Spartans!

Welcome Back, Spartans!

As we prepare to start the 2024-2025 school year, I'd like to take the time to welcome all new and returning Spartans to Lakeview Leadership Academy. I am honored to enter my fourth year as Principal at LLA and look forward to continuing my goal of moving Lakeview from “Good to Great.” Assistant Principals, Dr. Jason Olmstead, and Dr. Deidra Edwards will also return to Lakeview. We are all excited about the upcoming school year and look forward to working toward the success of each student at Lakeview Leadership Academy. In an effort to strengthen connections, and build positive relationships with our students/staff we will continue our commitment to our mantra, **“By Face, By Name and By Story.”**

I hope to build a school community that engages students and prepares each student to be college and/or career-ready in the ever-changing 21<sup>st</sup> Century. Our administrative team will be joined by a few new teachers, a new counselor, several new instructional assistants, and a board-certified behavior analyst (BCBA). We will continue our schoolwide culture that supports, AVID (Advancement Via Individual Determination), PBIS- (Positive Behavior), and literacy. We will launch our Response to Intervention program to support students academically in math and English. All administrators will continue their open-door policy; we are here to support each family and strongly encourage open communication. **\*\*Please do not hesitate to contact us with any questions or concerns; we are here to support and serve.\*\***
