- Earth/Space
- Life
- Physical
- Systems and Cycles
- Processes and Tools

Social Studies

- U.S. History
- Economics
- Geography
- Government
- Culture

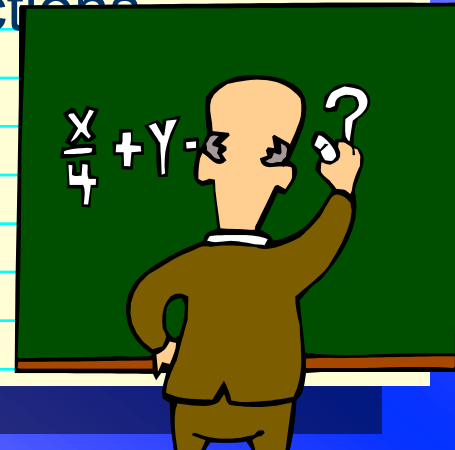

Language Arts

- Accelerated Reader – What can I do? Listen to your child read and ask questions.
- Writing – What can I do? Ask your child what he/she is writing about and share your ideas to improve his/her story.
- 1,000 Word Challenge- What can I do? Look @ your list and ask your child to give to spell, and write in a complete sentence 5 words. Check to see if your child understands the meaning.
- Wordly Wise – Vocabulary book used @ school.

Mathematics

- Problem Solving – Lone Star Daily Rigor and our Countdown to STAAR will provide support.
- Numerical Fluency – What can I do? Review your child's homework and check for understanding.
- Personal Finance – What can I do? Give “Real” World Examples by discussing your income. For example, you can share your paycheck stub with your child. Discuss how your paycheck changes from the Gross amount to Net with the various deductions. Provide examples

Homework

- Numerical Fluency - Daily
- Reading Logs – Daily – 30 minutes a night reading AR books.

*Incomplete homework will
result in a loss of recess*

Your Child's Progress
