Dear Dr. Demirhan,

Our IT department ran an inclusive search using the terms in your latest request. Again, this search resulted in 535 emails. *Please note that the district is not able to easily identify how many of these messages may be mass-distribution emails without a thorough review.*

In accordance with S.C. Code Ann. 30-4-30(B), the BCSD estimates search, retrieval, and redaction, if necessary, of documents to respond to your request will require approximately 9 hours, for an estimated cost of $237.06. Costs may increase or decrease. A 25% deposit of the total reasonably anticipated cost is required before work will begin on your request. Please make all checks out to the Beaufort County School District and send to the district's Communication Officer, Candace Bruder's attention.

Hi Candace,

Apologies for the delayed response. In this version of our request we asked for "All written communications **to and from** the aforementioned school board members or Superintendent that include any of the following phrases:
'Moms for Libraries'
'Sex ed' or 'sex education'
Porn" or "pornography'
'Pray" or "prayer'"

and not "between" the school members and superintendent. That's why I wanted to clarify. I am happy to send that check, but likely the cost will be higher with the "to and from" search parameters. Thanks so much for making sure that is right,

All the best,
Ansev

> In following up with our IT department with regards to your follow-up question, it has been clarified that there are two messages "between" the individuals noted in your request that have the word "pray". The first message was already provided in response to your December 5, 2023 FOIA request. The second message contains information of a personal nature where the public disclosure would constitute an unreasonable invasion of personal privacy is in compliance with the South Carolina Freedom of Information Act (FOIA) SECTION 30-4-40(a)(2).

Hope this provides the clarification you needed. Please don't hesitate to reach out if you have additional questions.

Regards,
Candace

Dear Dr. Bruder,

Thank you for your response!

I just want to confirm that the search that you conducted and found no results for was not "the written communications between Elizabeth Hey, Victor Ney and Dr. Frank Rodriguez that included the phrases provided in your request" but rather "All written communications **to and from** the aforementioned school board members or Superintendent that include any of the following phrases."

Once you confirm, I would be happy to send the full amount of the cost estimate.

All the best,

This search yielded zero messages.

sent or received, all draft records, briefing books, memos, notes, minutes, scheduling records (including calendars, appointments, and invitations), text messages, other correspondence (internal and external) by mail, delivered in person or sent electronically, and all other records.

The search for records is limited to those sent, received, and created between January 2022 and the date of your final response.

Please note that this request includes all emails sent and received on official state email accounts, as well as personal accounts if used to communicate about public policy. This request also includes any and all records available through a web hyperlink, including otherwise public records that are password protected.

This request excludes the mailing of mass-distribution emails, except subsequent communications forwarding such emails are responsive to this request. For example, if an official received a mass-distribution news clip email from Moms for America, that email would not be responsive to this request. However, if the school board member or Superintendent forwarded that email to another individual with their own commentary, that subsequent message would be responsive to this request and should be produced.

Please also exclude any publicly released school or district newsletters. Also exclude any duplicative messages.

I am making this request on behalf of True North Research, a media requestor. The records provided in response to this request will be made available to the general public and the disclosure of the materials would be in the public interest, benefiting public understanding of the workings of governments. As such, a waiver of any fees is requested.

In the event of fees, please inform me of the total amount before fulfilling my request. I request that these records be provided in electronic form and in their native format.

If you choose to deny any part of this request,

please provide a written explanation for the denial including a reference to the specific statutory exemption(s) claimed. Additionally, since a request for records has been initiated and True North plans to enforce its rights under the law, the requested records and related records should be preserved.

Thank you for your time. Please acknowledge receipt of this message.

Sincerely,
Dr. Ansev Demirhan
