

DIFFERENTIATING SCIENCE INSTRUCTION

30 INSERVICE POINTS

Course Start Date: September 18, 2024

Course End Date: December 4, 2024

Content:

- This course enables educators to develop, increase, and demonstrate knowledge about applying the guidelines of differentiation to science instruction for the purposes of increasing student achievement for all learners.
- Content and activities emphasize how to use pre-assessment, continuous assessment, and summative assessments to design and deliver effective science lessons for whole group initial instruction and how to effectively use flexible small group instruction and individualized instruction, when needed, to respond to each student's needs.

Requirements:

- Attend 3 Mandatory Zoom Meetings
- Use of computer with internet access and camera
- Submit all assignments within the course deadlines

This course satisfies the 20 points needed in SWD/ESE to renew your certification.

Registration Information:

- All districts will register at: <https://bit.ly/DSI-2425Q2>
- **Registration Deadline: September 10th**

Additional statewide courses are available at:
