The Out-of-Door Academy seeks an Upper School Math Teacher to join a thriving school that is committed to providing a relevant and student-centered learning experience.

APPLY AT:  https://www.oda.edu/about/career-center

Responsibilities
Reporting to the Head of Upper School, the Upper School Math Teacher will be responsible for the following:

- Develop and implement Math lessons with the capacity to teach through Algebra II, focusing primarily on creativity, critical thinking, collaboration, communication, and project-based learning.
- Teach five (5) courses from beginning through advanced levels.
- Fulfill the role of an Upper School Advisor and clubs supervisor.
- Closely collaborate with Upper School faculty to support students, faculty, and families across the division.
- Live the school’s mission and core values of respect, integrity, service, excellence, and responsibility.

Qualifications
Experience, Skills & Knowledge
- Bachelor’s Degree in Education, or Math required; Master’s Degree preferred.
- Minimum of two (2) years of teaching experience in grades 6 – 12 preferred, ideally in an independent school setting.
- Demonstrated passion as an educator who employs current advances in education and can show demonstrated success with new pedagogy.
- Invest in making contributions beyond the classroom, such as advisory, clubs, and coaching.
- A successful track record of working effectively with a wide range of constituencies including students, faculty, staff and parents.

Compensation and Benefits
This is a 10-month full-time exempt position available in August 2024. Compensation is highly competitive and commensurate with experience and includes a comprehensive benefits package.

At Out-of-Door, we value a diverse workforce. Applicants of any race, creed, physical ability, color, religion, sex, age, gender, sexual orientation or national origin are encouraged to apply. Once an offer is accepted, the position will require the successful completion of a national background screening and drug testing.
