ADDENDUM #2 FOR RFQ/P No. 2324-Bonds14

Construction Management Services

Below are responses to questions presented by the designated deadline of Tuesday, July 9, 2024.

Q & A

Q: My firm is interested in providing a proposal for CM Services for this RFQ/P, but would like to know if K-14 project experience would be acceptable. The majority of our recent bond projects would fall into this category, subject to DSA oversight and funded with local bond measures.

A: *Yes, that would be acceptable, but keep in mind ARUSD is a K-8 District and your experience must reflect that. The RFQ/P specifically requested K-12 project experience.*

Q: Will you consider resumes as part of the Appendix and not included in the total page count?

A: *No, resumes need to be part of the 20-page SOQ count.*

Q: Will resumes be counted towards the 20-page limit?

A: *Yes.*

Q: What information may be included in the appendices?

A: *Any additional information your firm feels would be important and in support of your proposal.*

Q: Which tab should include the appendices, or should this be a separate tab?

A: *The District leaves that to your discretion.*
