

SUMNER-BONNEY LAKE SCHOOL DISTRICT

2016 FINAL BOND REPORT

From the valley in Sumner to the hill in Bonney Lake, SBLSD's completed 2016 bond projects spanned district boundaries to deliver new, expanded and improved school facilities.

SBLSD completes 2016 bond projects

We're excited to share that the 2016 Sumner-Bonney Lake School District bond has officially concluded. This is a high-level overview of the projects that were undertaken from 2018 to 2023, after voters approved the bond measure in February 2016.

Bond projects touched every region of the district.

Investing \$145.6 million into infrastructure and meeting the 2016 bond goals that:

- Increased instructional space
- Accommodates full-day kindergarten
- Provides classrooms to lower elementary class sizes
- Expanded curriculum offerings
- Enhanced student safety and security
- Improved quality of student life

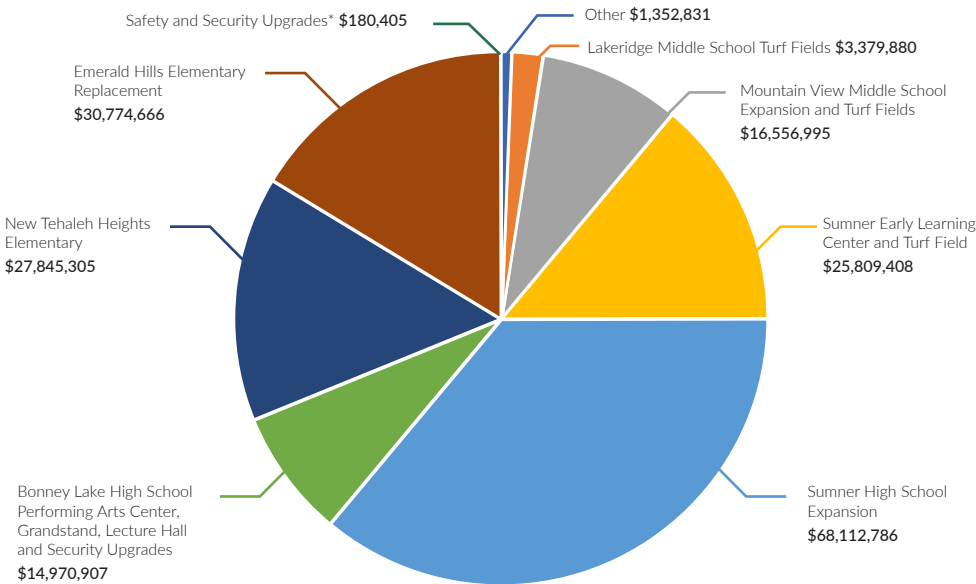

Enhanced safety, security and technology.

Projects were completed at Crestwood, Daffodil Valley, Donald Eismann and Liberty Ridge elementary schools, Mountain View Middle School and Bonney Lake High School. Varying by building, the collective enhancements include:

- Improved cameras
- Card access
- Video doorbell
- Security vestibules
- Security fence/gate

Bond Expenditure by Project as of April 2024

*Additional safety and security costs included in individual project totals.
