

Policy

DEDICATIONS AND MEMORIALS

The Chester Board of Education may name facilities in memorial of deceased individuals. The facility name shall be descriptive and/or significant to the schools and community. The board recognizes the importance for the entire community to participate in the facility naming process.

If the board intends to name a facility, the intention shall be announced at a public meeting. Members of the community shall be invited to make recommendations for the facility name. Recommendations shall be submitted in writing to the board secretary. After ample time as been allowed for recommendations, the president of the board of education shall direct, at his/her option, the buildings and grounds committee, or an ad-hoc committee, to review the recommendations.

After considering community recommendations, the committee shall recommend a name to the full board for approval.
