

WHS Athletic Policy at HS Campus Athletic Events:

ATHLETES MUST HAVE THEIR WOLF STICKER ON THEIR STUDENT ID IN ORDER TO GAIN ENTRY TO WHS ATHLETIC EVENTS.

Gate workers are not checking Skyward Schedules to confirm they are in Athletics.

In addition, **students must wait outside the facility until the gate opens 30 minutes prior to the game. They may not loiter in the PAC/Gym hallway.**

Note: Reminder to our student-athletes to be respectful and choose appropriate conduct at HS events. If you choose to be disrespectful or refusal to comply with the gate worker or school personal, then understand, just like a spectator, you will be removed from the event. If this occurs, the student-athletes name will be turned over to our athletic administration to deem if they are allowed the privilege of keeping their Wolfpack Athletic sticker to attend future WHS events for free. If the conduct is deemed serious, then the student could be banned from attending athletic events for the remainder of the calendar year.

Remember, as a student-athlete you are a leader and an ambassador who represents our campus. Choose to exhibit pride in representing our athletic programs; demonstrate integrity and show respect. *Participation in athletics is a privilege, not a right.*
