

Have questions about your growing family?

Get help, at no-cost, when you need it most.

What is Pacify?

Pacify is an app that lets you video chat with maternal and infant health experts within minutes, 24/7. No appointment necessary.

A membership includes unlimited calls with licensed professionals like lactation consultants and nurses, all from the convenience of your home!

Who uses Pacify?

Whether you just found out you're expecting or have questions about your baby's health, Pacify can help. Our specialists are here for you throughout the entire birth journey - from pregnancy to feeding your baby.

Why would I use Pacify?

Use Pacify if you have questions about:

- Breastfeeding and weaning
- Your baby's development
- Introducing solid foods
- Back-to-work plans
- Self-care
- And much more!

How do I start?

Get 24/7 access to experts in three easy steps:

1.

Access your membership in a few clicks.

2.

Download Pacify and create your account.

3.

Start talking with a Pacify expert right away!
