**PURPOSE:** The purpose of this agenda item is to inform board members of Board of County Commissioner action related to the Board of Education's offer to purchase the Old 911 Center at 1914 New Hope Church Road.

**BACKGROUND:** During their August 23, 2011 meeting, the Orange County Board of County Commissioners (BOCC) took action related to the Old 911 Center located at 1914 New Hope Church Road. Specifically, the BOCC approved a twenty (20) year lease to the Orange County Board of Education at a cost of \$1.00 (one) dollar per year. At the time of packet preparation, the lease agreement was not yet complete.

In the spring of 2011, the Board of Education offered to buy the building for \$100,000 by using \$25,000 per year of the local capital appropriation. The building would be used to house district administrative personnel who are currently placed in various school sites. The site is directly adjacent to New Hope Elementary School.

**FINANCIAL IMPACT:** The financial impact is \$1.00 (one) per year for 20 years. School system staff has requested information related to utility costs associated with the building.

**RECOMMENDATION:** The Superintendent recommends the Board of Education receive this report for information purposes.
