

Lifetime Pursuits - Unit 3 - Mindfulness Through Movement

Unit Focus

Students will be taught how to bring their full attention to the present moment to experience the “here and now” while experiencing stress reduction through a variety of low-intensity activities including but not limited to hiking, walking, meditative practices like Tai Chi, and stress-relieving recreational activities like bowling. Students will learn breathing techniques to promote relaxation and a sense of well-being.

Stage 1: Desired Results - Key Understandings

Standard(s)	Transfer
