SNEAK PEEK:

Get Ready for an Unforgettable 2024-2025 School Year!

As we count down the days until the new school year begins, the Aston Leadership team has been hard at work planning an incredible experience for our scholars. Our goal is to create a fun, engaging, and culturally relevant school year that fosters social, emotional, and academic growth. Most importantly, we know that our scholars cannot be successful without collaboration with our parents, so we want to have a school year where our families are aware and engaged in everything that we do.
