

Forest Lake Area High School Frequently Asked Questions

Supply List: At the high school, the supplies list tends to be just the basics. If a class requires specific supplies, that will be communicated by the teacher.

Students will need:

- a device with a keyboard (more info [HERE](#))
- graphing calculator (TI-84 or higher)
- notebooks/folders
- pencils/pens

FLAHS asks that all students have a device, preferably a Chromebook. Students may check out a Chromebook from the high school tech office in room 103. A [Chromebook Loan Agreement](#) will need to be completed in order to sign out a Chromebook.

When I open ParentVUE, what does OLR-Student Enrollment/Verification mean?

Going into each new school year, we request that you review and verify that the mailing address, phone numbers, and emergency contact information within your child's account is correct. Once you have completed this step once, it will continue to appear but you do not need to complete this step more than once.

My StudentVue/ParentVue account says it's disabled! What should I do?

It is likely you made several unsuccessful attempts at your login and were locked out of your account. Contact Abby Haworth in [Student Services](#) and she'll help reset your password.

How do I see my class schedule?

You can view class schedules in [ParentVue/StudentVue](#) by clicking on **Student Schedule**. You are welcome to come into the building between 7am-3pm Monday through Friday and walk the building and familiarize yourself with your schedule.

What lunch do I have?

Lunch schedules are not posted in StudentVue/ParentVue when class schedules are posted. Instead, that information is shared with students during class on the first day of school.

Do I need my lunch PIN since lunches are free this year?

Yes. You will still use your lunch PIN through the lunch line, even though your first lunch is free. If you decide you want a second lunch or concessions, they will be at a cost. Lunch accounts are funded through [paypams](#). You can find a lunch PIN in StudentVue/ParentVue under Student Info > Miscellaneous Information. If you're on a cell phone, scroll to the bottom of the Student Info screen and click on Additional Information in the bottom right corner of the screen.

How do I find my school email password?

Email passwords can be found in StudentVue/ParentVue under Student Info > Miscellaneous Information. If you're on a cell phone, scroll to the bottom of the Student Info screen and click on Additional Information in the bottom right corner of the screen.

When do I get my Student ID card?

Student ID cards will be distributed to students following Fall picture day, which is on Tuesday, September 12th.

How do I check my current grades?

Through Canvas! Canvas is a program that allows teachers to organize and deliver learning materials to students. Canvas allows for parents and guardians to actively monitor their student's progress and performance in each classroom. Students need to link their parents to their account using a pairing code. [Click here to set up an account](#).

Where can I see my GPA?

GPA's are viewable at the bottom of a student's report card, as well as on a transcript. Students can request their transcript through Parchment, or under **Documents** in their [StudentVue/ParentVue](#)

How do I see my Report Card?

Report Cards can be found in [ParentVue/StudentVue](#) under **Documents**

How do I get my transcript?

Students may request transcripts through Parchment. There is a link on the [website](#) > Log In > [Parchment \(Order Transcripts\)](#). Through Parchment, transcripts may be released directly to a designated college or a personal email address.

Driving to school?

Parking Permits are \$260 for the school year and available to purchase now through [Activity Reg-Payments](#). PSEO students will not receive a discounted rate for the 2024/25 school year. They will be available to pick up from the Attendance Office, located inside Door 32 on the south side of the school, after August 21st.

Interested in sports/activities?

Visit our [Activities page](#) for more information and to register. Many of the sports pages have information posted prior to the season starting (pre-season opportunities, tryout dates, etc).

Does everyone get a locker?

Lockers are not assigned to all students. Instead, lockers are available upon request at the Student Services desk in the Administrative Office. If a student hasn't used a locker in the past, we recommend going the first week of school without a locker to help them decide if they feel one is necessary. *Students needing a sports locker should communicate with their coach, as these are not assigned by Student Services.*

Can I have my cell phone in school?

Students may not have their cell phones, airpods, etc. out during instruction time in the classroom. They may use them during passing time and lunches. Any dismissal from class or school needs to come through the [Attendance Office](#). If you are feeling ill, please go to the Health Office, who can contact parents and release you to leave. If your child texts you that they are not feeling well, encourage them to go to the Health Office, or call the Attendance Line at 651-982-8414 to excuse them.

I need to pick up my child early from school. Where do I pick them up?

If the early dismissal is pre-arranged (called into the Attendance Office or a student brings a note), you do not need to come into school to sign them out. Instead, coordinate with your child on whether you'll pick them up from Door 32 (south side of building) or Door 1 (north side of building). Keep in mind that buses pull into the bus lane at Door 1 by 2:15pm.

My parent texted me that they're picking me up now. Can I just leave class?

Students are released from class with a pass that is delivered to the classroom by the Attendance Office. Any early releases should be called into the Attendance Office:

Attendance Office: 651-982-8414
