Re: Award of RFP#21-009CP – Energy Efficiency & Conservation Project
Pflugerville ISD has completed its evaluation of RFQ#21-009CP to provide Design Build Services related to its Energy Efficiency & Conservation Project. We appreciate the effort that went into each firm's response. However, Pflugerville ISD has decided it is in the districts' best interest to award contracts to two firms:

1. E-3 Integral Solutions
2. Schneider Electric

Since this is an RFQ process, Pflugerville ISD will now begin negotiations with these firms. **As always, please remember that PfISD will not be held accountable for merchandise or services provided without a valid purchase order number.**

If you have questions or concerns regarding the award of this contract, feel free to contact me at your convenience. Thank you for participating in Pflugerville ISD's procurement process.
