Notes:

1. Approved calendars must have 185 days or 1,025 hours of instruction for students. This calendar has 174 student days.
2. Calendars must have 215 days for 10-month teachers/staff. The proposed calendar includes 174 student days, 20 workdays, 10 annual vacation days (required) and 11 holidays = 215 days
3. Required Staff Workdays: These days are **REQUIRED** and staff are expected to work in the building and/or attend required professional development or meetings onsite.
4. Optional Staff Workdays: These days are **OPTIONAL** for staff to complete professional activities. No district or school-level meetings are scheduled. Staff can work in their building, take approved annual or sick leave on these days, or request to work remotely - following BOE Policy 7503 guidelines.
5. June 19th is a holiday only for 10/11 month staff and July 4th is a holiday for 12 month staff. These holidays are not indicated on the above calendar as 10-month teachers/instructional staff are not scheduled to work these days based on their 215 day contract, therefore they are not shown to avoid confusion on the approved calendar for 10-month teachers/staff.

Inclement Weather Notes:

Student Makeup Time includes Remote Learning (RL): RL is an opportunity for students to make up instructional time missed at home due to school closures from inclement weather or emergencies. Extended learning packets or lessons will be completed by students following missed days and will be announced as asynchronous or synchronous learning days. K-2 students will not be expected to use technology at home on inclement weather days. Students in grades 3-12 who are not able to complete assignments due to power or internet outages will be given opportunities to make up the missed work assignments.

Note: RL is authorized per NC State Law and the inclement weather plan may be adjusted pending any legislative changes. Banked time applies to student instructional hours only, and staff must work remotely or onsite when weather permits on inclement days to meet their 215 day contract per NC State Law.
