1 Peter 4:10-11 "God has given each of you a gift from his great variety of spiritual gifts. Use them well to serve one another."

Dear Parents,

It was amazing to have so many parents in school this morning for our final express event of the year. I'm sure you will agree that it has been a jam packed year of learning and opportunities. We look forward to the year 4 leavers fair, assembly and other celebrations next week.

Wishing you a lovely weekend, Emma Stanford-Smith (Headteacher)

LEARNING SNAPSHOT

Year 1 have been learning to tell the time on analogue clocks! They have enjoyed learning about half past and o'clock! They have also been working really hard on their class assembly this week and did a lovely job learning and reading their lines! We are so impressed!

Ask Me: What do the hands on the clock mean?

Year 2 enjoyed their day in Year 3 on Monday and painted beautiful self-portraits with their new teachers. They have shared their home-learning about Coastlines. There was also much excitement in the class this afternoon as the first butterfly hatched from its cocoon.

Ask Me: What did you enjoy about your new classroom?

Year 3 went to Kew Gardens yesterday, via public transport. The children were absolutely amazing, representing the best of behaviours of Eton Porny! Travelling via trains, we had a great time looking after each other and playing games whilst looking at the changing landscapes from Windsor to Kew. We had a great time taking part in an Artistic education session, from picking different colours visible in the garden to drawing with oil pastels and making patterns using botanical plants on the grounds.

Ask Me: what was your favourite part at Kew Gardens? Was it the train journey, the greenhouses or the education session?

Year 4 started their week with a day in reception. They loved returning to where many of their school journeys began: playing with water and sand as well as enjoying time with their friends. Later in the week the children took part in a 'Maths Morning' with Nathan Crook. Nathan Crook is one of the top maths consultants in the UK. Year 4 worked on place value to thousandths and fractions. He was very impressed with their Maths knowledge. This week all of the art projects have been completed and various clay tiles and statues have been sent home.

Ask Me: Name some equivalent fractions to $\frac{1}{2}$.

Reception have been continuing our maths learning all about subitising, recognising quantities without having to count. So far we have been practising subitising using dot patterns and die frames, but this week we have introduced a rekenrek, which supports children with their subitising skills as they explore the structure of small numbers. The children have enjoyed using language like 'reds and the ready' and 'one push' as they begin to get used to pushing all the beads just once. The children will continue to use the rekenrek and similar language to support their subitising when they move into Year 1.

Ask Me: how do you use a rekenrek?

Achievements

This week in assembly we celebrated all the amazing achievements the children have made outside of school. There was a wide range of amazing things the children had managed to achieve, whether it was winning a football match or gaining a new belt in Karate. We are so proud of all our talented Pupils. Well Done!

STREET TAG

The final 'school' week of street tag is approaching BUT the competition will run until the 6th August. We are currently second on the leaderboard, although the school in first place cannot win as they only have 2 players on their team compared to our amazing team of 81 players. We continue to celebrate the street tag families in celebration assembly. Keep going, we are over half way and doing incredibly well.

Mrs Dewar.

WE NEED YOUR HELP

Starting the first week in July our School is going to be one of the organisations receiving the blue tokens in Tesco. This will run until September.

The Project that wins will receive up to £1500 to go towards their chosen project

If we are one of the lucky winners the money will go towards swimming lessons for the children as we believe it is such an important life skill for children living in and around Windsor.

We really need your help with collecting as many Tokens as we can.

To vote, you will need to make a purchase within store of any value. You will receive one token per transaction and it's not necessary to purchase a carrier bag in order to receive a token. With the self service tills you can help yourself to tokens but if you use a manned check out you may need to ask for the tokens. You then need to pop your Token in the Eton Porny Collection point. You can vote as many times as you want up until the end of September.

Please Encourage Friends and Family to join in whenever they shop at Tesco.

Here is a list of the stores where you will be able to vote:

- Windsor 3211 Slough Express SL3 7HR
- Windsor 2972 Langley Slough Express SL3 8BB
- Windsor 6092 Datchet Express SL3 9HW
- Windsor 4460 Windsor Peascod Street SL4 1EA
