**Pflugerville ISD Food Services Offers Free Summer Meals for Children**

(Pflugerville, TX –May 15, 2024) Pflugerville Independent School District and Aramark Food Services are proud to offer open community lunch to children this summer through the USDA summer meals program. Summer is an exciting time for children to enjoy playtime with friends, a week at camp, a family vacation, or time at the pool. However, for many children who receive free and reduced-price meals at school, summer can mean hunger. Just as learning doesn’t end when school lets out, neither does a child’s need for good nutrition.

This summer, Aramark Food Services will be providing free lunch meals to children at select Pflugerville ISD campuses. Any child under age 18 may come and eat and kids do not need to register (or be registered in a summer school program) or show proof of age, income, or residence to do so. Visitors are asked to sign in at each school’s front office or Extended Day Program check-in desk for security reasons.
