

Free Youth Counseling Spring 2015

Texas State University | Round Rock Campus | 1555 University Blvd. | Round Rock, TX | 78665

Adolescent Counseling

Do you know a child or adolescent who would benefit from counseling? The Texas State University Professional Counseling Program is offering free counseling for youth at our Round Rock Counseling and Practicum Clinic (Avery Bldg., 1st floor) on Thursday nights this semester. We would like to help youth ages 10 to 18 years of age work through concerns in their life and learn ways to communicate and interact more effectively.

How Can We Make a Referral?

Complete an online referral at: <http://www.txstate.edu/clas/Professional-Counseling/counseling-services/coun-serv-form.html>. Limited slots are available!
