Rules of the Road for Overnight Travel

These guidelines are to be reviewed with students and parents prior to any overnight travel. Campuses and organizations may impose additional guidelines, as appropriate to the trip. The Rules of the Road will need to be signed and returned to the organization prior to traveling.

1. No male may be inside a female's hotel room at any time for any reason. No female may be inside a male's hotel room at any time for any reason. Students may not switch their assigned hotel room without prior approval of the trip sponsor. If caught, consequences may be assigned depending on the situation, up to and including immediate removal from the trip and being returned home at parents' expense.
2. Once "Curfew" is declared, every student must be in his/her assigned hotel room with the door closed. If there is a perceived emergency during the night, other than a fire evacuation, the student must call his/her sponsor and follow the sponsor's directions. A district employee must be notified immediately.
3. Sponsors will establish a meeting location for students, in the event of a fire alarm at the hotel. Sponsors will assure that all students have evacuated appropriately and will then meet the students at the prearranged location and confirm all are present.
4. All students must participate in all activities set forth by sponsors. No student may deviate from the itinerary; all students must be on time for all scheduled meetings, events, and activities. All decisions about the trip will be made by sponsors. Students must be in groups of at least 3 or 4 at all times. Students who do not remain with the group or who are not in the correct areas, as reflected on the itinerary, including in their hotel room after lights out, will receive consequences on the trip and may be sent home at the expense of the parent/s.
5. Any student caught shoplifting or breaking the law; caught with any illegal item or substance, including but not limited to weapons, alcohol, drugs, or tobacco may be sent home at the expense of the parent/s and may be arrested, in accordance with the provisions of the law. Upon arrival at school, the student will face disciplinary consequences set forth by the campus administration and the Student Code of Conduct.
6. Students are to immediately notify their sponsor if they become aware that another student has violated a safety rule or Rule of the Road. Failure to do so may result in disciplinary consequences for the student who remained silent.
7. Students are to be on their best behavior at all times, as they are representing their campus and PflISD. All disciplinary issues will be handled by trip sponsor(s) only. Sponsors will report all serious infractions immediately to the appropriate campus and/or district administrator, per the campus' protocol. Severe disruptions may result in the student's removal from the trip and return home, at the parents' expense.
8. Students are to immediately notify their sponsor if they become aware that another student has violated a safety rule or Rule of the Road. Failure to do so may result in disciplinary consequences.
9. Disrespect will not be tolerated. Any disrespect toward chaperones, sponsors or others, including other schools, will result in disciplinary consequences on the trip as well as consequences upon arrival at school. Students are to be respectful of other hotel guests. There is to be no loud music, running in the halls, prank calling to other rooms, or disruptive behavior of any kind.
10. No one is to use the hotel room phone to make out-of-hotel phone calls. No movies and no room service may be

ordered. No items may be taken from the hotel, to include hotel towels, robes, remotes, pillows, linens and the like.

11. Everyone is to maintain a positive attitude at all times. If things run late, something goes wrong, etc. everyone is to deal with all situations calmly. Any negative attitudes may prevent the entire group from participating in scheduled events. No emotional outbursts from students, including arguments, will be tolerated.
12. Students must bring enough money for expenses, as set forth by sponsors and dress appropriately for each day's activities and weather.
13. Parents traveling as chaperones for the trip must be officially cleared as volunteers by PfISD prior to preapproval by campus administration. Parents not serving as chaperones may travel to the team/group/club's destination, but must do so on their own accord.
14. A parent or relative may not remove their student from assigned activities set forth by the sponsor. The group must travel as a group. If a parent insists on pulling their students away from the group, the parent forfeits their student's spot on the team/group and will assume all financial responsibility for their student from that point forward. This includes remaining lodging, meals, airfare/bus/transportation, etc.
15. Other than health or safety issues, parents may not address the trip sponsor with any concerns dealing with their child during the trip and must wait until return to school.
16. Parents may not share lodging with their own child or any student who is a member of the traveling group while on the trip.
