Wolfpack Athletics

Athletic Program Handbook Agreement

Statement: By signing this document you are stating that you have been shown where to access the Weiss athletic handbook for your specified sport. The head coach has covered the items of interest described within their handbook, in our required parent meeting; as well as stated the expectations and guidelines expected to be followed by both the parent, or guardian; and the student-athlete. All program expectations and policies in our program handbook, the Pfisd student-athlete handbook as well as our participant contracts; must be followed in order to be a participant in our athletic programs.

By signing this document you are stating that you are not only aware, but understand and agree to abide by the policies, operating procedures and expectations required of all participants both as a parent supporter or a student-athlete who has been selected to represent our program(s). *Athletic participation is a privilege, not a right in our school district*. Participation can be limited or restricted at any given time based upon the discretion of the head coach of the program and the athletic coordinator.

If a student-athlete is failing to meet our program athletic expectations, or any specific team, campus, Pfisd or UIL policies ; consequences are the following (in no particular order): Opportunities for improvement (*OFI's*), a behavior contract, tutorial logs, game suspension(s), possible removal from that particular sport, or removal from the entire athletic program for the duration of the school year.

All Pfisd and Weiss athletic operating procedures and policies extend to our student-athletes in our off-season programs as well (365 days), not only in-season participants. If this document is not signed and returned to the assigned coach, signed by all parties requested, then no participation in athletics will be granted. All medical document must be turned into our athletic trainers for evaluation. Each athlete is responsible to self-monitor their medical recommendations.
