Equal Access by Students to School Facilities

I. Purpose

This policy acknowledges and affirms compliance with the school district's obligations under the Equal Access Act, which requires the granting of equal access to secondary school facilities for students who wish to conduct a meeting for religious, political, or philosophical purposes during non-instructional time.

II. General Statement of Policy

- A. The school district will not deny equal access or a fair opportunity to, or discriminate against, students who wish to conduct a meeting, on the basis of the religious, political, philosophical, or other content of the speech at such meetings.
- B. The school board has created a limited open forum for students enrolled in secondary schools during which non-curriculum-related student groups have equal access and a fair opportunity to conduct meetings during non-instructional time.
- C. Student use of a facility must comply with the procedures set forth in Appendix I, including submission of the application form in Appendix II.
- D. Student use of facilities under this policy does not imply district sponsorship, approval, or advocacy of the content of the expression at such meetings.
- E. The district retains its authority to maintain order and discipline on its premises, to protect the well-being of students and employees, and to assure that attendance of students at meetings is voluntary.
- F. In adopting and implementing this equal access policy, the district will not:
 1. Influence the form or content of prayer or other religious activity.
 2. Require a person to participate in prayer or other religious activity.
 3. Expend public funds beyond the incidental cost of providing the space for student-initiated meetings.

4. Compel a district agent or employee to attend a district meeting if the content of the speech at the meeting is contrary to the beliefs of the agent or employee.
5. Sanction meetings that are otherwise unlawful.
6. Limit the rights of groups of students based on the size of the group.
7. Abridge the constitutional rights of any person.

III. Definitions

For purposes of this policy, the definitions included in this section apply.

- A. "Limited open forum" means the school district grants an offering to or opportunity for one or more non-curriculum-related student groups to meet on district premises during non-instructional time.
- B. "Secondary school" means district facilities with enrollment of students ordinarily in grades 6 through 12, or any portion thereof.
- C. "Sponsorship" includes the act of promoting, leading, or participating in a meeting. The assignment of a district employee for custodial, observation, or maintenance of order and discipline purposes does not constitute sponsorship of the meeting.
- D. "Meeting" includes activities of student groups that are permitted under a limited open forum and are not directly related to district curriculum. Distribution of literature does not constitute a meeting protected by the Equal Access Act.
- E. "Non-instructional time" means time set aside by the school before actual classroom instruction begins or after actual classroom instruction ends, including such other periods that occur during the school day when no classroom instruction takes place.

IV. Fair Opportunity Criteria

The school district will uniformly provide that:

- A. A meeting held pursuant to this policy is voluntary and student-initiated.
- B. There is no sponsorship of the meeting by the district, its agents, or employees.
- C. District employees or agents are present at religious meetings only in a non-participatory capacity.

- D. The meeting does not materially and substantially interfere with the orderly conduct of educational activities within the district.
- E. Non-district persons may not direct, control, or regularly attend activities of student groups.
