Why are we here?

The *Elementary and Secondary Education Act (ESEA)* requires that each Title I School hold an Annual Meeting for Title I parents for the purpose of...

- Informing you of your school's participation in Title I
- Explaining the requirements of Title I
- Explaining your rights as parents to be involved

Meeting Agenda

- What does it mean to be a Title I school?
- How are funds allotted?
- What is OCS Parent/Family Engagement Policy?
- What is the School Compact, SIP/Indistar, TSI/CSI?
- How to request the qualifications of your child's teacher(s)
- How can I be involved at my child's school?
- Questions

What does it mean to be a Title I school?

Title I funds are used to supplement the instructional program at the school. The federal “supplement not supplant” provision requires that federal funds be used to enhance the regular educational program. They must not be used to substitute funds or services that would otherwise be provided with other (non-federal) funds.

How are funds allotted?

Funds utilized to:

- Supplement school's existing programs
- Tutors
- Fund professional learning or planning time
- Instructional programming
- Additional supplemental instructional resources
- Conducting Parental Involvement meetings/trainings/activities
- Recruiting/Hiring/Retaining Highly Qualified Teachers
- Additional support staff funded

All must be aligned to the school's School Improvement Plan.

What is the OCS Parent and Family Engagement Policy?

- This plan addresses how the district will implement the family engagement requirements of the *Elementary and Secondary Education Act*. It includes...
 - The district's expectations for parents
 - How the district will involve parents in decision-making
 - How the district will work to build the schools' and parents' capacities in the implementation of effective parent and family engagement activities to improve student academic achievement
- Title I parents and families have the right to be involved in the development of their school's parent and family engagement policy.

What is the School Compact?

- The compact is a commitment from the school, the parent, and the student, to share in the responsibility for improved academic achievement.
- School Compacts were sent home last week. Please make sure to send the signed form by the end of the week.

What is the SIP/Indistar?

- The SIP is your School Improvement Plan and includes:
 - Goals and Strategies to Address Academic Needs of Students
 - Professional Development Needs
 - Coordination of Resources
 - The School's Parent and Family Engagement Plan
- Title I parents have a right to be involved in the development of this plan

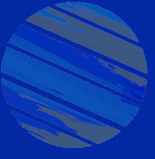

What is TSI/CSI School Methodology?

Targeted Support and Improvement (TSI)

North Carolina must identify schools for targeted support and improvement as defined in the ESSA (Every Student Succeeds Act) state plan. These schools receive support at the local level for underperforming subgroups. There are two categories of identification:

- A) TSI- Consistently Underperforming Subgroups (TSI-CU) and
- B) TSI – Additional Targeted Support (TSI-AT)

All schools, except those already identified as CSI-LP, regardless of Title I status are eligible for the TSI-CU identification. Schools are identified as TSI-CU when one or more of the same subgroup receives a grade of “F” on the NC statewide system of annual meaningful differentiation (School Performance Grades) for the most recent and the previous two (2) years.

How do I request the qualifications of my child's teachers?

- Title I parents and families have the right to request the qualifications of their child's teachers.
- How are you notified of this right and what is the process for making a request?
 - Right To Know Letters were sent the week of Oct. 4th and will also be linked to school websites and parents/families can request this information which should be completed within 30 days of the request.

How can I be involved at my child's school?

- Curriculum Nights
- Parent Teacher Organizations
- Volunteering in the School
- Participate in School/District Feedback and Input Sessions
- Check in with students daily about school activities
- Advocate for your child's needs
- Attend Parent/Teacher Conferences

Here is what we are doing:

FOCUS ON:

- Instructional Core
 - teach grade-level & rigorous content;
 - ensure teachers teach standards-based objectives for mastery;
 - ensure cultural relevance so students can access and engage in the learning.
- MTSS
 - Tiered interventions based on students' needs determined by data analysis

Here is what we are doing:

FOCUS ON:

- Students' Social and Emotional Learning
 - Teach students the knowledge, skills, and attitudes to develop healthy identities, manage emotions and achieve personal and collective goals, feel and show empathy for others, establish and maintain supportive relationships, and make responsible and caring decisions.
- Equity
 - Provide resources and strategies based on the needs
