

ORANGE COUNTY
BOARD OF EDUCATION

AGENDA ITEM ABSTRACT

Meeting Date: March 19, 2012

AGENDA ITEM No. 12-03-(2)-08

ACTION ITEM: (Y/N) Y

SUBJECT: Request for Matching Funds

INFO. CONTACT Patrick Rhodes

PHONE: 919-732-8126

ATTACHMENTS:

1. Matching Funds-Parent Teacher Organization/Booster Groups Policy #8430.
2. Request from Efland-Cheeks Elementary School.
3. Request from Cameron Park Elementary School.
4. Request from SEPTA (Special Education Parent/Teacher Association).
5. Request from Orange High School.

PURPOSE: To secure approval from the Board of Education for a \$1,000.00 each matching funds request for: Efland-Cheeks, Cameron Park, SEPTA and Orange High School.

BACKGROUND: To encourage the participation and efforts of organized booster and parent-teacher groups in support of the schools, the Orange County Board of Education has established and operates a matching funds program. Each fiscal year, one group per school may request a one-time matching grant of up to \$1,000.00 on a dollar-for-dollar basis to match an amount of money generated by the group for the benefit of the school. To qualify for matching funds, the applicant group must agree to spend the total amount (both matching grant and collected funds) on a project that benefits a large school group and has a lasting value to the students.

Following Board approval, in order for matching funds to be disbursed, school principals submit a Request for Reimbursement Form, with required documentation of expenditures, to the Director of Finance for processing.

FINANCIAL IMPACT: \$4,000.00.

RECOMMENDATION: The Superintendent recommends the Board of Education approve the request for matching funds for an appropriation of \$1,000.00 each for Efland-Cheeks, Cameron Park, SEPTA and Orange High School.

**MATCHING FUNDS-PARENT
TEACHER ORGANIZATION/
BOOSTER GROUPS**

Date Reviewed/Approved: 02/05/07

Policy Number: 8430

Rescinds Policy Number: LEBA, LEBA

Issued: 10/06/80, 2/03/1992, 04/19/2004

To encourage the participation and efforts of organized booster and parent-teacher groups in support of the schools, the Orange County Board of Education has established and operates a matching fund program. Each fiscal year, one group per school may request a one-time matching grant of up to \$1000 per year on a dollar for dollar basis to match an amount of money generated by the group of the benefit of the school. School principals with more than one eligible group will establish rotating schedules for all groups which may allow one or more requests per year; however, the amount per school will be limited to \$1000 per year.

Booster groups that represent more than one school are also eligible for this annual matching grant, provided the project benefits all schools represented by the multi-school booster group. Such groups shall submit matching grant requests directly to the superintendent for funds separated and apart from those made available to the individual schools. Matching funds for multi-school booster groups shall also be limited to \$1000 per year.

To qualify for matching funds, the applicant group must agree to spend the total amount (both matching grant and collect funds) on a project that benefits a wide school group population and has a lasting value to the students.

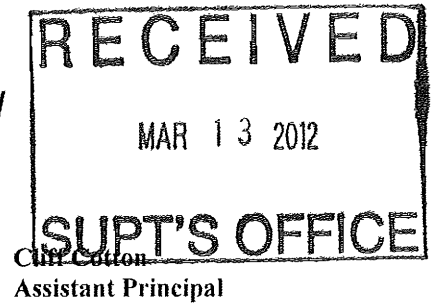

Each request must be submitted to the superintendent for his/her recommendation to the school board for its action prior to any expenditure. The request must include a list of the item(s) to be purchased, the total cost of the item or project, and a short description of the benefits to the schools. All requests for matching funds should be submitted as early in the school year as possible so that students can receive the full benefit of the project in the year funded. Requests will not be accepted after March 15 and projects must be completed in the same fiscal year unless you are granted administrative approval to exceed the standard completion date.

Principal

March 7, 2012

Dear Mr. Rhodes:

As we assess the need for resources to support student achievement at Efland-Cheeks Elementary a primary concern has been the collection of books in our leveled book room. Once I became aware of the matching grants program supported by our School Board I immediately contacted our PTA President so we could work together in developing a plan to incrementally update the leveled book selection at Efland-Cheeks.

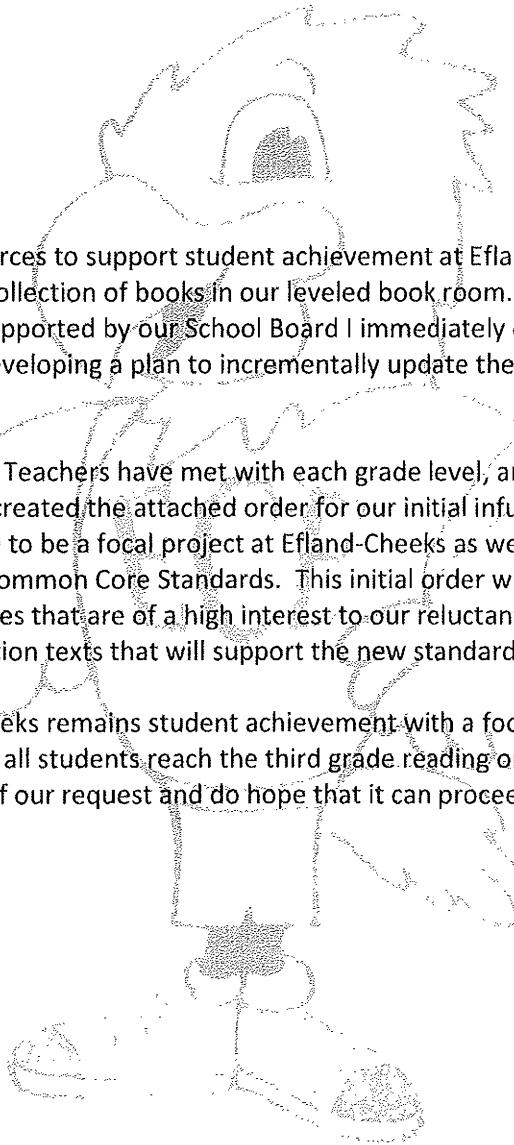

Our Literacy Coach and Reading Teachers have met with each grade level, and working within the new Common Core Standards, they created the attached order for our initial infusion of new titles. Our leveled book room will continue to be a focal project at Efland-Cheeks as we address the needs of our students and transition to the Common Core Standards. This initial order will help us to infuse new life into our book room and gain titles that are of a high interest to our reluctant readers. In addition, we are seeking to purchase non-fiction texts that will support the new standards.

Our primary focus at Efland-Cheeks remains student achievement with a focus on the College and Career Readiness goal of having all students reach the third grade reading on grade level. We appreciate your consideration of our request and do hope that it can proceed to the OCS Board for final approval.

Sincerely,

A handwritten signature in black ink, appearing to read "Crystal Scillitani".

Crystal Scillitani, Principal

2011-2012 Orange County Matching Grant Application

March 7, 2012

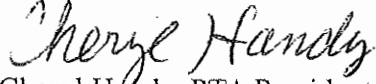

To Superintendent Rhodes,

Our Philosophy here at Efland-Cheeks Elementary centers around everyone giving "the extra degree". This Philosophy states that at 211 degrees, water is hot enough to sterilize or even make a pot of coffee but at 212 degrees, water begins to boil and can produce enough energy to steam a locomotive! We strive to achieve 212 degrees in all that we undertake at ECE so that our "Efland-Cheeks Eagles" can power ahead with steam and soar above any obstacles that come our way. Our staff, parent volunteers and community partners are boiling over with excitement as we endeavor to lift our students up to achieve their goals and dreams. One challenge within our school is raising funds to improve our Leveled Book Collection. Should we qualify for the Orange County Matching Grant, we plan to use the funds to expand our Leveled Book Program here at Efland Cheeks. After evaluating our Leveled Book Room and Classroom Libraries, our Principal, Mrs. Crystal Scillitani, has brought it to the PTA's attention that the existing book collections are limited and dated.

Our desire is to offer maximum support to our principal and students by providing students with inspiring, interesting material that will enable them to achieve the maximum 212 degrees of learning. In an effort to support our principal and Efland-Cheeks Eagle students, the PTA has proactively organized a Read-A-Thon from February 20-March 2 that raised \$1022.88. Our 212 degree goal is to use the funds raised to expand and the County's Matching Grant funds towards the Leveled Book Collection, resulting in a maximum improvement for our school. These funds will be greatly treasured and stretched far to reach Efland-Cheeks students for years to come. Imagine the possibilities we can achieve together once we reach 212 degrees!

Through various fundraisers, our PTA has secured the one thousand dollars to meet the minimum requirement for a matching grant. We await the Board's decision so we can expand our support of literacy, cultural arts and achieving 212 degrees here at Efland -Cheeks Elementary. Thank you for your time and consideration.

Respectfully Submitted,

Cheryl Handy, PTA President

CC: Becky Barnett, Vice President

MEMORANDUM:

TO: Board of Education
Orange County Schools

Patrick Rhodes
Superintendent OCS

FROM: Dr. Julie Vandiver
Principal

REFERENCE: Matching Funds Request

During the 2011-2012 school year, the Parent Teacher Governance Organization (PTGO) at Cameron Park conducted a fall fundraiser which was a school-wide Read-a-Thon. Some of the profits from the fundraiser were used to purchase books for each grade level to be used in the classrooms. The actual cost of the books purchased for all grades levels K-5 totaled \$18,000. Attached you will find a receipt detailing the amount of \$5,110.81 that we spent with one of the book vendors, Sundance/Newbridge. We are requesting matching funds in the amount of \$1,000 from the Board of Education. The books for the classroom libraries will be used to benefit our students by providing them with more opportunities to increase reading interest and levels. If you need additional information, please let me know. Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in cursive that reads "Dr. Julie Vandiver".

Pam Scism- SEPTA
P.O. Box 1035
Hillsborough, NC 27278

Mr. Patrick Rhodes, Superintendent, OCS
Mrs. Donna Coffey, Board of Education, OCS
200 East King Street
Hillsborough, NC

Mr. Rhodes and Mrs. Coffey,

Orange County Schools District Special Education PTA (SEPTA) raised funds from the educational walk and zumbathon to purchase IPADS for the speech teachers in our district. These IPADS will be used for all the students that receive special services in the district.

We have designated \$1,500.00 for this and would like to request the matching \$1,000.00 to purchase the remaining ipads and accessories. I have spoken to Milinda Martina and Angie Veitch about this wonderful opportunity and they support this opportunity. The IPADS will become property of OC Schools EC Department and will be supported by the schools.

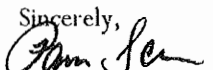

We would like to purchase the following items:

6 iPADS - \$500.00 each - Help children with speech and communication. All grades will benefit from the iPad. The iPad has several uses in the classroom, and has been praised as a valuable tool. Soon after the iPad was released, it was reported that 81% of the top book apps were for children. The iPad has also been called a revolutionary tool to help children with autism learn how to communicate and socialize more easily.

6 IPAD2 Protectors -\$50.00 each

Additional applications -\$50-\$300

These items would be available and benefit over 1,000 students in our district. We thank you and appreciate your review and approval of our request.

Sincerely,

Pam Scism- SEPTA
Vice President

Re: Matching Funds Grant

As principal of Orange High School, I am writing this letter in support of the Match Grant proposal submitted by the Parent Teachers Student Organization (PTSO). The proposal focuses on improving the outer walk area between the main building and the student lot. The proposal involves adding a sidewalk to the area mentioned; allowing parents, students, staff, and community members to travel in the area without being inundated with dirt and mud during inclement weather.

This proposed project, the placement of a flat concrete walkway will add positively to the appearance of Orange High School, as well as reduce possible injuries associated with walking on ground that is not level.

Please accept this letter in support of the Match Grant proposal submitted by the Orange Parent Teachers Student Organization (PTSO).

If you have any additional questions, or if I can be of further assistance, please do not hesitate to contact me. I can be reached at 919-732-6133, ext. 20001 or by way of email at armond.hankins@orange.k12.nc.us

Sincerely,

Armond Hankins

March 6, 2012

Dear Board Members,

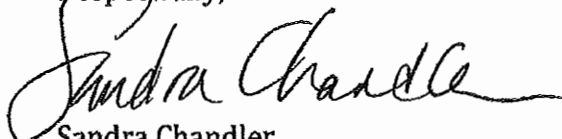

On behalf of the Orange High School PTSO I would like to submit this letter of request for the matching grant for the 2011-2012 school year. We would like to use this grant toward the cost of constructing a sidewalk at Orange High, which would connect the student parking lot to the front of the school area. Often times when there are events going on at the High School parking can be a challenge, and very often parents and community members have to park in the student lot, with no clear, safe passage to the front of the school. Ideally we would love to work with the district to expand this project to include lighting as well, however our funding does not allow for such expense at this time.

We have meet with Dr. McFarley, Mr. Crabtree and other members of the facilities department to review our request. The price quote from Jones Concrete, along with a drawing of the proposed sidewalk is included in this packet for your review.

We anticipate raising the funds needed toward the construction of this project through a direct donation campaign. We also will plan to use the upcoming Variety Show at Orange as a kick-off to our fundraising efforts. We have included also a letter we have sent home with parents through the AlertNow System as well as a letter written to the News of Orange asking the community to support our fundraising efforts.

We appreciate your consideration.

Respectfully,

A handwritten signature in black ink that reads "Sandra Chandler". The signature is written in a cursive style with a long, sweeping underline.

Sandra Chandler
OHS PTSO President
