

NORTHWEST SCIENCE FAIR

Dear Northwest Parents & Students,

The Northwest Science Fair is approaching quickly! The judging will take place on the morning of Tuesday, January 14, 2014. Projects will be on display and participants will be recognized at Northwest Science Night on Wednesday, January 15, 2014.

Third grade students are eligible to represent Northwest at the Austin Energy Regional Science Festival. If your project is selected as one of our school's best, you can present it at the AERSF on Saturday, February 22, 2014.

I want to participate in the Northwest Science Fair!

Student Name _____ Grade _____

Parent Signature _____ Teacher _____

Would you like to have the chance to participate in the Regional Festival?

- ☐ Please consider my project to represent our campus at the regional fair, held at the Palmer Events Center in Austin on Saturday, February 22, 2014 (project check in is at Palmer Events Center on Friday afternoon, February 21, 2014). I understand by checking this box, I am not automatically moving forward to the regional festival, but I agree to represent our campus should I be chosen.

Return this portion to your teacher by October 18th!
