in the mission, size, objectives, procedures, and to whom the committee sends its recommendations, can be made by the committee if approved by the Superintendent and Federation president.

### **11-2-3 Formation and Dissolution of Committees**

Additional labor/management committees can be formed or existing committees can be dissolved by agreement of the superintendent and Federation president.

- a. The teacher retires on or after the last day of the first semester.
- b. The teacher notifies the district of the teacher's intention to retire by February of that school year, or at least four (4) weeks in advance of the intended retirement date, whichever provides the greater notice.

- 13-10-7-1 Severance pay for a teacher who retires on a date other than the last day of the school year shall be paid in accordance with the provisions of Sections 13-10-2, 13- 10-3, 13-10-4, 13-10-5, 13-10-6.
- 13-10-7-2 In unusual circumstances, (e.g., serious illness), the district may grant early severance payment to a teacher who retires after June 30 but before the last day of the first semester.
- 13-10-7-3 A teacher's age at retirement will be considered to be the teacher's age on June 30 of the school year in which the teacher retires.

### **13-10-8 Retiree Health Insurance**

Any teacher of District 281 who is a member of the District major medical and hospitalization group plan, has fifteen (15) full years of full-time employment, or the equivalent, as a teacher, in the school district and/or the Federation, who retires following the age of 55, or be less than age 55, and has taught for at least 30 years in the district, may continue as a member in the insurance group. A retired teacher, who does not continue as a member in the insurance group at the time of retirement, cannot later enroll back into the plan.

For teachers who retired before July 1, 1990, the district will pay the same amount of the premium as paid to other members of the group until the retiree reaches the age of Medicare. A retired teacher may continue in the group at no cost to the school district after the district contribution is completed. A retired teacher may continue as a member in the dental plan, at no cost to the school district.

For teachers who retire after July 1, 1990, the district will continue to pay the exact dollar amount in 13-1-1 for the monthly hospitalization/medical insurance premium at the time of retirement until the retiree reaches the age of Medicare. If this is family or 1 + 1 coverage and the teacher subsequently switches to single coverage, the district will provide the exact dollar amount paid for single coverage during the year in which the teacher retired.

#### **13-10-8-1 Newly Hired Teachers**

For full-time teachers whose first day of work begins on or after July 1, 1995, Article 13-10-8 will not apply. Such teachers can, at the time of their retirement, continue in the district's existing health insurance program at their own expense.

## **ARTICLE XIV: No Strike Lock-Out Pledge**

The Federation or any member thereof will not engage in or encourage illegal strike action, withholding of services or a refusal to perform tasks normally assigned to them during the life of this contract. There shall be no lock-out against the Federation by the School Board during the life of this contract.

## **ARTICLE XV: Duration and Effect**

If any provision of this agreement is or shall at any time be contrary to federal, state or local law, then such provision shall not be applicable or performed or enforced, except to the extent permitted by law, and any substitute provisions shall be subject to appropriate consultation and negotiation with the Federation.

### **15-2 Severability**

The provisions of this agreement shall be severable, and if any provision thereof or the application of any such provision under any circumstances is held invalid, it shall not affect any other provisions of this agreement or the application of any provision thereof.

### **15-3 Effect**

### **15-5 Term and Reopening Negotiations**

This agreement shall remain in full force and effect for a period commencing on July 1, 2021, through June 30, 2023, and until the extension period defined in PELRA has expired. If either party desires to modify or amend this agreement commencing on July 1, 2021, they shall give written notice of such intent no later than May 1, 2023. Unless otherwise mutually agreed, the parties shall not commence negotiations more than 90 days prior to the expiration of this agreement.

## **APPENDIX B: Co-Curricular Activities**

### **ARTICLE I: Salary Calculations and General Procedures**

Appendix B establishes the level of compensation for activities but does not guarantee that the District will offer a program or activity.

#### **1-1 Salary**

Salary is determined by multiplying the ratio times the dollar figure in 1-1a-1 and 1-1-2. If part or all of the co-curricular activity occurs during the regular school day, a different salary schedule will be determined by the district based on the percentage of time spent outside the regular school day.

##### **1-1-1 Athletic Sections**

Calculations of 2023-2024 salaries for positions listed in the athletic sections of Articles II, III, IV shall be based on \$77,648 which represents a 4% (four percent) increase over the base used for 2022-2023.

Calculations of the 2024-2025 salaries for the same positions shall be based on \$81,531 which represents a 5% (five percent) increase over the base used for 2023-2024.

##### **1-1-2 Fine Arts, Other and District-wide Activities**

Calculations of 2023-2024 salaries for positions listed in the fine arts and other sections of Articles II, III, and IV and for positions listed in the district-wide activities section V, shall be based on \$80,530 that represents a 4% (four percent) increase over the base used for 2023-2024.

Calculations of 2024-2025 salaries for these same positions shall be based on \$84,586 which represents a 5% (five percent) increase over the base used for 2023-2024.

#### **1-2 Experience**

For all coaches and supervisors, salaries for years of experience shall be based on the grid below as defined as the cumulative number of years spent directing or coaching in the same activity whether the activity is men's or women's, the position head or assistant, or the middle school or high school. The coach/activity director must apply for this change in experience level on the proper form prior to the beginning of the season/activity.

<b>Formula for Years of Experience (example)</b>					
Years of Experience	0-4	5-10	11-15	16-20	20+
Formula	x 1	x 1.05	x 1.1	x 1.125	x 1.15
Example: Coaching Salary using cross country running	\$4,389	\$4,608	\$4,828	\$4,938	\$5,047
<b>This includes post-season stipends.</b>					

#### **1-3 Reports and Payment**

- a. The sponsor of each activity that has a fee attached shall make a report in duplicate to the principal. One copy shall be forwarded to the coordinator of athletics.
- b. Payment of extra-curricular salaries shall be paid in accordance with the printed payroll dates. The first payment for directors or coaches of year-long activities shall be made prior to November 1.

#### **1-4 Pay for Participation in Post-Season Tournaments**

- a. Post-season pay benefits will only be paid to the number of coaches allowed by the Minnesota State High School League playing in post-season tournaments.
- b. Post-season pay shall be earned by coaches and assistant coaches the day after the team has won a first-round contest or advanced beyond a preliminary round.
- c. Head coaches will be paid \$36 per day for each day of post-season practice or play. Assistant coaches will be paid \$26 per day for each day of post-season practice or play.

- d. The band director and cheerleading advisor will receive \$55 for each post-season tournament performance. No additional pay will be made for supervising practices or rehearsals.

## **1-5 Middle Schools**

All appointments to positions under Article III, Middle Schools, shall be made by the middle school building principal or designee. A complete list of all appointments made by the principal under this schedule shall be filed in duplicate with the Executive Director of Human Resources at the end of the first week of school and be made available to the RFT building representative upon request.

## **1-6 Scheduled Levels**

Where more than one scheduled level of an activity is mandated by the Minnesota State High School League, where at least two-thirds of the Classic Lake Conference schools are offering that level, and where a coach is available, and where sufficient students exist to support each level, then such scheduled levels shall be provided by District 281 high schools, unless the specific level or entire program has been eliminated by the School Board.

## **1-7 Joint Federation/District Study Committee**

The joint Federation/District study committee will study extra-curricular pay issues and make recommendations to the Federation and District negotiation teams.

## **1-8 Posting Extra-Curricular Positions**

1. When a vacancy occurs in an extra-curricular position, the principal shall make it known to the building staff through the Principal's Bulletin. The principal may also make the vacancy known to the district staff through a District internal posting or the *Direct Line*.
2. If the position is not filled by a member of the building staff, the principal shall publish a District internal posting or notice in the *Direct Line*.
3. The principal may also advertise the position to people other than the District 281 staff by any means of communication.
4. If the position is not filled by a building staff member, it will not be filled until at least three (3) school days following notice of the District internal posting or *Direct Line*. As the District internal posting or *Direct Line* are not published during vacation periods, (summer, winter, spring), the three-school-days waiting period shall not apply; however, the principal will make an effort to inform people who might be interested.
5. Assistant coaching/directing vacancies identified shortly before or during the season need only be publicized in the Principal's Bulletin before considering external candidates.

## **1-9 Filling Vacancies**

The principal, in consultation with the building athletic/activities director, is given final authority to fill all positions listed in the extra-curricular portion of the Collective Bargaining Agreement unless directed not to by the Superintendent or the School Board. In filling extra-curricular vacancies, the principal shall strongly consider bargaining unit employees over non bargaining unit employees, and when selecting a bargaining unit employee, shall normally choose one assigned to the principal's building during the regular school day over one who is assigned elsewhere. Should the principal choose a non-bargaining unit employee for an extra-curricular position for which one or more bargaining employees have applied, the principal shall inform the bargaining unit employee(s) as to the reason(s) in writing.

### **1-9-1 End of Year Review**

Each head coach shall meet with his/her respective athletic director within four weeks of the end of the season. The coach will be notified at this meeting about whether he/she will retain this coaching position for the following school year. Normally a vacancy shall not occur merely because the coach has transferred to another building.

## MEMORANDUM OF UNDERSTANDING: Elementary Specialists

We agree to these policies for scheduling our Elementary Specialists including the following elements:

All Specialists' prep time shall be balanced within a grace period of three (3) days, during a two-week cycle, so that prep time for a two-week cycle will not be weighted within just two (2) of the ten (10) days. In addition, specialists working in two (2) or more buildings shall have equal amounts of provisional, student day prep time in each building, circumventing imbalance between two or more buildings or an inequitable absence of prep time for teachers in some buildings.

Art Specialists: Art specialist daily schedules will not include more than three (3) grade levels in any single day.

Art specialists assigned to two or more buildings will be considered full time with a maximum of forty-two (42) classes in a ten (10) day cycle.

Art specialists with four (4) or more inter-day travel to another school will be considered full time with a maximum of forty (40) classes in a ten day cycle.

If an Art teacher has their own classroom, they will have a sixty (60) minute class. If the Art teacher is on a cart, their class will be fifty (50) minutes in length (ten (10) minutes between classes for transition).

When scheduling music and physical education, there will be no more than five (5) thirty (30) minute classes in a row without a prep and/or lunch of at least thirty (30) minutes.

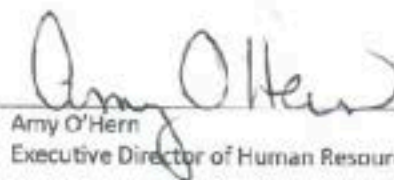

When scheduling physical education, music, and art, grade levels will be configured (to the extent possible) with similar grade levels in blocks to better accommodate and simplify setup needs for classes (e.g., Grades K-2 in the mornings and 3-5 in the afternoons or vice versa).

The Higher Learning Commission granted a waiver, allowing teachers until 2025 to attain the required credits.
