It's Greek to Me

Ancient Rome sounds like an interesting place, doesn't it?
You must complete a lesson using a Greek Play of your choice. Watch out for deadly prophecies, hot relatives, hubris, fatal flaws, and most of all *Irony!*

Each component will count as a specific point value for a total of 100 possible points for a test grade. Up to five (5) bonus points are available for a possible grade of 105%! Please see the Rubric on the back of this page for project grade information.
