SUBJECT: Child Nutrition Lunch Meal Prices

INFO. CONTACT: Dr. George McFarley/Valerie Green PHONE: 919-732-8126

ATTACHMENTS: Attachment 1- Healthy Hunger-Free Kids Act 2010- Section 205 and Summary

PURPOSE: To present information to the Board of Education regarding the price of Child Nutrition Lunch Meals in Orange County Schools according to S. 3307 Healthy, Hunger-Free Kids Act of 2010- Section 205.

BACKGROUND: Effective July 1, 2011, section 205 of the Healthy Hunger-Free Kids Act of 2010 requires school food authorities participating in the National School Lunch Program to ensure sufficient funds are being provided to the nonprofit school food service account for meals served to paying students who are not eligible for free and reduced price meals.

The USDA reimbursement rates for the 2011-2012 academic year are as follows:

\$2.77 for each meal served to students that qualify for free meals

\$2.37 for each meal served to students that qualify for reduced meals

\$0.26 for each meal served to students that qualify for paid meals

*USDA Reimbursement Rates for 2012-2013 have not been released.

Therefore, the 205 act requires school food authorities average paid lunch prices are less than the difference of the free meal and paid meal USDA reimbursement rates, which equals \$2.51. Orange County Schools currently charges \$1.80 (Elementary) and \$2.30 (middle/high). The school district must either gradually adjust average prices or provide non-Federal funding to cover the difference. The price adjustment must be increased by two percent plus an inflation rate of 2.18 percent (4.18 percent total), as specified in the Act. The inflation rate is adjusted annually.

FINANCIAL IMPACT: The Orange County Schools Child Nutrition Services would adhere to the Equity in School Lunch Meals Pricing Provision as mandated by the Act. Therefore, an increase across the board of \$.10 is recommended for paid student lunch meals.

RECOMMENDATION: The Superintendent recommends the Board of Education approve the following district meal prices for the 2012-2013 school year to be effective July 1, 2012:

Lunch: Elementary- \$1.90, Middle/High- \$2.40

Summary

Section 205 -

Establishes requirements regarding the nonfederal contribution required of school food authorities receiving federal reimbursement through the school lunch program. Requires food authorities that have an average paid lunch price that is less than the difference between the free lunch reimbursement rate and the paid lunch reimbursement rate to set their average paid lunch price eventually so that the total per meal revenue received for those lunches is equal to the per meal revenue provided by the federal government for free lunches. Sets forth the formula for setting the average price for paid meals. Requires school food authorities that have an average paid lunch price equal to or greater than the difference between the free lunch reimbursement rate and the paid lunch reimbursement rate to adjust their prices annually by the inflation adjustment factor used for federal reimbursement rates. Allows a school food authority to reduce the average paid lunch price if the state ensures that nonfederal funding is added to the nonprofit school food service account of the food authority to satisfy the requirements of this section.
