OUR STAFF

Certified educators will guide your child in learning new skills, help your child develop a sense of belonging as well as foster a love of learning and celebration of life each day. All preschool teachers are Highly Qualified with an endorsement in early childhood education. Para professionals are selected for their depth of educational training and experience working with young children. Teachers and para professionals participate in continued formal training each year as well as ongoing professional development opportunities.

We limit our class sizes to enable our teachers to provide our students quality instruction individually and in a small group.

Our teachers, along with our curriculum; provide a foundation for inquiry and will challenge each individual student. We are committed to providing meaningful and developmentally appropriate educational experiences for your child's intellectual, social, emotional, creative and physical development.

OUR CURRICULUM

Our early learning preschool program offers an academic based preschool through the McGraw Hill Wonders preschool curriculum. The curriculum includes early literacy and reading, math,
