BACKGROUND INFORMATION

Proposition E of the 2022 Bond Package included \$3,000,000 to complete sound system upgrades at all high school performing art centers. The current proposal is intended to fill this need at Connally, Hendrickson, and Pflugerville High Schools. The District received a single response from Technology Providers, Inc. (TPI). Pricing for each site is provided below:

Connally High School	\$498,003.10
Pflugerville High School	\$511,741.45
Hendrickson High School	<u>\$502,277.81</u>

Total Project Price \$1,512,022.36

Although we always prefer to receive multiple bids, TPI has worked with the District on a number of occasions and comes highly recommended. Therefore, staff recommends awarding a contract to Technology Providers, Inc. to complete sound system upgrades as presented. The recommended contract includes \$100,000 in Owner's Contingency at each site to protect against any unforeseen issues that might arise during the project. Unspent funds will be returned to the 2022 Proposition E budget.
