

Digital Learning Dashboard **Parent Survey**: North Carolina General Assembly Session Law 115C-102.9 requires for the collection and reporting of data regarding all student's access to digital devices and internet access at home.

The survey may be accessed by signing in to [Parent Portal in PowerSchool](#), where parents will see the Digital Device Survey link at the bottom left of the Navigation toolbar.

At the bottom left of your child's tab you will see "Digital Device Survey"

Please know that it is an optional survey to complete but we appreciate the support of parents in helping gather information to help support the digital teaching and learning needs of our students and teachers. *The information obtained will be kept private and confidential.*

NOTE: Unfortunately, this survey cannot be completed in the **Smart phone PowerSchool App**. You may use a computer or a web browser on your phone or device.
