Why New Boundaries? - New Schools

On November 6, 2018 the Pflugerville Community voted to pass a bond which included the construction of three schools:

- Jessica Carpenter Elementary - scheduled to open August 2021
- Bohls Middle School - scheduled to open August 2021
- Elementary #23 - scheduled to open in 2022

Process: What we've done so far . . .

Guiding Principles

- *Transparent and Inclusive.* We will share information and gather input from various stakeholders.
- *Building Capacity.* Each school has a capacity, architectural capacity and functional capacity. We strive to utilize buildings to their architectural capacity while considering special programs.
- *Balance Demographic Diversity.* We strive to ensure diversity within our schools.
- *Plan for Growth.* We shall consider enrollment projections that are based on current enrollment trends provided by a variety of sources to include our demographer.
- *Maintain Neighborhoods.* We will strive to keep neighborhoods together, so students who are neighbors can attend the same school.
- *Minimize Family Movement.* We will strive to keep families in place when possible.
- *Transportation.* We will consider road patterns and travel time for buses and parents.
- *Geographic Features.* We will consider natural division points such as major traffic arteries, rivers/streams or other geographic features.
