Dear County Superintendents of Schools:

First Apportionment for the Educator Effectiveness Block Grant Fiscal Year 2021–22

This apportionment, in the amount of $1,199,747,404, is made from the state General Fund pursuant to Section 22 of Assembly Bill (AB) 130 (Chapter 44, Statutes of 2021) as amended by Section 9 of AB 167 (Chapter 252, Statutes of 2021). One-time funding is provided to local educational agencies (LEAs) and state special schools in support of the Educator Effectiveness Block Grant funding (EEF) to provide professional learning for teachers, administrators, paraprofessionals who work with pupils, and classified staff that interact with pupils. The amount paid in this apportionment reflects 80 percent of the allocation calculated for each LEA and state special school.

Allocations for LEAs and state special schools are based on an equal amount per full-time equivalent (FTE) certificated staff, not to exceed certificated counts, and FTE classified staff. Pursuant to California *Education Code (EC)* Section 41480(a)(1) data used in this calculation is based on the data submitted through the California Longitudinal Pupil Achievement Data System and classified staff data submitted through the California Basic Educational Data System as of October 2020. The calculated funding rate per FTE is approximately $2,415.80 ($2,415.7984955).

Conditions of Apportionment and Annual Reporting

In order to retain funding, LEAs and state special schools must meet the following two conditions of apportionment included in *EC* Section 41480(d). Compliance will be confirmed during the annual audit process.

- On or before December 30, 2021, LEAs are required to adopt a plan delineating the expenditure of funds including the professional development of teachers, administrators, paraprofessionals, and classified staff. The plan shall be presented in a public meeting of the governing board of the school district, county board of education, or the governing body of the charter school, before its adoption in a subsequent meeting.

- On or before September 30, 2026, report detailed expenditures to the California Department of Education (CDE) including, but not limited to, specific purchases

made and the number of teachers, administrators, paraprofessional educators, or classified staff that received professional development.

In addition to the final expenditure report, LEAs and state special schools will be requested to report annual expenditures to the CDE by September 30th each year. The annual reporting is in response to requests for detailed information in the legislative report, to justify future funding opportunities, and to confirm funding is being appropriately used and tracked at the local level. Additional information regarding EEF Reports is available at https://www.cde.ca.gov/pd/ee/eef2021reports.asp.

Period of Availability and Use of Funds

Funds are available for expenditure from the 2021–22 fiscal year to the 2025–26 fiscal year. LEAs and state special schools shall coordinate the use EEF with any federal funds received under Title II of the federal Every Student Succeeds Act of 2015 (Public Law 114–95) to support teachers and administrators. Funds shall be expended to provide professional learning for teachers, administrators, paraprofessionals who work with pupils, and classified staff that interact with pupils, with a focus on any of the following areas identified in *EC* Section 41480(b):

- Coaching and mentoring of staff serving in an instructional setting and beginning teacher or administrator induction.
- Programs that lead to effective, standards-aligned instruction and improve instruction in literacy across all subject areas.
