- As of June 21, the actual Kindergarten registration is 71 students (previously 70). Enrollment is trending to **82** students. If this materializes, section sizes would be 21, 21, 20, 20. We are watching this closely.
- In 2nd grade, we have three pending registration packets, which exceeds our assumed cohort change of two students. If the three register, we will have two sections over guidelines.
- In 6th grade, we have been informed of two intended withdrawals, and we have two registration packet pending. If the two students withdraw and two students register, we will have all sections at guidelines.
